Support for Teenage Parents

Life can be difficult for teenage parents. Apart from the normal difficulties of parenthood, they often find themselves criticised or shunned.

Willingham now has a support group for teenage parents and their children. It began in September, and meets, at the Baptist Church in George Street, on Monday evenings from 7 until 8.15 pm.

The idea is to offer somewhere to meet which is friendly, welcoming, supportive and safe – and non-judgmental. Teenage mums, and mums-to-be, are welcome, along with friends or partners – or indeed

their own mothers – and of course their children. They do not need to feel daunted by the idea of going along.

The support group, which is the brainchild of Anita Salmon and who is a registered support childminder, is run by volunteers. There is no charge to attend.

Anita is full of praise for the support given by the Baptists, who are providing a room for the group and some volunteer helpers.

The Rev Jonathon Daniel, the Baptist Minister, said this was an important venture, and the Baptists were delighted to be able to support the new group. He added: 'The role of churches is to

serve the community in which they are placed and this is a wonderful opportunity to work with those who are often marginalised by society.'

The group has a website, www.teenybabies.org which has also been funded by volunteers. Any sponsors are acknowledged on the website. More information may be obtained from the website.

The email address of the group is support@teenybabies.org

Parish Magazine Update

Management Committee

The Parish Magazine Management Committee consists of two members of the Parish Council (Pat Daniels 01954 260505 and Rosemary Mumford 01954 260934) and, at the moment, only two members of Churches Together (Bill Kirkman 01954 260393 and Geoff Pake 01954 260534). The committee has been very ably assisted by a dedicated group of people who have helped to keep the magazine going this year. We wish to particularly thank Nick Tischler – without him we would not have been able to keep up the standard set by Sheilah Turner.

Can you help?

Thank you to all those who offered to proof read the magazine.

We still need additional volunteers to deliver the magazine. This is a good way to meet your neighbours! If you have an hour to spare please either email Phil King at philking@aol.com (please note corrected address) or ring 01954 260780.

Advertisements

Existing advertisers will be contacted shortly about new conditions and rates for 2006.

Potential advertisers wishing to receive this information should please email r.mumford@macmail.com or call 01954 260934.

Submitting articles by email

Thank you to all those who have already used the new email address for submitting articles for the magazine. Many of you already attach your articles to an accompanying email. It would greatly help the editors if everyone would please do this.

MAGPAS in Willingham

A word from MAGPAS and the Willingham Community First Responders . . .

Thank you very much to everybody who supported us since our article in the Parish Magazine of July 2005. We are hoping to "go live" in the New Year with a full team of fully trained CFR's!! We welcome Helen to our group: she will be taking on the role as Coordinator for Willingham.

Many thanks also for all the support for the British 10K Race in London: MAGPAS has raised over £4,500 for the event, and we would like to mention especially our very own Black Bull Pub for donating generously.

Upcoming Events

We are in the process of planning a very exciting WINTER BALL to take place at the end of January - so time to dig out the posh frocks in readiness for dinner, dance and an evening like Willingham has not seen before!!

Over Tennis Club – Winter Tennis

Would you like to play tennis through the winter; run around, keep fit and enjoy yourself; and stay remarkably warm, even on chilly evenings?

Over Tennis Club is offering winter sessions on Friday evenings at the All Weather Surface in Over Community Centre in The Doles, Over. The sessions will begin on Friday 7 October until the new season starts in April next year, when club nights move back to Monday and Friday evenings.

It doesn't matter whether you are an experienced player or new to the game. If you are interested, just turn up between 7.30 and 8pm armed with a racquet. The entrance to the courts is via the left hand door of the dark green Portacabin building located next to the All Weather Surface.

For further information call the club secretary Naunton Pugh on 01954 230393 or email naunton.pugh@ntlworld.com.

From the Parish Council

New Committee structure

At its September meeting, the Council adopted a revised Committee structure. There are now 4 Committees instead of 6: Cemetery and Green and Boundaries; Finance and General Purposes; Leisure and Amenities and Public Hall; and Planning. These Committees will meet more regularly than under the former system, and hopefully this will enable village business to flow more smoothly.

Northstowe planning application

By the time this Parish Magazine comes out, there may already have been one open meeting (28 September) in the Primary School for anybody who wishes to inspect the detailed planning applications by developers Gallagher. The second meeting will be on Wednesday 12 October, 7.30 to 9pm, also in the Primary School Resource Centre. The deadline to send comments on these plans to the District Council is Monday 17 October.

Next Parish Council meetings

The first meeting of the newly-constituted Cemetery and Green and Boundaries Committee will be on Tuesday 4 October at 7.30pm in the Parish Council Office at the Ploughman Hall, followed immediately by the first meeting of the new Leisure and Amenities and Public Hall Committee. These meetings will primarily be to elect a Chairman and Vice-Chairman of each Committee, and to plan future meetings. The Planning Committee will already have

met, on Monday 26 September. The Finance and General Purposes Committee is composed of the Chairmen and Vice-Chairmen of the other Committees, and future meetings of this Committee will be advertised when arranged. All Committee meetings are open to members of the public to attend, and there will be a slot in the agendas for the public to speak to the meeting.

The next Parish Council meeting will be on Wednesday 5 October, 7.30pm, in Willingham Primary School, Thodays Close. The agenda will be posted on 29 September on the notice board outside the Parish Room in the High Street, and in the Library. Parish Council meeting agendas also include a slot for members of the public to speak.

Minutes of past meetings of Committees and the full Council are available for view in the Library.

As usual, there will also be a joint “surgery” with the Housing Advice Centre on the same day, 10 am to 12 noon, at the Baptist Church in George Street, where you can bring any questions or concerns you may have about village matters.

Parish Office

The Clerk is in the Parish Office on Monday and Thursday mornings from 9am to 12 noon, and on Wednesday afternoons from 1.30 to 4.30pm. Appointments can be made by calling the office on (01954) 261027. There is an answerphone for use outside office hours, and the Clerk undertakes to return any calls as quickly as possible.

The hilarious horse racing night is back at 8pm in the Social Club on Saturday 29 October. This is an evening's entertainment that is best described as 'bizarre'.

length of the dance floor. Everyone is cheering, having placed small bets on their favourite jockey... it is hilarious! Tickets cost £5 each and include a chilli or vegetarian supper. Call Lynda on 01954 261309, or visit Aspinalls Builders Merchants.

Willingham Horticulture and Craft Show

The show took place on Saturday 3 September in Willingham School Hall, raising an estimated minimum profit of £800 to go to Cancer Research. There was an excellent display of fruit and vegetables, flowers and plants, and arts, crafts and homecraft. The children's sections were also well supported.

Jon Bullock, winner of the trophy for 'Best in show - Crafts' had no idea that his mother, Helen, had entered 'Rodney the Rooster' in the craft section until he had a phone call suggesting that he should go round to the school as he had won a prize! Jon had been stuck for an idea for his mum's 60th birthday present and decided to make something himself. Jon works as a builder and made the cockerel from an old copper cylinder.

Other trophy winners included Cliff Hopkin, who carried off the trophies for Best Fruit, Best Vegetable and Best in Show - Horticulture. However, he was beaten by Keith Elsome for Most Points in the Show and Most Points in the Flower and Plant section. The trophies were presented by Gordon Spackman, who also won the tankard for the Heaviest Onion for the third year running and the tenth time in all. Winners in the junior sections included Thomas Hutchcraft, Lydia Shepherd-Wilson, Becky Leaney, Josh Blunt and Natalie Simmons. A full list of trophy winners can be obtained from the show secretary.

The afternoon was rounded off with the Grand Prize Draw and the auction of produce ably conducted by Roger Denson, who once again persuaded people to part with their money in a good cause. Unfortunately there were fewer people at the auction than last year. This could have been due in part to the very hot weather.

The committee would like to thank all those who worked hard to make the event possible, and those who sponsored the show with raffle prizes and financial support towards printing and postage.

Now we are looking forward to next year's show on Saturday 2 September 2006.

The Honeypot Pre-School

Annual General Meeting

The Annual General meeting and election of the new committee will take place at 8pm on Wednesday 19 October at Honeypot Pre-School.

Have you ever had an idea that you thought would be good for Honeypot? Have you ever wanted to change something about us but didn't have a say? Do you think you could contribute some ideas or enthusiasm to your Pre-School? If the answer to any of these questions is yes, then why not join the Honeypot committee? If you don't fancy joining the committee, perhaps you would like to become one of our helpers. We always need extra hands for gardening, maintenance and fundraising events. It's a great way for making new friends. After all, parents have a shared interest – the quality of care and education of our children.

For the AGM to go ahead, we need parents from 14 families with children currently at Honeypot to attend the meeting. Do come along and find out what has been happening at your child's Pre-School over the past year. Please support us – just coming to the meeting helps and does not commit you to anything.

St Mary & All Saints Church Restoration Appeal

There are two events this month which you should find entertaining. We look forward to welcoming you at them.

The Sacristy . . . and what it may have been

On Saturday 22 October Jeremy Lander, our church architect, will talk about the work that has been done on the Sacristy, and there will be an opportunity to look at this now restored unique feature of the church.

We are making this a day of celebration. There will be organ music from 12 noon. Then at 12.30 Jeremy Lander will give his talk.

Snack lunches will be available – and then at 2 o'clock Jeremy Lander will give another short talk about the possibility that the Sacristy was used in the Middle Ages as an Anchorhold – a cell in which an anchorite (someone who lived apart) was enclosed, to be devoted to a life of prayer. This will be accompanied by a short dramatic illustration of an anchorite being consigned to the Anchorhold.

Test your knowledge at the Quiz evening

This will be held on Saturday 29 October, at 7.30 for 8pm, at the Ploughman Hall. Full details are shown in the advertisement for the quiz.

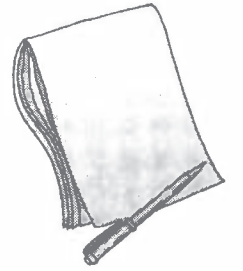

Cakes

The September cake stall in the parish church broke all records, and raised £200. The cake stall is a regular event on the first Saturday of every month. There is a small team who provide the cakes unfailingly month by month. They would welcome some more cake makers. If you would like to join them, please get in touch with Joyce Bowen (telephone 01954 261075)

For information about the Restoration Appeal get in touch with Bill Kirkman on 01954 260393 or email wpk1000@cam.ac.uk.

Pastoral Letter

From the Ashes?

There is revival in the air, people have a new sparkle in their eye, and hymns are being sung in the street.

I am talking about English cricket of course. The hymns are Jerusalem and the national anthem.

The fact that I am taking an interest shows how even the most hardened can be turned around. When I was at school my only interest in cricket was to ensure that I got sent out to the boundary, safe from the sound of leather upon bone. I kept fit that way, walking right across the pitch at the end of every over.

Now of course I am like everyone else, agog with interest, and brimming with patriotism. It is an amazing revival of interest in a game that seemed to be dying. I am not certain what caused the long decline of our national game and our national team. But I do note that when they sacked their chaplain in the 1980's they subsequently wandered in the wilderness for 25 years. Sometimes it takes God a long time to forgive.

But I reckon there are lessons to be learned from their present resurrection. Firstly it took a long time. We are very inclined to look for quick fixes and instant solutions. More times than not in this life rewards come from persistent effort rather than lightning flashes.

Thursday Praise is a service for those who cannot get to church on Sunday, or who prefer a less traditional service. It takes place on the second and fourth Thursday of every month, at St Mary and All Saints, Church Street. This month Thursday Praise Services are at 8pm on 13 and 27 October. If you would like to know more then please ring Sue West on 01954 260409.

For Children we now offer children's facilities at all our 11.00am services. Even if they are too young to crawl, there is a place for them in **Caterpillars**. For Children from pre-school upwards **Young Idea** gives them a share in our services and time out for their own activities.

OUR GUEST SPEAKERS

For many years Erica White's life was ruined by ill health. She was a mass of allergies which led to an anxiety state and massive medication. She was freed from this state both by a discovery of the love of God and an understanding of how she could overcome her problems through attending to what she ate and drank. Eventually at the age of 53 she began professional training as a nutritionist. She now runs a successful practice in the South of England. She is the author of three books: Doughnuts and Temples, Beat Candida Cookbook and The Beat Fatigue Handbook. She is convinced that proper nutrition can alleviate and sometimes cure many of our modern ailments. Be nice to the body God gave you, and there is a double dividend, physical and spiritual.

Her husband Robin who helps run the practice is a former science teacher and a lay preacher.
