Young Willingham - The Reading Voyage Reaches its Destination.....

Do children read? The question is often asked – and often the implicit answer is 'no'.

Anyone asking the question in Willingham Library on the morning of Saturday 1 October would certainly have come up with a different answer. The place was packed with children who had taken part in the Reading Voyage throughout the summer holidays. There were even more participants than last year.

They were enthusiastic about the experience, and enthusiastic about the medals and certificates which they received from Pam Gooding.

The Reading Voyage was supported by a grant from Willingham Parish Council and by the help of Friends of Willingham Library.

.....and old Willingham - in Maps, Parish Records, Pictures

Three days earlier the Library was packed with a different clientele, as people came throughout the

afternoon to see the fascinating and wide-ranging display of Parish Records, old maps, and pictures from the old Willingham collection.

What was the village like in the past? Who was he? Where did she live? The questions came thick and fast, and there were many people there who could provide at least some of the answers.

Rosemary Mumford, one of the organisers, said: 'It is most encouraging to find so many people interested in the history of our village'.

Linda Drath, Anne Godden, Pam Gooding, Anne Kirkman, Margaret Lucas, Rosemary Mumford and Sue West, all members of the committee of FOWL (Friends of Willingham Library) organised this highly successful event, and they give special thanks to Jon Edney, and to Chris Jakes of the Cambridgeshire Collection and Liz Stazicker of the Cambridgeshire Record Office, for giving so generously of their time. They are most grateful also to the staff of Willingham Library.

The Next Issue: Please send material to the following email address: willinghamnews@yahoo.co.uk Please if possible send your copy as an email attachment, NOT incorporated in the email. Paper copy can be left at the Library. Note: the deadline is **14 November**.

From the Parish Council

Drainage problems

People who live in Over Road, Haden Way and Rook Grove will remember the problems a few weeks ago when the drains were unable to cope with the heavy rainfall. The Council has now written to Anglian Water and the Environment Agency pointing out that the present drainage system in Willingham is not able to cope with the current level of use, much less the extra load it will have from all the new building. Urgent information has been requested on any plans to upgrade the system. Responses and any developments will be reported in future Parish Magazines.

Village footways

An officer from County Highways has agreed to walk round Willingham with members of the Parish Council, to note for himself the very poor state of the footpaths and painted road signage. The Council intends to press the County Council for action.

Shared cycle/footway between Willingham and Longstanton, and traffic calming proposals

County Highways have analysed the responses to questionnaires circulated at the recent open meeting on traffic calming and the proposed shared-use cycle/footway, and letters written by some who could not attend it. The Council will have had to make its recommendation to County Highways by the end of October, in order to take advantage of the available finance; and there will be a further report on this next month.

The Council is grateful to those who attended the meeting and completed questionnaires, or who wrote in if they could not attend. Unfortunately the attendance and response was less than hoped for. The Council is taking account of the questionnaire responses and letters in formulating its recommendations; but in the awareness that, due to

the small response, this is less representative than it would have wished.

Connections youth bus

The Council is supporting an offer for the Connections Bus Project to attend weekly at the Ploughman Hall from 19 October to the end of July 2006. Discussions are in hand for the long-term future of the youth club.

Street lights in surgery road

County Highways have informed the Parish Clerk that the new street lights in the road off Long Lane to the surgery should be connected by the end of November.

Next Parish Council meeting

The next Parish Council meeting is on Wednesday 2 November, 7.30 pm, in Willingham Primary School, Thodays Close. The agenda will be posted on 27 October on the notice board outside the Parish Room in the High Street, and in the Library. Council meeting agendas also include a slot for members of the public to speak.

Minutes of past meetings of Committees and the full Council are available for view in the Library.

As usual, there will also be a joint 'surgery' with the Housing Advice Centre on the same day, 10 am to 12 noon, at the Baptist Church in George Street, where you can bring any questions or concerns you may have about village matters.

Parish Office

The Clerk is in the Parish Office on Monday and Thursday mornings from 9 am to 12 noon, and on Wednesday afternoons from 1.30 to 4.30 pm. Appointments can be made by calling the office on (01954) 261027. There is an answerphone outside office hours, and the Clerk undertakes to return any calls as quickly as possible.

Flu vaccinations

Have you had your flu jab yet? When booking remember to tell reception that the appointment is for a flu vaccination. It is recommended for all people aged 65 or more, and people with chronic medical conditions such as heart, liver or kidney disease, diabetes, asthma or other lung diseases. If in doubt ask the doctor or nurse for advice.

Pneumonia vaccination is also available for the same group of people, but is only required once, so if you have never received a pneumonia vaccine it can be given at the same time.

Yellow Fever Clinics

We have recently renewed our licence as a Yellow Fever Centre. We have organised a direct contract with the supplier to ensure regular supplies following a national shortage of the vaccine. Non-registered patients are welcome to use the Yellow Fever Clinic.

Pharmacy News

Please note the phone number for ordering repeat prescriptions is **01954 260073** and we would be grateful if you could have your repeat prescription order form to hand when requesting your repeats. We now have a new Dispensing Trainee, Ami, who is working towards her NVQ 2 qualification. It will take her several months to get to know our regular patients, and your help would be much appreciated as she learns the ropes!

From 21 November we will be issuing two months' supply of repeat medication to ensure you have sufficient supplies to tide you over Christmas and New Year.

Reception News

We have two new receptionists, Helen and Yvonne, in training so please bear with them until they become familiar with our patients and our way of working. They will always be supervised by one of our experienced receptionists.

Well Man and Woman Health Checks

Don't forget that you can book up for a Health Check in a normal surgery session provided that you tell Reception the appointment is for a Well Woman or Well Man Check so that they can book sufficient time. We do not run clinics at specific times as we feel these times may not always be convenient to people.

Acknowledgements

Our grateful thanks to the family and friends of Dennis (Roy) Elsom for their kind donations to our Surgery Equipment Fund in his memory.

St Mary & All Saints Church Restoration Appeal

We have been telling you about a series of events organised by the Restoration committee. In October there were two: the quiz night, and the Sacristy talks and drama. The committee is most grateful for the support and encouragement which people offer.

It is a good time to tell you how the Appeal is going.

Since the Appeal began in 2001 we have raised about **£38,000** (including about **£5,700** from Rene Gould's bric-a-brac stall, and including also a **£2,000** grant from Cambridgeshire Historic Churches Trust)

We have spent about **£22,500** on the Sacristy and **£5,500** on the chimney.

We still need to raise money to repair the north aisle roof, and to carry out work on the organ.

Cakes

One regular and continuing source of money for the Appeal is the monthly cake stall. It takes place at the church on the first Saturday in each month. It is very popular, and produces an income of well over £100 each month (in September it actually raised £200). There is a small team who provide the cakes unfailingly month by month. They welcome buyers, obviously, but they would also welcome some more cake makers. If you would like to join them, please get in touch with Joyce Bowen (telephone 01954 261075) or at the stall itself.

For information about the Restoration Appeal get in touch with Bill Kirkman (01954 260393. Email wpk1000@cam.ac.uk).

The Royal British Legion Women's Section

Our next meeting is on Monday 21 November at 7.30 pm in the Community Centre, Wilford Furlong, when sausage and mash will be enjoyed by members. A Christmas bring-and-buy and monthly draw will take place.

Walking bus

Willingham School is running a pilot scheme for a 'walking bus'. The aim is to keep car congestion outside the school to a minimum and of course, walking is healthy. Ideally there will be various routes through the village. If you would be interested in your child(ren) participating, please contact Karen Page at the school on 01954 283030.

Valerie Cutting, who is Equity Share Officer for South Cambridgeshire District Council, writes:.

'There are four one-bed flats available on the Shared Ownership scheme on the Covent Garden development. I want to make sure that all residents of Willingham know about these four flats and if interested, could express an interest in them.

I have done this with other parish magazines with great success of spreading the news and enabling local people to gain housing.'

Valerie Cutting may be contacted at the District Council office, or by email: Valerie.Cutting@scambs.gov.uk

Public Art in Willingham

Willingham Parish Council is looking for a professional artist to make something special for Willingham. The scheme, funded by the Home Farm development through the District Council, should involve as many enthusiastic residents of the village as possible.

Projects tend to fall into one of three categories:

1. The erection of a memorial/commemorative monument marking a significant place, person or historical event in the village;
2. The incorporation of art features – specially designed notice boards, lighting and street furniture – in a village amenity, such as a village green;
3. A celebratory event marking the arrival of the first residents in the new development, or the publication of a book marking the occasion.

Whatever we decide to choose, all approaches will include community participation. If you have an idea for a public art project, please contact the Parish Clerk at The Parish Council Office, Ploughman Hall, West Fen Road, Willingham CB4 5PL email@willinghampc.org.uk

Copies of a full leaflet about the scheme are available from the Clerk.

Pastoral Letter

Remembering: *Shortbread with chocolate custard!*

I sat at my Mother's bedside recently, called there by the excellent nursing staff at Bideford Hospital. As she slept, at times almost too soundly, I remembered. There was so much to remember. As I looked at her hands I remembered the many many jumpers and tank tops she had knitted me as a child with those hands that now looked so worn and twisted by arthritis. I looked at her face and remembered the way in which every night as a child she had said the Lord's prayer with me as I curled up in bed, ready to fall off to sleep. I sat there for hours, looking and remembering, remembering, remembering.

My thoughts wandered to other aspects of my childhood, dens built in the woods at the bottom of the garden, picnics in the countryside, days on the beach on the wonderful North Devon coast. As I remembered, it gave me hope. Mum had been a good Mum, no, she hadn't got everything right, but her interaction with me had a positive influence. She had always carried good wholesome values with her- she had not led me astray - in her gentle way she had guided me in good ways although I didn't realise it at the time. It was so good to remember.

I suspect that it was childhood memories of Sunday School that resulted in my interest in Christianity at the age of 27. Having well and truly left the church behind at the age of 13, I faintly remembered that I had touched on something special in those Bible stories and the people I had met at church. Memories gave me hope for the future which I had come to realise it was impossible for me to guarantee. Remembering there was something better made me find out more about the Christian faith and it was in Jesus that I found the hope and promises I needed to secure my life. Remembering had brought hope found in a love that will never fail.

It's crucial that we spend time remembering, isn't it, and this month gives us an important opportunity to do just that. On the 11th day of the 11th month the nation will remember those who have given (and continue to give) so much in serving our country. Time marches on, but memories remain and sometimes become more valuable than we could ever have anticipated. As we remember with thanks in our hearts I pray that we would be given hope for the future, recognising that our actions today will be the basis for memories in the future.

And as for that 'Shortbread with chocolate custard'? Little did those 1960s school dinner ladies realise what fond memories would be carried through my life as a result of their dedicated cooking of real school dinners (be encouraged Willingham Primary)!

Family Praise is an upbeat service including activities for children of all ages. A crèche is available at 11 am services.

Thursday Praise is a service for those who cannot get to church on Sunday, or who prefer a less traditional service. It takes place on the second and fourth Thursday of every month, at the parish church. If you would like to know more, phone Sue West on 01954 260409.

For Children we now offer children's facilities at all our 11.00 am services. Even if they are too young to crawl, there is a place for them in **Caterpillars**. For children from pre-school upwards **Young Idea** gives them a share in our services and time out for their own activities.

If you know of anyone who is ill, or for some other reason would like a visit, please let the Rector know. Telephone 01954 261225.
