Three views of Willingham

The past - a Mystery Lady

Do you know who this is? The equipment she is using might give some of our senior readers a bit of a clue. Her identity is revealed on page 7.

The present – the beauty of nature

"Spring Watch" may not be so well off for barn owls this year; but here is a picture of a resident barn owl taken by one of our residents.

The present – the harsh reality Vandalism in the village – an extract from the report by the Parish Council

Unfortunately the main Council news this month is about a spate of vandalism which has been afflicting the Recreation Ground and Ploughman Hall. Recreation Ground fences and gates have been destroyed, the Ploughman Hall waste bins have been burnt out (causing some damage also to the Hall windows), graffiti have been sprayed, and vandals even got into the Pavilion. Not only does this harm amenities which are there for the entire village, but it is a cost on your money. The Council's insurance will rise if we have to keep claiming on it; and in any case the insurers impose an excess which will be applied to each claim for every act of vandalism. This comes out of the Precept, which at the end of the day is money every Council Tax payer contributes to the upkeep of village amenities. In addition, the Council has only recently paid a significant sum of money to buy replacement litter and dog waste bins which continue to be vandalised all over the village.

The police are doing their best to provide a highvisibility presence in the areas of the village where the vandalism is most prevalent, but they can't be everywhere all the time. So – if you see an act of vandalism taking place, or even if you come across something which has already been vandalised, please do report it to the police as soon as possible. For all our sakes it is vital that this trend is stopped as soon as possible.

From the Parish Council

And more on dog waste bins

The Parish Council has had a number of complaints about dog waste being left on the pavement and footpaths. This is a plea to all dog-owners, please, not to let your dogs foul any place where other people have to walk, and to use the dog waste bins provided for the purpose of disposing of such waste. Besides being unsanitary and potentially dangerous

(Parvo Disease is carried in dog faeces and can cause a related illness in children, sometimes with serious complications), letting your dog foul the pavement or footway is an offence, for which there is a fine.

New Committees

The Parish Council has now elected its new Committees. The Chairmen and Vice-Chairmen respectively are:

Cemetery Committee: John Anderson and Ray Manning

Green and Boundaries Committee: Bill Kirkman and Andrew Cook

Leisure and Amenities Committee: David Granger and Jim Watson

Planning Committee: Phil King and John Anderson **Public Hall Committee:** Rosemary Mumford and Jim Watson

The **Finance and General Purposes Committee** is chaired and vice-chaired by the Chairman and Vice-Chairman of the Council, Pat Daniels and Phil King.

Most of these Committees have already had their first meetings, and started to carry forward work outstanding from last year.

Photocopier looking for a good home

The Parish Council has recently replaced its photocopier, and is looking for a good home to give the old one to. It is a fairly basic model – does single-sided copies (but can be persuaded to do double-sided by mechanical means!). It is 2ft x 18 inches x 18 inches, and comes with a

slightly larger cupboard base. This is free to any village voluntary organisation who can come and collect it, firstcome, first-served. Contact the Clerk if you are interested.

Roadside hedges

Householders are reminded that it is the responsibility of anyone with a hedge at the front of their garden to ensure that motorists' visibility is not restricted (including at road junctions and across bends), and that the movement of pedestrians, cycles or vehicles is not hindered by hedge growth. In legal terms, no roadside hedge or tree should overgrow such that it extends forward of the established Highway Boundary. Verges are considered part of the public highway and so verges should not be obstructed either. For safety reasons, roadside hedges are the exception to the rule that no hedge-cutting should take place during the bird-nesting season.

Funding surgeries

South Cambridgeshire District Council and the South Cambridgeshire Council for Voluntary Services are holding a series of funding surgeries across the District. In July there will be surgeries in:

4 July -	Haslingfield Village Hall
20 July -	Papworth Village Hall
31 July -	Sawston – venue to be confirmed

All are walk-in sessions, running from 10 am to 3 pm, where people can find out about available grants, receive information on becoming a charity, find out about the roles and responsibilities of trustees, or ask other questions about managing and running a voluntary organisation.

Station Road ditch

The District Council have asked that we publicise that in July they will be cleaning out the ditch along Station Road. This ditch has become increasingly silted, to the point where it no longer does its job of draining the surrounding land. They will need to remove 3-6 inches of silt, which will have to be piled up on the banks (where most of it fell in from in the first place). This work will not be done until after the nesting season.

Golf on the Recreation Ground

Please be aware that it is not permitted to play, or practice, golf on the Recreation Ground. Golf balls are dangerous missiles in areas open to the general public, and the Parish Council has had several complaints recently about people and property being put at risk by golf balls being hit around on the Rec.

July Parish Council meeting

The June Parish Council meeting will be on Wednesday 5 July at 7 30 pm, in Willingham School. As usual, the agenda will be posted on Friday 30 June on the Village Notice Board outside the Public Hall, and in the Library; and there will be a slot in the meeting for members of the public to address the Council on any matters (whether on the agenda or not) which concern them.

Parish Council Office Ploughman Hall, West Fen Road, Willingham CB4 5LP.

Tel. 01954-261027 E-mail email@willinghampc.org.uk .

The Clerk is in the Office on Monday and Friday mornings from 9 am to 12 noon, and on Wednesday afternoons from 1 30 to 4 30 pm. Appointments can be made by calling the Office. There is an answerphone outside office hours, and the Clerk undertakes to return any calls as quickly as possible.

District Council Report

South Cambridgeshire District Council has the responsibility for planning decisions for the local area. This not only means deciding on granting permission for new houses and extensions but also longer term planning for the whole area. This is called the Local Development Framework or LDF and the finishing touches to this have been made over the last year. This includes deciding where the houses that the Government says must be built in the area should actually go.

To Willingham the biggest part of this scheme will be Northstowe, the new town to built near Longstanton and Oakington bordered by the old railway line. The old line will be the Guided Bus route which is the responsibility of the County Council but is crucial to the development of the new town. The District Council had three real choices over the Northstowe site. To limit the town as much as possible by building only on the old airfield and golf club site, called Option A. To add on land to the other side of the road as well, option B, making the town 1000 houses bigger. Or finally option C which would have seen the biggest town of all by including about 600 acres of land on Willingham side of the railway line. The Council chose option A, the smallest possible, but when finished in 20 years time it will still be the biggest town in Cambridgeshire after Cambridge City.

The whole LDF recommendations including Northstowe can be viewed on the Council's Website. The final decision is now being taken by a Government Inspector whose report should be made by Christmas.

Because Willingham and Over now elect 3 Councillors to serve the two villages there is an election in every year when the County Council is included. There is a suggestion that this should be changed so that all three Councillors and the Parish Council should be elected at the same time. Your three District Councillors support this as it would save £80,000 and we hope lead to a bigger turnout on polling day. This year saw Councillor Corney reelected, next year Councillor Burling will stand for reelection and Councillor Manning in 2008. It is assumed that it will take that long to change the system as the Government has to approve it.

This year saw another difficult year for the Council as we were "capped" by the Government and so could not raise the Council tax. The Council is actually spending more than it raises and has done so for many years. In the past this was because the Council had such big cash carried on for too long and now we face difficulties. chrysanthemums in 1970.

South Cambridgeshire remains in the lowest 10% of English Councils for spending and a Band D taxpayer pays £98 per year, but the Council spends £140. This means that the Council must continue to make cuts and become even more efficient to balance the books over the next 4 years. This process has begun by reducing the number of Senior Officers and making drastic changes to the management structure to try and save £550,000 over the next 4 years without affecting services.

There are problems with increasing numbers of Travellers setting up unauthorised encampments in the area and putting a strain on the local resources. It is really only happening in the area of Milton to Swavesey, while Willingham and Cottenham have the biggest problem at the moment. There have always been Travellers camped in the area and these local Travellers who have lived here for generations are being forced out by the influx, often from Ireland. We need help from government legislation to restrict the numbers in the "hot spots" thus protecting the locals, while providing space in the wider area of the Eastern Counties for those with no real local connection. The Council continues to try and do the best for the best for everyone by enforcing planning laws equally and fairly.

I hope that Willingham remains a very attractive place to live. If we Councillors can improve the front line services, ie refuse collection, street cleaning and the things that really affect peoples' lives, while reducing the costs, it will be even better in the future. If you need to contact anyone of us the details are published in the Village Directory in this magazine.

Repeat prescriptions

In the pharmacy we are experiencing an increasing number of patients running out of their repeat medication. Please note that we are unable to hand out prescription-only medicines without a valid Doctor's prescription and therefore we cannot simply hand the tablets over. We will endeavour to sort out genuine emergencies but you may be asked to call back. The statutory order time for repeat prescriptions is two working days.

Please refer to your **repeat request form** when ordering and remember that you will need to see a Doctor during your birthday month for a drug review to update your

repeat list. You will receive a letter from the surgery reminding you to attend and advising if you need blood tests prior to your drug review appointment.

Finally, you should only need to place an order for repeats once a month even though the quantities you have may not tally. Please place your order in plenty of time especially when a bank holiday is due. Thank you for your help.

Appointments

We often have requests from patients turning up at the surgery and asking "Can you please just fit me in. It won't take a moment." We regret that we are unable to do that as it is unfair to those patients who already have appointments which will then run late. If you feel that you need to see a doctor that day you will be given the first available free space that morning or asked to return for the emergency appointments at the end of the morning between 11 45 am and 12 15 pm when you will be seen in turn by the duty doctor or doctors that day. In the event of a genuine emergency situation you will of course receive attention as soon as possible.

Late arrival

If you arrive more than 20 minutes late for your appointment and other appaients have arrived for appointments = at that time, in fairness to those other _____ patients you may be asked to wait until the doctor or nurse can see you later.

Verbal abuse to staff

May we remind you that the NHS has a Zero Tolerance Policy towards abuse to staff which we as a practice uphold. Please do not take out your anger and frustration on our staff when you are not happy and we respectfully ask you not to use bad language in the surgery or on the telephone. You may ask to speak to Cynthia our Practice Manager if you have any concerns or complaints.

Pastoral Letter

You've probably heard the old chestnut that there are two signs of advancing age ... the first is loss of memory and the second is ... oh, I can't remember! For the benefit of readers who have yet to meet me, I am in that bracket. I don't feel as old as my years, but my children would probably say that my birth certificate proves that I am a lot younger than I look. Cheeky aren't they, but I usually respond with equal humour that I have inherited all my wrinkles from them.

I don't yet qualify for a bus pass ... though, if what I am hearing is true, it won't be much benefit to me when I get one. I have already attended my first pre-retirement residential course - I think I was the youngest person present, much younger it seemed than those who were there to ease my passage into dotage.

It seems the information about my date of birth has begun to find its way into commercial places and I am being encouraged to plan for my future by buying into financial services, looking after my health, and thinking about how I am going to use my leisure hours – and I'm years away from collecting my state pension ... still, it is good to be prepared.

So I started doing some reading, and learned that the best way to fill my new-found leisure (when I get it) is to give one of my precious resources away ... a gift of time. The booklet told me what an asset I could be to a local community group ... but that wasn't news to me. The local churches and indeed many local organisations depend heavily on the willing service of volunteers. That is certainly true of the Salvation Army to which I belong. We could not function without the thousands of volunteers who help us every day in this country alone. They are the unsung heroes who deserve a medal or ten.

Here in Willingham we have no paid staff - everyone is a volunteer - and we could do with some more. In particular we need drivers on Thursday lunchtimes to chauffeur older people to our luncheon club. Financial rewards are in short supply, but payment in terms of job satisfaction, appreciation and a free lunch can't be sneezed at. Give me a call if you are interested. It would be great to hear from you.

Notice to all Cambridge Evening News "Direct" customers

As many of you are already aware, the *Property Scene* magazine that accompanies Thursday evenings' papers is proving difficult to deliver on a bike due to the weight and quantity and the distance covered.

It is the responsibility of the regular paperboys/girls to find our own relief cover during our annual summer holidays. This can be a problem during the school holidays that has now been exaggerated with the addition of the property magazine.

As no suitable solution has been found, to ensure the delivery of the evening paper itself we regret that you may not receive Property Scene on some occasions. We would like to take this opportunity to thank everyone for your understanding over previous weeks, and to apologise for the inconvenience.

If you are aged 13 or over and would like to undertake occasional relief rounds on a casual basis (sometimes just an odd day, sometimes 2 weeks and with the option to say "No") please ring 01954 261309.

From your Cambridge Evening News "Direct" deliverers Luke, Josh, Adam, Jonny, Frank, Jack, Rebecca and Michael.

Baptist Matters

Meeting Point There will not be a meeting in July, but, instead, a meeting will be arranged for 7 August.

Rendezvous The next meeting will be on Monday 17 July at 2 30 pm in the main hall of the Baptist when Mr Paul Ingle will give another of his musical concerts. Please come and support this event.

Open Door Come for coffee (or tea) and a chat on Thursday mornings in the Baptist Church from 10-11 30 am. Everyone very welcome.

Bumps and Babies meet on Thursday mornings from 10-11 30 am in the rear hall of the Baptist Church during term time. This is a chance for new and expectant parents to meet up for a chat and a coffee while the babies play. Do come along and join us. **TOPS** meets on Tuesday mornings from 9 45-11 am in the Baptist Church during term time. This meeting is for children aged

18 months to 3 years, with their parents/carers, for fun activities and refreshments. Please come along and join us.

Restoration Appeal A Willingham calendar

We are producing an 'old Willingham' calendar, which will be launched in September. It will make an excellent Christmas gift for friends and family who would like to be reminded of the village. We shall announce the date of the launch next month, but in the meantime, do make a list of people who might like to have a calendar. Either tell them about it yourself, or

ask Bill Kirkman or Rosemary Mumford to get in touch with them.

Cakes for your delight

The monthly cake stall will be at the church as usual on the first Saturday of the month – 1 July – from 10 am.

This is your chance to help the Appeal, and buy some delicious cakes.

Churches Together praying for the people of Willingham and Rampton

In the second full week in each month the Churches in Willingham and Rampton will be praying for the people who live in a particular area of the village. In July this is Berrycroft, Elm Way, Thodays Close, Newington.

The Fen Edge Twinning Association

How many times have you driven into or out of a town and seen a sign saying: 'This town is twinned with ...' and wondered what on earth that actually means to the people living in that town? Well this could be your chance to find out.

The Fen Edge villages of Cottenham, Landbeach, Waterbeach, Rampton and Willingham are twinned with a French town called Avrille. Avrille is a small town close to Angers and south of Le Mans (famous for the 24 hour car race), situated between the Brittany region and Loire Valley area in France.

The association has been running for about 8 years now and we have a good number of members. However there is always room for more people to join and become involved. We have a real mixture of members so whether you are single, a couple, a family, young, old, new to the villages or a born and bred local you will find this an interesting group.

The twinning association arrange and take part in annual visits with members of the Avrille group. Once every two years we go to visit them and then in the alternate year members from France come to visit us here.

These exchanges take place over a weekend, usually one of the May bank holidays. Various group activities are planned for the visits giving you a good chance to meet others in the group, both from France and the other villages.

Next year the French group will be coming to England and we would be delighted to hear from anyone interested in hosting one or more of our French visitors.

This is a real chance to visit real people not like being on holiday and staying somewhere as a tourist. You get to stay with a family and really see what it's like.

How's your French?

Are you interested in finding out how the French live, or

Seeing from the inside by staying with a French family in their home;

Having a French family to stay with you;

A chance to practice your French or a reason to learn a new language.

It can lead to new friendships and a reason for extra visits to Avrille to visit your French family – we tied in a visit on our way home from our main summer holiday this year. The area around Avrille is well worth a visit – not far from the chateaux of the Loire and the Brittany coast is also within reach. Whether you are single, a couple or a family there are always different combinations of people coming. So, if you are concerned about putting up a whole family, don't worry as there are groups of all ages and sizes needing somewhere to stay when they visit England.

You don't have to be able to speak French, but an interest in France and French is useful.

There are always French families needing hosts when they come to visit England

If you are interested or would like to find out more please contact either Anna Vining on 01954 252432 email panda@vining.co.uk, or Julia Gwilt on 01223 579945 email julia.gwilt@ntlworld.com.
