# 60 years of devoted service

There are not many people who can claim to have served their community for 60 years in one particular role. At the end of June there was a celebration of this record of service by a well-known Willingham man – Mr Paul Ingle.

The celebration was 'next door', in Longstanton, where Paul has been the church organist for 60 years. He went there in 1946 to play for a service at St Michael's Church, and agreed to do that for a fortnight. Somehow, the fortnight became extended!

On 25 June many friends from Willingham were in St Michael's Church for a service to celebrate with Paul. It was a great occasion, which demonstrated the respect and affection in which he is held. He was presented with a certificate of appreciation signed by the Bishop of Ely, the Rt Revd Dr Anthony Russell. Jennifer Thompson, who has taken part in many concerts with Paul, sang at the service.

The parish church of Longstanton is of course All Saints', and it is there that Paul Ingle has played week by week, but as many people know the church suffered serious damage and until it is repaired is not in regular use. The fact that the service on this occasion was in St Michael's was a happy historical reminder.

Many Willingham people know Paul well, and have reason to be grateful to him for teaching them or their children – literally hundreds of them - to play the piano. He is still teaching. And of course those who have lived for years in the village remember him also as the postman.

We are delighted to offer congratulations to Paul for his remarkable achievement.

# From the Parish Council

#### Grass-cutting in public areas

There have been a number of enquiries to the Parish Council as to who is currently responsible for cutting the various areas of 'public' grass around the village. So, hopefully to clarify and not confuse:-

**Parish Council:** The Green; Recreation Ground, Jubilee Field (north side of the Ploughman Hall), and the area around the Ploughman Hall; the Cemetery; the Pound; and the small green area near Rampton Road on Pyrethrum Way.

**County Council:** All the roadside verges, including the verges up to 4 feet from the kerbs (but not the green areas) in Saxon Way.

**District Council:** The green areas immediately around any District Council housing.

**St Mary & All Saints Parochial Church Council:** The old graveyard (ie immediately around the church).

**Wimpeys (builders/developers):** The green areas in Saxon Way apart from the outer 4 ft of the verges.

**Macleans (builders/developers):** The green area further from Rampton Road in Pyrethrum Way.

Any problems should be reported to the relevant authorities. The Clerk can provide telephone numbers on request.

#### **Overhanging hedges**

Following on from last month's note about overhanging hedges: This is a plea to everyone whose hedge runs alongside the road. Please would you check that a pedestrian can get safely past your hedge without having to go in the road – including someone pushing a child's buggy, and anyone in a wheelchair. Can car-drivers see past your hedge, especially if your property is on a bend or near a side road? On the other hand, if you are a pedestrian or a car-driver, and any hedges regularly cause you problems, let the Parish Clerk know. If any hedge-owner persistently lets their hedge get in the way of public road or pavement users, County Highways can be asked to do the cutting, and send the owner the bill.

#### **British Legion Poppy Support**

We are all familiar with the British Legion selling poppies for the annual Poppy Day. But how many people know that the Poppy Support fund is available to help anyone who has served or is currently serving in the British Armed Forces (Army, Navy, Marines, RAF, TA, Home Guard), and their dependents? This includes

nearly 10.5 million people! So far this year the Beds, Herts, Cambs and Hunts branch of the RBS Poppy Support has made over  $\pounds_{333,000}$  worth of grants, for items

including: helping pay utility bills, clearing rent and council tax arrears and general debts, providing white goods and needed household furniture, specialist items of medical equipment, disability aids including electric wheelchairs, food, clothing, property repairs, respite care breaks, and more. Grants do not have to be repaid.

The British Legion have asked us to publicise this Poppy Support service. If you, or anyone in your family, has served in any of the Services and is in need, you can apply to:

The Royal British Legion, Nelson House, Arlington Road, Little Bedford, St Neots, Beds PE19 6YH, tel. 01480-478520, for more information, a visit or an application form.

#### Stop junk mail and telephone sales calls

If you are fed up with the amount of junk mail you receive, you can register with the Mailing Preference Service. You can register on the MPS website, www.mpsonline.org.uk write for a registration form to Mailing Preference Service, Freepost 29 LON20771, London W1E oZT, or phone 0845-703-4599.

And to stop unwanted telephone sales calls, register on www.tpsonline.org.uk , write to the Telephone Preference Service Ltd, DMA House, 70 Margaret Street, London W1W 8SS, or call 0845-070-0707.

It may take up to 6 months before all junk mail and phone calls stop, but then – it really works! Once you are registered, anyone calling or sending you junk mail (unless you have asked to go on their mailing list) is breaking the law. But don't register if you don't want to lose all those intriguing free offers – all junk mail means *all* junk mail!

#### **Cambridgeshire Registered Trader Scheme**

Rogue traders and distraction burglaries (where a caller pretends to be a trader or workman to gain access to someone's house) are a big problem in Cambridgeshire, and older or vulnerable people are often the targets of such people. So the Cambridgeshire and Peterborough Distraction Burglary and Rogue Trader Task Force, together with Age Concern, have set up a Registered Trader Scheme. This is available to anyone who is either over 60, or who has a mental or physical disability. Ring Cambridgeshire Age Concern on 01354-696677 and explain the nature of the work that needs doing. They have a list of responsible home improvements traders whom they have audited to show that they do not have a criminal record, and that they operate legally and provide good customer service. They will put you in touch with a trader on their list who best suits your requirements. They also provide a dispute resolution service, in the event that any dispute arises between a consumer and a registered trader.

#### **August Parish Council meeting**

As usual, the agenda will be posted on Friday 28 July on the Village Notice Board outside the Public Hall, and in the Library; and there will be a slot in the meeting for members of the public to address the Council on any matters (whether on the agenda or not) which concern them.

#### **Other Parish Council meeting dates:**

7 August: Finance & General Purposes Committee
9 August: Leisure & Amenities Committee (8 00 pm)
11 September: Green & Boundaries Committee

## **Jottings from your County Councillor**

Thanks to you Cambridgeshire is the top county in the whole of the UK for recycling – but have you ever wondered what happens to all the paper, tins, glass and plastics that you recycle?

The old magazines, newspapers and junk mail we collect from you are sent to UK re-processing facilities and are made into more paper primarily for newsprint but also into other products such as manila envelopes and cardboard.

Tins are separated into aluminium and steel at licensed premises in the UK. Then they are smelted to be used in a while range of items from more cans to washing machines to cars and even planes and ships!

Glass is sent for re-processing to produce new containers – so by recycling your marmite jar, you give it the chance to be part of a champagne bottle.

Plastic bottles are sent for re-processing. A proportion of them are transformed in the UK where markets are available. The rest is sent abroad for recycling. It is important to highlight that there are bigger markets for the re-processing of plastics abroad than in the UK, therefore by exporting these recyclable materials, we

satisfy a demand for materials. The plastics are made into a wider range of items, from clothing, such as fleece jackets, and filling for duvets, drain pipes – and wheely bins, so that even more waste can go for recycling.

All the garden and kitchen waste produced by householders in Cambridgeshire is sent to two local contractors. One of them is based in Waterbeach and the other in Ellington. They have approved licences to process even meat, bones and dairy products. All the contents from your garden and kitchen bin are transformed into soil conditioner, which is used by local farmers and also sold locally to enrich gardens and allotments.

The waste produced by Cambridgeshire residents that is not suitable for recycling is landfilled at authorised sites within the county. Unlike some other parts of the country we do not send our rubbish for landfill outside of the county. Finally, you may have seen reports of rubbish being sent to countries like China for disposal.

This causes me concern, but I am pleased to report that none of the waste produced by Cambridgeshire residents that is not suitable for recycling goes abroad.

So thank you for all you do for the environment – and please keep up the good work.

I am always available for consultation, either in person or by phone, letter or e-mail. I can be reached at the address or telephone number below.

#### Accident and emergency

The ent be

There are many situations when it is entirely appropriate that people should be taken directly to a casualty department. This is clearly the case with urgent and life threatening situations or following serious accidents. However we see from the hospital discharge letters that some

people are attending accident and emergency departments with more minor and less urgent problems. This can obviously lead to long delays for everyone.

We would simply like to remind people that we in the surgery are always happy to be consulted before an attendance at A & E and can give appropriate advice. We can provide dressings here and do stitching of small wounds and if x-ray is required we can often arrange for you to go directly to x-ray rather than wait in an A & E department. Similarly, out of surgery opening times, CAMDOC is always available and would also be happy to give advice as to whether a trip to A & E is needed. They can be contacted on 01223 464242 and nurses are available to give advice or arrange for you to see a doctor.

When you next attend the surgery you may be asked to fill in a form with next of kin contact details. If you prefer you can ring reception to give us this information. Please ring during the afternoons when the phone is less busy.

**Lab results** Please remember that if you have blood tests taken we ask you to ring the surgery after 2 00 pm for the results as the phone and the receptionists are extremely busy during morning surgery. Thank you for your co-operation.

Acknowledgements We would all like to say a very big thank you to Mrs Anne Greavett who has worked extremely hard over the last few years raising money for the Surgery Equipment Fund by organising weekly Bingo sessions. She has again presented us with a very generous amount and we have just purchased, a new syringe driver for use in the community. Syringe drivers help to alleviate pain in patients being nursed at home. They are expensive items of equipment and we are extremely grateful for the help and support Mrs Greavett and her bingo players have given us over the years to help buy equipment like this. Anne is sorry that due to ill health she will be unable to continue with her Bingo sessions.

We wish to extend our grateful thanks to the families and friends of Harry Sparks,

Michael Brett, Joseph Noble, Eileen Rainsford, Gordon Porter and Fred Tucker who all made donations to the Equipment Fund in their memories. Thank you to everyone.

This ambitious and cunning Agatha Christie-style 1930s drawing room murder mystery requires them to play all 14 roles (aided by their stage manager Gordon) with hysterical results.

As well as performing the play, the ladies also present a Film and Fashion Show and a Murder Mystery Quiz complete with prize! If it can go wrong it probably will.... but surely it will be all right on the night? This riotously funny show will have you in stitches and is suitable for all the family- a real holiday treat!

England are out of the World Cup. That will be stale news by the time this is read, but even so the recollection will bring a lump to many throats. Just to pile on the agony, Tim Henman and Andrew Murray were knocked out early on at Wimbledon.

But cheer you up! I have heard a rumour that an English woman won the female world down hill mountain bike championship. Why does that thought not console us very much? It must have been exciting to watch.

We are world class at Squash. I would guess as many people play squash as tennis. Why the disparity in media attention?

For that matter how is our national Hockey team doing? How do we rank in international Lacrosse? Why does the English Tiddlywinks Association get so little TV coverage? (Yes they do exist; look up etwa.org for their web-site)

This matters to me. The best I ever managed in football was fullback in the school fifth eleven at the height of a flu epidemic. But in contrast I once captained a victorious tiddlywinks team that pitted my Church Youth Club in Birmingham against

another from Bristol. It is I believe the lack of media

attention given to Tiddlywinks and the lack of sponsorship for gifted players that prevented my career developing to the point where I became an international superstar on a par with David Beckham.

That is all water under the bridge; there are more important things in life even than tiddlywinks. Most important of all is life itself. How have you played in that game?

This is not just forcing a metaphor, like some Edwardian schoolmaster urging, "Play up play up and play the game." It is perfectly biblical. St Paul writes:

'Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last for ever.' 1Cor 10.25

It is worthwhile seeing that you play your best, for the prizes are out of this world.

# Trundle & Fun Day

We were (only just) lucky with the weather for our Sponsored trundle & fun day on 6 May. Well done to all those children who took part and a big thank you to everyone who helped make the day a success. We raised an amazing £1180.

Registered Charity No.1009789

Some of the money raised will be spent on a tree seat in the garden.

## Plant Stall

Thanks to Mr & Mrs Bullock who donated £100 from the sale of plants in Thodays Close. This was spent on toys including a fairytale castle. Mrs Bullock kindly purchased a fairytale coach in addition to this.

## Summer Outing

The children enjoyed a hot day out to Thurleigh Farm Park in June.

They fed many animals from rabbits to lama, spent a fun time in the Wacky Woods, had a Tractor ride and rounded the day off in the various play areas.

## Leavers' Party

A party was enjoyed by all the children leaving us to start school in September. At the end of the afternoon they were joined by their parents for a wonderful singing display and presentation of their work and leavers' gifts. We wish them all well as they start school. If you miss us you can still wave to the Honeypot from the playground!

# JuniorTouch Rugby

We hope to start a **Junior** Touch Rugby section in September. We need to hear from boys and girls interested in joining to see if there is sufficient support.

We have gained valuable backing for this initiative from Cam Touch who will help with the coaching.

Please call Andy on 01954 201788 if you are interested.
