Willingham School Fête

The Willingham School Fête has been a long tradition in the village and what a great way to bring a community together!

The WSA (Willingham School Association) has made this one of the biggest events on the school calendar and the efforts of the committee members are always rewarded by a fantastic turnout and an enormous amount of money being raised.

The School benefits from the money raised as it allows for projects to be developed and realised. Recently, funds have been used to buy equipment for the Learning Landscape areas outside.

This year the fête was held on 4 July and the American theme inspired people to dress up as well loved characters.

'Batman and Robin', alias Mr Whatley and Mr Singleterry (teachers at the School) opened the fête with a bang which caused quite a stir.

Food, drinks, side stalls, dancing, gymnastics, fancy dress, bouncy castle, cream teas and a barbecue were some of the entertainment being enjoyed by everyone.

The heady mix of excitement, fun, the lovely weather and the relaxed atmosphere helped to make the day a success.

But ... the day really owes its success to the hard work of those committed members of the WSA, and they deserve a very big Thank You!

Clockwise from top left: Laybird Borland and Melody Bear Ballet, Genesis, the LSA Dance Academy, storytellers corner (part of the Learning Landscape created with funds raised by the WSA), Mr Whatley takes part in 'Splat your Teacher' and Ashley Borland's break dancing troupe.

From the Parish Council

News from South Cambridgeshire District Council

Lobbying for a by-pass would continue; the need was now recognised. A lessening of the amount of HGV traffic passing through the village was also being sought; a report on HGV hierarchy and routing was imminent and a copy has been promised to the Parish Council. County Council financial constraints meant that they would concentrate on specialist parking needs with little cash left for other projects. The need to log all accidents in the village was stressed as this would provide concrete supporting evidence.

Youth

Reverend Rowe was in negotiations to hire the Salvation Army Citadel with a view to maintaining the existing activities there; and also to provide youth facilities. The aim was to cover running costs, including insurance. The Parish Council have agreed upon request to fund two evening sessions. Further news to follow.

Willingham Parish Council Website

Please do look at our Parish Council Website for items such as contact details, agendas and minutes. Any information relevant to the Village will be posted on the website.

If you have any ideas of any information you would like to see on our Website, please contact the Clerk.

Committee Meeting dates

Go to the Parish Council Website (www.willingham-pc.org.uk), or look at the Parish notice board next to the

Public Hall in the High Street or Library notice board for details of any Committee meetings that may be called.

All Committee meetings are at the Parish Council Office, Ploughman Hall unless otherwise advertised. As usual, Minutes of all meetings will be placed in the Library once they have been signed as accurate, and also uploaded to the website.

Next Parish Council Meeting

The next Parish Council Meeting is on Wednesday, August 5, 2009 at The Ploughman Hall, West Fen Road and is open to the public.

Parish Plan Progress Report

This month's report is short but important. Most of our recent meetings have been about preparations for Willingham Feast on the weekend of 2 October. The Parish Council, Churches Together and WAG are working together on the events. More details will appear in the September *Willingham News* and then in full in the Feast Programme to be available later that month.

Below there are details of the weekend activities but here we would like to make a plea for assistance. If any groups such as the Beavers, Cubs, Scouts and Guides, or sports teams, or social groups such as the Gardening Club would like to help with or organise an event then please contact us. If any local businesses would like to sponsor part or all of an event then please get in touch. Your firm's name would be associated with the event. If you can't help but know of someone who might want to, please let them know of this request.

At the moment we have confirmed an evening of music at the Social Club on the Friday, a Farmers Market on the Green on Saturday morning, a dance competition in the Ploughman Hall on Saturday afternoon and a ceilidh in the same venue in the evening. On Sunday the Salvation Army band will play on the Green and there will be a service in St Mary and All Saints Church in the evening.

We also hope to have several events at Willingham School, a beer festival, an 'old-folks' tea party and an afternoon of 'silly sports' on the recreation ground. As mentioned above we would welcome ideas for other activities or offers of help.

Your Parish Councillors and their contact details (in alphabetical order) are:-

Mr J Anderson (Planning Committee Chair)	01954-203344
Mr H Berry	01954-204575
Mr M Borland	01954-203347
Mr J Burnett (Leisure & Amenities Chair)	01954-270338
Mrs K Cornwell	01954-261530
Mrs P Daniels	01954-260505
Mr R Foster	01954-261293
Mr P King (Council Chair)	01954-260780
Mr B Kirkman (Green & Boundaries Committee Chair)	01954-260393
Mr R Manning (also Leader of the District Council)	01954-261235
Mr S Mellows	01954-270063
Mrs R Mumford (Halls Committee Chair)	01954-260934
Mr G Pake (Cemetery Committee Chair)	01954-260534

The Feast weekend has traditionally been very much a family occasion; for example, daughters who were working out of the village in domestic service came back for the weekend as it was a few days holiday before they were re-employed. The Sunday was called 'Hospital Sunday'; it was a day, before the existence of the NHS, when the village collected money to go to Addenbrooke's to be used to treat Willingham parishioners who became ill. Throughout the Feast weekend we intend raising money for local groups such as MAGPAS and the Teenage Cancer Trust unit to be opened at Addenbrooke's.

To get in touch about anything in this report, including an entry form for the dance competition, please contact Mike Tidball – Chairperson Willingham Action Group – on 01954 260647 or m.tidball@btinternet.com

Willingham Cricket Club Second Innings

After the war in 1946, Cambridgeshire Cricket association (CCA) restarted its activities. The initial response was limited due to some players still being in the armed forces along with the need to bring pitches back to playable standards. To save travelling, the CCA split the Junior League into five sections on an area basis; and this obviously gave rise to a large number of local derbies. Willingham played in Section D and the final league table for that year was as follows:

	Played	Won	Drew	Lost	Points
Willingham	12	8	1	3	25
Over	12	7	2	3	23
Chesterton	12	7	1	4	22
Histon II	11	6	2	3	20
Cottenham	12	6	0	6	18
Swavesey	11	3	0	8	9
Longstanton	12	1	0	11	3

Willingham went on to win the Junior League Cup for the second time after an interval of 19 years. The players' names engraved on the trophy are: J Collett (Captain), P Collett, J Day, J Elsome, J Few, J Hayden, S Lucas, R Royston, R Smith, S Smith, A Thorpe and S Wolfe.

With more players becoming available, the second XI was again formed in 1947 when they managed to complete their fixtures but only winning twice. 1956 was a very good year for the club. The second XI reached the final of the Minor League Cup but lost to a strong Melbourne 2nd XI in the match played on Parkers Piece. The first XI, having been relegated from the Senior league at the end of 1955, promptly earned a quick return by winning the Junior League Cup again in 1956 by beating Coton. On a rain affected pitch, Coton were all out for 29 runs and Willingham lost six wickets in passing that meagre total! 1956 started a run of success for the first XI as they went on to win the Senior Division II Cup in 1957, 1963 and 1968.

Meanwhile, the second XI were having mixed fortunes and fluctuated between Divisions II and IV of the Junior League. Referring back to 1956, not only was it a good year for the club, but it was also notable for the controversy that split the village when it was proposed and subsequently agreed that the Recreation Ground be open on Sundays for organised sport. It took a long time for the club secretary to find a team willing to provide the opposition on a Sunday for a friendly match. The only memorable thing about the game was that Jack Elsome made a century. The second XI's finest hour eventually arrived in 1977 when, under the enthusiastic captaincy of Neville Denson, they gained revenge on Melbourne II after a lapse of 21 years by beating them in the final of the Minor League Cup played on Parkers Piece. The photograph on the front cover shows the winning team as follows: Back row: left to right Peter Kilworth, Ron Leach, Tony Aspinall, Adrian Peacock, Dave Shipp, Nigel Aspinall, Front row: left to right Colin Jeeps, Terry Skinner, Neville Denson, Terry Jakes and Norman Lewin.

The club secretaries from 1930 to date:

1931/36 Fred King, Green Street
 1937/39 Albert Norman, Rampton End
 1946/54 Ted Austin, Earith Road
 1955/63 Terry Jakes, Earith Road
 1964/66 Alan King, Short Lane
 1967 Clive Raven, Newington
 1968/69 Ken Papworth, Haden Way
 1970/72 Richard Ambrose, Westfield
 1973/75 Owen Thulbourn, Millfield
 1976/77 Malcolm Elsome, Westfield
 1978/90 Alan King, Cottenham
 1991 Chris Stearn, Station Road
 1992/93 Amanda Lewin, Earith Road
 1994/95 Ian Fordham, Thodays Close
 1996 to date Richard Ambrose, Thodays Close.

Finally, in 'The First Innings', we asked for old photographs and we have been very gratified by the response. This one, we have been unable to identify and wonder if you might help, please. Do drop a note to the Editor in that case.

Collection of medicines - Please remember that you do need to **bring your prepayment or proof of exemption certificates each time you collect medicines**. This is a requirement. You will also be asked to sign the back of the prescription.

Repeat prescriptions - We are now able to offer **on-line ordering** for your repeat medication. Please ask Dispensary when you are ready to place your next order and you will be issued with a password and instructions. You can also **fax your request on 01954 207601 or email us on c-pct.willinghamdispensary@nhs.net**. Is your medicine safe? You may have seen spam emails advertising cheap medicines on the internet or you may have seen medication for sale on market stalls. By purchasing from these sources you could be receiving fake products that may seriously harm you or your family. Always obtain medicines from a registered

Pharmacy or Dispensing Doctor where goods are obtained from reputable suppliers.

Frontline Spot On for the treatment and prevention of flea and tick infestations for cats and dogs is **now available through our Pharmacy** at Willingham Surgery. Please ask for an information leaflet or ask the pharmacy staff. We also stock **Drontal** worming tablets.

RSPB News

Our news is that marsh harriers have nested at Fen Drayton for the first time, and two chicks have started taking flying lessons. RSPB volunteers and staff will be in the Holywell Lake car park at weekends to help visitors see these large, slow-flying birds. The signs are that it will be the most successful year ever at the lakes for nesting common terns and black-headed gulls, and the best year for many years for nesting lapwings, ringed and little ringed plovers.

With thanks & best wishes

Neil Renwick, Community Projects Officer, RSPB Fen Drayton Lakes,

Pictured left: a female marsh harrier

Heritage Walk

A group of 11 people (and a baby in a pram!) took part in the Heritage Walk on 3 July. It was led by Sarah Poppy of the County Council's Archaeology Department, who took the walkers to see some of the Heritage Signs that are now installed in various places on the outskirts of the village, and to point to the location of the others.

The signs provide a fascinating glimpse of Willingham's history, for example the significance of Belsar's Hill, and of the Aldreth Causeway.

The signs are all accessible on foot. Copies of the map showing where they are available in the Library and there are copies of the signs themselves in the Library.

Charity Lunch

The next monthly Charity Lunch will be held at 1 pm on 12 September 2009 in the home of Amy and Alan Robinson, 15A High Street. The lunch consists of soup and bread and cheese and costs £3. The charity being supported is the Mercy Ships. All are welcome.

Elsome Memorial Seat

You may not be aware of this, but Lisa Plumb, the granddaughter of Jack Elsome, has recently very generously arranged for the donation of a memorial seat at the pavilion. She has now written to *Willingham News* explaining just why she has done so:

'My Grandad, Jack Elsome, was born in Willingham where he lived all his life. He lived with his parents and brother, Don. My Nan, Elizabeth, met Grandad when she worked in the Land Army during the Second World War. She fell in love with Jack and left her home in Lancashire to settle into married life at 25 Millfield, Willingham. They went on to have a daughter, Linda, and a son, Kenneth, (my Dad). My Grandad worked for the Waterboard and my Nan at Tesco's, Bar Hill. They also kept and raced greyhounds, and my Nan was a sucker for taking in stray cats.

My Dad met my Mum and they adopted my oldest brother, Darren, and had me, Lisa. Although my Mum and Dad split up, I still had fortnightly visits and stayed at Nan and Grandad's regularly. My Dad re-married and had another son, Thomas.

Sadly, my Grandad was the first to pass away, suddenly, and my Nan was never the same after this. Then my dad was diagnosed with cancer. Before his death, I made him happy by becoming a mum, and he met his granddaughter, Megan. Six weeks later, he lost his battle. This again had a dramatic effect on Nan, and a few years later, she too passed away.

So, there you have it. When you sit on the seat, spare a thought for them. I do every day, and donating this seat is my way of saying "Thank you, Grandad, Nan and Dad".'

A letter to the Editor

Dear Editor

Just a short note to let people in the village know that, having moved to the village in November 2008, we thought where we had moved to was very pleasant and with friendly neighbours. Both myself and my wife are classed as disabled. I recently took my wife away for two days for her birthday. To our shock, when we returned we noticed that two rather large pots containing small shaped topiary trees that my wife had grown and shaped from very small ones had been stolen from the front doorstep of our bungalow. We asked some of our neighbours but they had not seen them taken. So now, at great expense to us both, we have had to install CCTV all around the house for our own security. I hope that whoever stole the pots reads this; and also hope that it will make people aware of what is happening. The police have been informed, and as of now there are no further developments.

Name and address supplied

Readers will obviously share the regret over this unfortunate incident and sympathise accordingly. You will see that the matter has been reported to the police. This is essential in cases like this, along with the need to obtain an incident number. Police resources are allocated according to the perceived need and the reported crime figures form an important part of the information on which decisions are based.

COTTENHAM: Midsummer monster festival

The 2009 Fen Edge Family Festival held in Cottenham during midsummer weekend was a monster hit this year! At the largest family festival in East Anglia, there were dozens of market stalls, a buskers' tent, monster climbing wall, junior quad bikes, art exhibition, and

musical entertainment from Children of the Kingdom Gospel Choir, The Galaxy Big Band, B1049s, Mind the Gap, and many local singing groups and bands. There was even legalised under-age driving on the playing fields at Cottenham Village College. With fine weather throughout most of the four-day weekend, record attendances estimated in excess of 10,000 people enjoyed around 150 different events and activities.

The Festival's 'monster sculpture competition' had record numbers of entries from families making fiendish friends from household rubbish, broom handles, and pot plants. But, even the Red Arrows' fly-past on Saturday afternoon at '14h45:24 BST' couldn't cap a Time-Team style archaeological mini dig on the Village Green where

a century-old bottle was unearthed embossed with the word MONSTERS – a genuine coincidence.

Sunday evening's closing ceremony was topped off with the Gospel Choir singers. Mike Smith, a resident of Cottenham since 1986, thanked fellow organisers and everyone in the Fen Edge Patch who helped make midsummer a monster of an event.

Mrs Nancy Collett

We are sad to report the death of Mrs Nancy Collett, whose profile appeared in the June issue. She died on 27 June, one day before her 104th birthday. Many people attended her funeral in the Parish Church on 7 July.

Pastoral Letter

This is the season for holidays. We all need a break. This year, because of the credit crunch many more Brits are holidaying at home to save money. Whilst this is also good for the environment, it will cut out a lot of waiting around in airports and ferry terminals. I imagine that we will still have the regular question 'are we nearly there yet?' ringing in our ears from the back seats of family cars as children become impatient for the journey to end and the holiday to start. Did you know that holiday is actually God's idea? The very first recorded holiday is in the first book of the Bible. After God created the world, the universe and everything in it he decided to take a rest. We are sustained in our daily lives by the food we eat, (sometimes to excess!) but we still need to stop after a while and recover. It is also built into the Ten Commandments. The fourth commandment given to Moses, (Exodus chapter 20, verse 8), says 'remember the Sabbath day by keeping it holy.' This was not simply a case of God asking his people to stop work just to worship him but a recognition of the need to stop work and rest. Those who regularly work long hours or overtime will eventually suffer from exhaustion or worse. The heart can only take so much. Holidays, or 'holy days' as they started out, give us the opportunity to take time out and recover before we burn out.

Chill out or burn out!

The long term effects of not taking a break will be physical, emotional or mental break down. It can affect our family life and relationships. We need to acknowledge that God had it right. Take time out to let your body recover and spend time with those you love. For Christians that, of course, includes God. That is why Sunday has come to be special. It is the opportunity to spend time in the company of others considered to be part of the family and acknowledge our Creator. People of every background need such opportunities to come together to meet with God and listen to him. God has a best plan for our lives. We can choose to do something different rather than what he has made us for, but we will only get the most from life if we follow Plan A, God's plan. During the time of holidays, and holy days, we have the chance to stop what we normally do and check things out, recover from the normal routine and take stock of our lives. Perhaps if we do we may be able to realign our priorities and get back in step before it's too late.

Photo Mystery from OldWillingham.com

Last month we showed an old and rather grainy photo of a street in Willingham more than 100 years ago (see left.) The only building remaining today

is the house on the front right. We had a couple of different answers but, in fact, the picture is of Berrycroft taken at the Mill Road end looking towards the High Street. Regular contributor Milford Jeeps said: "The house on the right at the front was the King William pub selling beer that was brewed at the Manor in High Street". Milford's grandfather Arthur Jeeps lived there in the mid 1890s. The smaller building next to the pub was changed to a fish and chip shop by Mr and Mrs Ernest Bonus in the 1920s. The site is still occupied by a fish and chip shop with Chinese food.

Top Hat, White Tie & Clodhoppers

Residents of Willingham will enjoy this book by Oliver Austin, recently published by Pen Press. It's not often that a book is published with a plot set right in the village where you live. But here is the reputedly true story of what happened to Amos Jeeps around 1905 – and quite a story it is. The author (writing under the pen-name Oliver Austin) was born in Willingham in 1922 and would have heard first-hand the events surrounding Amos and

his family in the early 1900s. In those days the village was small and close knit and everybody was expected to keep to their place. But this branch of the Jeeps' family had other ideas and set out to better themselves. How they did this, and where it all ended up is light-heartedly described by Austin over the course of about 150 pages.

At the start of the book we read about young Amos attending the Willingham Feast, "dressed to impress." Soon he is travelling to Cambridge several times a week, mixing with a more racy set at the Red Lion in Petty Cury. Rumours start to fly about Amos and his relationship with a wealthy heiress. Where will it all lead?

The descriptions of Willingham life and society are amusing but feel authentic, as might be expected given the background of the author. Although based on a true story, this book has the style of a novel with fine-grained detail of household events and conversations which have been added to make the story. However, enough of the reality of Willingham life has been woven in to give interest and atmosphere to the local reader. The only regret is that, apart from Amos and his family, the names of the people mentioned have been changed, generally to very non-Willingham sounding names, and this detracts a little from the feeling of authenticity.

This book is very easy reading and draws the reader along at a steady pace, maintaining an element of suspense up to the end. I found it great fun and a very accessible way to get into old Willingham. The book is available from most online retailers such as Amazon.co.uk etc. at a list price of £8.99.

Willingham Gardening Club

Meetings are on the first Monday of each month at the Willingham Social Club, Fen End and start at 7 30 pm. There is usually a speaker on a subject of interest to gardeners and plant lovers. Meetings on average last about one and a half hours. There is a plant raffle.

The Club welcomes new members at any of our monthly meetings. We are a group of people with an interest in plants and gardening. If you are a plant lover/enthusiast or just want to see whether you could become interested, come and join us to see whether you want to join at a very modest annual subscription. In addition to the meetings we have an annual programme of visits to gardens and places of interest and there is an annual Club holiday too in May usually.

Contact Celia on 01954 261394 or just turn up to a meeting to experience or to join.

Meetings/Presentations and Outings

Monday 3 August - this is the annual members' evening out. Those who need transport should call Tony on 201910 and meet at the Social Club at Fen End at 6 pm. Those who for any reason cannot meet at 6 pm should note that we shall rendezvous at Fothergills at 6 30 pm. The full address is Gazeley Road, Kentford, Suffolk, CB8 7QB. We shall be visiting their trials grounds - sounds well worth the visit.

Saturday 15 August - we shall be travelling to Ayletts Garden Centre and later to the Capel Manor Gardens at Enfield. We leave the Green, Willingham at 8 30 am and non-members are welcome to join us. The cost including any entry fees will be £17 per person - extremely good value. The Capel Manor Gardens are contained within an estate running to 30 acres which include a Georgian Manor House and Victorian Stables. There is a terrace restaurant and extensive gift shop and plant sales area. There are many garden 'rooms' to

explore which include an Italianate Maze, walled garden, water garden, sensory garden and Japanese garden indeed something for everyone. On 15 August there is a special show of gladiolus and the Gough allotment display. For a pictorial view of these fine gardens view the website.

Monday 7 September - Roger Skipper will talk to us about 'Growing *Pentstemons*.' This gorgeous flower adorns our borders or planters from June until autumn and is well worth the effort of growing.

Saturday 19 September - we shall visit the former home of the renowned 19th century scientist Charles Darwin who had close ties with Cambridge. The cost of coach travel and entry is £22 per person. We leave the Green, Willingham at 8 30 am.

Willingham Traffic Issues

Speeding was one of the major issues identified as problems in the Parish Plan, and it is one of the issues which is being tackled by the Willingham Action Group (WAG), working in collaboration with the Parish Council.

A group of volunteers have been trained by the police to operate Speedwatch radar, and a report was given to the July meeting of the Parish Council on their work. The Speedwatch team have now carried out five sessions. As a result 278 speeding drivers have been identified and 132 will be receiving letters from the police. The top speed was 55mph in a 30 limit....

The results of the Speedwatch activity clearly showed the need for police action, and we are informed that they plan to set up police radar traps. The Parish Council welcomed the help of the WAG, which included taking part, with the Chairman of the Council, in a meeting with the County Council to discuss a range of traffic issues, including the continuing need for a bypass – a need now recognised in principle by the County Council. Indeed in a recent letter the County Council confirms that it is treating the matter of through traffic through Willingham seriously. The County Council fully agrees that Willingham would benefit from a bypass.

The Parish Council, and WAG are again pressing for traffic calming measures, something for which the Parish Council had made a strong case several years ago. At the time, the Parish

Council held public meetings and, reflecting the views of many parishioners, indicated that it did not want the traffic calming measures to include speed bumps. The County Council has recently said that they believe, for practical reasons, speed bumps would be the only feasible traffic calming measure in Willingham.

Funding is currently very restricted, but the Parish

Council and WAG continue to lobby for relief from speeding vehicles and HGV traffic, and for some form of traffic calming, against the background that a very high proportion of those who completed the Parish Plan questionnaire said they wanted traffic calming measures.

The County Council has confirmed that road safety and traffic management

schemes for Willingham on both Earith Road and Rampton Road are being considered now for inclusion in the 2010/11 programme.

If you have views on all this, please make them known to the Parish Council, Parish Council Office, Ploughman Hall, West Fen Road, Willingham, CB24 5LP, or email@willinghampc.org.uk
