## From the Parish Council

### District Council matters

The District Council has cut the number of cars provided to staff down to eight.

A group from the District Council attended a meeting with MP Eric Pickles (Secretary of State for Communities and Local Government), with regards to the new 'Localism' issue and it was emphasised that small District Councils were most vulnerable to the change emerging.

Plans for the development of Northstowe have currently hit two major problems, a much needed upgrade of the sewage works to sustain a new housing development and the fact that the A14 is now not going to receive an upgrade in the foreseeable future due to cuts. This would have a bearing on on the number of houses allowed.

It should also be noted however, that without Northstowe, the sustainability of the Guided Busway would be greatly affected.

### County Council matters

The Parish Council are chasing Highways, Cambridgeshire County Council with regard to the pot holes in West Fen Road. There will be an update when the holes are filled.

### Additional Bus Shelter along Station Road

An additional bus shelter had been requested along Station Road, opposite Millfield. The Parish Council has considered this and is currently investigating costs involved. However, public opinion is sought regarding this request. If you would like to add your opinion of the need for a further bus shelter, please contact the Parish Office using the details below.

### Village Green Lampposts

The Parish Council have decided to have these painted green so that they would be more aesthetic with the environment.

### 2011 Census

This will take place on the 27 March 2011. It is a legal requirement to complete the census. The Parish Council is currently looking into holding a Census Completion event on the day to provide help, for those who need it, in filling in the census form. More information nearer the time will

follow. Please also see the separate item about the census elsewhere in this magazine.

## FEN EDGE TWINNING ASSOCIATION

### Visitors from Avrillé

**Friday 29 October – Monday 1 November 2010**

We were pleased to welcome 62 visitors from our twin town of Avrillé in the Loire starting with a reception at Cottenham Village College on Friday evening. The mixture of old friends and new families (French and English) was soon exchanging news and gossip while enjoying a glass together.

There was an educational theme for the weekend with visits including Wimpole Hall and its Victorian focused programme for schools and bilingual tours of some Cambridge colleges. The highlight for Saturday was a reception and dinner at Cambridge Regional College's own restaurant 'The Park'. The catering department students cooked and served all the dishes and received well deserved applause from their guests for their efforts. Sunday had Milton Country Park as the venue

for leisurely walks around the lakes, and outdoor art activities with the ranger for the youngsters. Some of us also managed to see the Fen Edge Art Exhibition and the festival to mark 800 years at Cottenham church.

It was good to see more children and teenagers in the group this time as there are links between some local schools, particularly Willingham Primary and Avrillé schools.

Our French visitors were very impressed with the lovely autumnal colours and passable English weather and have already invited us for a return visit in May to continue the friendships made or renewed here.

If you would like details of how to get involved with the association or are interested in attending our next quiz night please contact Anna Vining on 01954 252432 or [panda@vining.co.uk](mailto:panda@vining.co.uk)

## Letters to the Editor

I was wondering if you would be willing to enter some information in *Willingham News* about 'voting for fibre optic broadband' to be installed in your local exchange?

At the moment there doesn't seem to be any chance we'll be getting fibre broadband installed anytime soon... but we have a chance to change that if we register our interest at the website, <http://www.racetoinfinity.bt.com/>.

To quote the site:

'What is The Race to Infinity?

Over the next five years BT is rolling out superfast fibre optic broadband across the UK. If you're not on the announced roll out plan, "The Race to Infinity" gives you the opportunity to fast track your area to get BT Infinity next.

The five areas with the largest percentage of votes by December 31st 2010 will win the chance to bring superfast broadband to their area. BT will also donate £5,000 of computer equipment to a local community project.

Whether you're big on social networking, gaming, streaming, uploading or downloading, prepare to have your life transformed with superfast speeds.

To vote simply go to "VOTE NOW" and enter your details. Don't forget to pass it on to your friends on Facebook and Twitter to get your area to the top of the scoreboard.'

So it does seem to make sense for our community to enter!

We've got a long way to go though since we only have 5 votes, out of a possible 1673!  
Can you help?!

Thanks

Will Reeves

## Light Party 2010

Over 60 children enjoyed a 'Light Party' at the Baptist Church on 31 October. The whole place was decorated with fairy lights. Children made a huge firework display, planet pictures, candle holders, star mobiles and decorated star biscuits.

They watched the puppets in action, and enthusiastically sang songs. One of the highlights was the games with the parachute and then the 'light themed tea' with all the foods either yellow or orange! Mums and dads joined the toddlers' party, and then primary school age children had their party afterwards. Everyone had a great time and went home with a party bag including a magnet reminding them that Jesus is the light of the world. Watch out for other light themed events as we get nearer to Christmas...!

I was a little embarrassed by the number of times my name appeared in the November *Willingham News*, mainly on the letters page, although I should thank those contributors for their kind comments.

The Feast happens because of the work of a group of people, mainly Marie Clements, Jez Clements, Sarah Custance, Paul Knighton, Amanda Miller and Graham Mumby but with other volunteers such as Ross Turner helping throughout the weekend.

The planning of so many events takes a lot of time and effort but we work on the principle that each gives what they can since some of us are retired while others have demanding jobs or look after younger members of their family.

The work we do is always rewarding especially when we see so many of the residents of Willingham enjoying the events but also because we are a very social group and so we make new friends during the preparations. We are often on a steep learning curve too and always acquiring new skills. We are always looking for more folk to join our group and if you are interested please contact me for more details.

## Pastoral Letter

We are now at the beginning of a new year. No, not the calendar year that starts 1 January, but the Christian Church's year, commencing on Advent Sunday which this year is 28 November.

Advent is a time of preparation before Christmas; a time to prepare our hearts and minds for one of the greatest events in history - the birth of Jesus Christ - and preparing for when He will return again. It is a time when we get ready for Christmas by sending our Christmas cards and buying presents for our family and friends. We stock up with special food and drink and decorate our homes with fir trees and festive decorations.

But Advent is much more than just preparing for feasting and sharing presents. It is an opportunity for taking time to consider why we celebrate Christmas and why we give presents to one another.

Jesus was a present to the world, one of the best presents we could have, because He came to our world to save us from ourselves, from our path to destruction. To give us hope, He came to die in our place, to allow us to renew our relationship with God who loves us.

When Christmas comes, filled with excitement, we want to open our presents to find out what is inside and experience the joy of receiving something special. But, imagine what Christmas would be like if we received our presents but never opened them; maybe put them on a shelf or in a cupboard and just imagined what might be inside? (One Christmas we were sent some camembert cheese from a friend in France, and by the time Christmas arrived we didn't need to open it to know what was inside - the aroma could not be contained!)

If we don't invite Jesus into our lives and share our daily life with Him, experiencing the inner peace that the Bible refers to as 'a peace which passes all understanding', it is like leaving our presents unopened and never enjoying the excitement and joy they contain.

At St Mary's and All Saints we are also preparing and looking forward to January when we will be welcoming our new Vicar, Linda Liversidge.

May God richly bless you and your families this Christmas!

## Cottenham Village College pupils – a hit at the Shakespeare Schools Festival !

The Shakespeare schools festival (SSF) gives young people of all abilities the chance to bring Shakespeare to life and to experience the challenges and thrill of live theatre. In 2010, its 10th anniversary year, SSF have worked with 650 schools across the UK performing in 80 professional theatres.

On 9 November, Year 9 pupils from Cottenham Village College put on an amazing performance of *Romeo and Juliet* to a full house at the Junction Theatre in Cambridge. Other schools performing on the night were Impington VC 6th Form – *A Midsummer Night's Dream*, Parkside Federation – *As You Like It* and Holywell Middle School – *MacBeth*.

Cottenham Village College Pupils from Willingham who took part were: Luke Hutchcraft (Romeo), Angus Beauchamp (Benvolio), Val Smith (Sampson), Gemma Anderson (Chorus), Dom Jackman, Jack Sacre & Marc Smeets (Sound & Lighting).

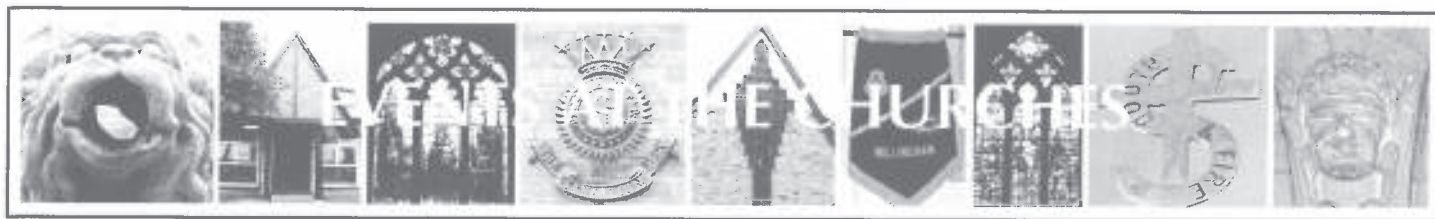

Directed by Elle Lyons, the half hour abridged version of Shakespeare's most famous love story was sensational. The audience were moved by the talent and professionalism of the whole cast and crew.

## Old Willingham

The last Old Willingham photo to appear in the magazine was the thatched house shown again here. This picture was taken around 1900 at the corner of Church Lane and Church Street. You can see the churchyard wall on the left. For many years this corner has been the site of the village baker and it was a shop and baker in those days too. Of course, bakers are at high risk of fire and indeed this building burnt down in the early 1900s. It was replaced, along with the thatched cottages next to it, with the row of Edwardian brick houses that is still there today, and is still a bakers shop!

This will be a great opportunity to relive the original Christmas story and sing carols on route. ### Friends of Willingham Library

A dark chilly October night, but inside the cosy warmth of the Library the Poetry & Prose evening was underway. We entertained each other with favourite poems, ranging from the 16th century work of Chidiok Tichbourn via John Clare, Ernest Dowson and Charles Causley to Dylan Thomas, Philip Larkin and Roger McGough with many in between. And two of Willingham's own poets, Chris Lacey (who lead the proceedings and provided birthday cake) and Katie Fowler-Brookes, read some of their work. Contrasting with the poems were readings about the exploits of Just William, thoughts from Alan Bennett and some political observations by Chris Mullin.

**Diary date:** Sunday 9 January 3-5 pm: Friends are invited to escape to the Library for a post-Christmas chill-out with non-festive food and drink plus some gentle book-based brain teasers for the more active.

## 2011 Census coming to a letterbox near you

On 27 March 2011 all residential households in the United Kingdom will be taking part in a census. It is not just another survey. The census is important as it provides an excellent source of information about the population. This enables central and local government, health authorities and many other organisations to plan housing, education, health and transport services for years to come for all sectors of the population, so it is crucial the estimate is as accurate as possible. The Census is completely confidential and no personal information is passed to other government departments or non-governmental organisations.

When the questionnaire envelope comes through the door you'll easily recognise it by the purple 2011 Census logo. Take care of it. If, like many people, you want to complete the questionnaire online, your individual internet code will be on the front of the questionnaire.

More information about the 2011 Census is available online at: [www.census.gov.uk](http://www.census.gov.uk)

### Jobs

Starting in September 2010 and continuing over the coming months a number of jobs will be created to support the Census. These will be a mix of part time and full time jobs. Some will last months, others a matter of weeks.

All will offer competitive rates of pay.

More information can be found at [www.censusjobs.co.uk](http://www.censusjobs.co.uk)

# South Pacific

The **OVER PLAYERS** are pleased to announce their Spring Show 2011 will be *South Pacific*. After waiting several weeks to hear from the USA where the licence for this iconic musical is held, we are thrilled to announce that we have been given permission to stage the musical at The Over Community Centre from **Wednesday 1<sup>st</sup> – Saturday 4<sup>th</sup> June 2011**.

*South Pacific* is considered by some to be one of the greatest Broadway musicals. Several of its songs, including "Bali Ha'i", "I'm Gonna Wash That Man Right Outta My Hair", and "Nothing Like a Dame" etc, have become worldwide standards. It won ten Tony Awards, including Best Musical, Best Score, and Best Libretto. It is the only musical production ever to have won all four Tony Awards for acting. The show was a box office hit and has since enjoyed many successful revivals and tours.

If you would like to join us in staging this fantastic show, why not come along to the readthrough of the script on **Wednesday 19<sup>th</sup> January 2011** in St Mary's Church Hall, Over at 7.45pm where you will be made very welcome. Auditions (only for the principal characters) will be on **Wednesday 26<sup>th</sup> January 2011**.

## The Feast 2010 Revisited

Firstly, there are some results of the competitions. The Junior Scalextric fastest time of 24.936 seconds for three laps was set by Silas, aged 10, of Mill Field. The fastest senior time was achieved by Gordon (age withheld!) and both receive a £5 prize.

We made the treasure hunt much more difficult this year so the top score of 37/40 by Thoday's Adventurers was quite amazing but the lowest score was 34/40 so the competition was very close. The winners get £15 with £10 and £5 runners-up prizes.

The collections throughout the weekend raised £450 for Willingham Youth Trust, £100 for Willingham First Responders and £338 for Willingham Jam Club. A collection was also held for the Salvation Army. We send thanks to everyone who gave so generously.

Last month we reported on the success of the new ventures, in particular when the older residents of the village went into the primary school to talk of life in the past. Mrs Hart interested the children by showing some of her exercise books completed when she was at school. Ken and Grace Jeeps held a question and answer session; the pupils were keen to know what Father Christmas bought them as presents when they were young. The talks were completed by Andrew Cook and Milford Jeeps, our thanks to them all. If you are interested in the village history you can see photos on the 'oldwillingham' web site and a history as the first chapter of the parish plan on the 'willinghamlife' website. Using a search engine such as Google will bring up both of these.

Another new event was the concert performed by children of Willingham School in St Mary and All Saints Church. The event was very well attended and the standard of music high with the added bonus of what must be unique, a school ukulele band, injecting a little light heartedness into the proceedings.

This year Willingham Primary School was the venue for the Feast Market and it was again a very popular event in the Willingham Feast. There were stalls both inside the school and outside as well as a Car Boot Sale and refreshments stall run by the Willingham School Association (WSA). Members of the Willingham Originalz youth club were on hand to walk around the venue collecting for the Willingham Youth Trust.

This year the stalls at the market were as diverse as local eggs and beef through to Sri Lankan and French delicacies

and handmade chocolates on the food side, garden plants, toys and second hand books as well as craft stalls including silver jewellery, stained glass artwork and turned wooden objects. For those who were thirsty there was an opportunity to buy local ciders and apple juice from right here in the village. Alongside stalls selling this wide range of produce there were also demonstrations of spinning and book binding.

As if this wasn't enough there was a cake stall (the cakes went down very well with a nice cup of tea

from the WSA refreshment stall I can tell you!) and entertainments for all throughout the morning.

For the children there was an inflatable assault course, storytelling and singing sessions (courtesy of the ladies from the Children's Centre at Bar Hill) and soft play equipment for babies and toddlers to enjoy. As the weather was kind to us we were able to have dancing from some of the year six pupils from Willingham Primary School and from Swavesey Morris Dancing Troop

outside behind the school (right next to the WSA Car Boot Sale). Anyone who wanted to could pop into the school library and take a look at footage from past village galas (to see how it used to be done and try and spot familiar faces).

The date for the start of the Feast next year will be 7 October. Make it the first entry in your new diary!

## Willingham Gardening Club

Meetings are on the first Monday of each month at the Willingham Social Club, Fen End and start at 7 30 pm. There is usually a speaker on a subject of interest to gardeners and plant lovers and from time to time on subjects of wider interest. Meetings on average last about one and a half hours. There is a plant raffle at each meeting.

The Club welcomes new members at any of our monthly meetings. We are a group of people with an interest in plants and gardening. If you are a plant lover/enthusiast or just want to see whether you could become interested, come and join us to see whether you want to become a member at a very modest annual subscription of £10. You may attend one meeting for a small charge of £2 to see what we do and to speak to members and to the committee informally.

In addition to the meetings we have an annual programme of visits to gardens and other places of interest and there is usually an annual Club holiday of 4 or 5 days' duration during which we visit the best gardens and other places of interest in the holiday location. See below for more details.

Contact Celia on 01954 261394 or just turn up to a meeting to experience what we do or to join.

*Celia will be recording interest in a May 2011 holiday (late May bank holiday week) to Northumberland during the next three months or so. If you are interested contact her as soon as possible on the above number to make a provisional booking.*

### Club Meetings/Presentations and Outings

**Monday 6 December** – Members' Christmas Party. This is free for members and there is a modest charge of £5 for any guests who attend with members. The fayre is always excellent so come along and enjoy.

The Starship Children's Centre would like to say a huge thank you to all those who have attended our activities so far.

We would like to give a special mention to all the Dads who attended our Little Kickers/Stay and Play Session on Saturday 6 November.

The event was even better than we could have expected with 19 Dads/ Granddads and 26 children. We felt it was a fantastic morning and this has been highlighted by some wonderful comments:

'Excellent my daughter will want to come back'; 'Great Stuff, got to keep Sure Start running...cheers all round'.

Keep an eye out for our next dads day event which will be coming soon.

We would also like to thank all those who supported our Family Learning Festival. The theme was sustainability and we had some great activities which included; designing your own canvas bags, junk modeling, cooking and grow your own vegetables. With 24 families in attendance the atmosphere was great.

From our attendance registers it was clear to see that support was coming from all of our reach areas which include: Bar Hill, Swavesey, Over, Willingham, Longstanton and Dry Drayton.

We would like to thank you again and hope to see you all again soon. For more information please feel free to contact us on 01954 200 473 / barhillchildrenscentre@cambridgeshire.gov.uk
