 A Professional Service from Start to Finish

From the Parish Council

The Parish Council hope you have had a Joyful Christmas and a Happy New Year.

District Council matters

The Local Enterprise Partnership had been set up as a limited company with a limited guarantee of £1 for board members. Its priorities will be education, transport and broadband.

District Councillor Manning had recently attended a meeting with local MPs who were very concerned about traffic congestion, and the fact that the viaduct at Huntingdon had a life expectancy of five years.

The Highways Agency had stated that 1800 houses might be built at Northstowe without the need to upgrade the A14. This would be dangerous as this number of houses would be insufficient to trigger construction of the necessary infrastructure such as schools.

It was hoped to open the guided busway in April of next year.

Additional Bus Shelter along Station Road

Thank you for your opinions on the above proposed Shelter. This is being considered at the January Full Parish Council Meeting. Update to follow.

New seat for the Village Green

A seat has been kindly donated for the Village Green by two long-standing Willingham residents. A concrete plinth will be laid down and the seat fixed to it.

Nuisance Parking in Willingham

There have been several complaints of cars badly parked. If you spot a badly parked car and think the Police should hear about it, please call the Police on 0345 456 4564.

Parish Council Meetings

For the foreseeable future it has been agreed that all the Full Parish Council Meetings, held on the first Wednesday of every month, will be held at the Octagon, St Mary & All Saints Church, Church Street, Willingham.

Please do look at our Parish Council Website for items such as contact details, agendas and minutes. Any information relevant to the Village will be posted on the website.

Top tips for keeping warm and well this winter:

- Set your heating to the right temperature (between 18-21C or 64-70F) and you can keep your home warm and your bills as low as possible.
- You can help keep warm and stave off winter illnesses by eating well. Try to make sure that you have hot meals and drinks regularly throughout the day and keep your food cupboards stocked up.
- Moderate exercise can also help. Try to move around at least once an hour.
- Dress for the weather by wearing plenty of layers – clothes made from cotton, wool or fleecy fibres are particularly good and help to maintain body heat.
- Get a free flu jab to protect against seasonal flu if you are over 65, have a long-term health condition or are pregnant. Just ring the surgery for an appointment.
- There are many grants, benefits and other sources of advice that are available to make your home more energy efficient, improve your heating or help with bills. Take advice on what you can claim. Visit www.direct.gov.uk
- On cold days try to avoid going outside; however if you do need to, remember to wrap up warm and wear a hat, scarf and gloves and sensible footwear.
- **And it's important for all of us to remember the needs of friends, elderly relatives and neighbours who could be at risk by:**
 - Checking on them to make sure they are safe and well
 - Making sure they are warm enough especially at night
 - Check they have a good stock of food and medicines

Letter to the Editor

Dear Editor

We took our granddaughter to the matinee showing of Dick Whittington. I would like to say that we three enjoyed it very much. Oh yes we did! We were also delighted that the Pantomime has returned as an important aspect of village life.

We thought the whole production polished and well-presented. It was a pleasure to see some familiar faces on and behind the stage, and front of house. It was equally pleasing to see some faces new to us.

Having been involved in WAMADS in the past, we appreciate the best use now being made of the strong foundations laid down over the years. The show must go on...

Yak & Yarn

Willingham

What is it? *Yak & Yarn* is a small and friendly group of knitters who would like to meet regularly once a month to knit, chat and unwind over a ball of yarn!

Who? Everyone is welcome. Members range from 8 to 60 (and beyond). Any stitching skill (we love crochet just as much). Beginners welcome (we teach for free). Masters welcome (show us something we don't know). Inbetweeners, superheroes and grannies are welcome too. Cross stitch, crochet, spinning/weaving - we're multi-craft.

How do I join? Send us an e-mail to become a proud member of *Yak & Yarn Willingham*.

Where? Join us in our temporary meeting place at Willingham Library.

What if I can't knit? Do not fear. We'll teach anyone for free. Not just the basics either. Whatever we know, we'll pass on to you. Bring your needles, yarn, evil confusing pattern, or horribly messed up knitting, and ask us.

Can I help you teach? We'd love you to help.

When? The group will meet once a month from 7:00 pm. until 9:00 pm. A new date will be proposed during the knitting night. Flyers and e-mails will be sent to confirm the meeting. Turn up whenever you like. We'll be there.

How much? Not a penny! But if we meet in any of the Village Halls, we will ask for a small contribution towards the rent of the venue. **Come and join us!**

For more information send us an e-mail:

yak_and_yarn@yahoo.co.uk

Sharpen your needles!

Pastoral Letter

Happy New Year to all our readers. How often have you used that phrase - well not the readers bit. It is the seasonal greeting whenever you see anyone at this time of the year. We even say it to people we would not otherwise speak to.

Generally we feel much more sociable around Christmas - the season of goodwill and all that- and into the New Year, but I suspect that very soon the mood will change. As soon as the credit card bills start coming in for the excessive spending over the holiday time. We have all bought much more food than we could ever eat; in fact, we do that every Christmas. We have probably spent a lot of money on presents that the recipient either does not need or does not want. Many of the presents received at Christmas will already have been taken back to the shop for a refund or a change.

Am I sounding like a bit of a humbug? I don't wish to sound too negative but statistically January is the most depressing month of the year. It is cold, the days are short, there is nothing much to see outside and we are all skint and have probably put on a few pounds in the last few weeks.

However, the chances are we have all made resolutions to make a change for the better.

Hopefully we will still be keeping to these good intentions in a month's time. We are all pretty much in the same situation. Even God understands our humanness. That was the whole point of Christmas. God came to earth to live life as a human being, so he knows what it feels like to be skint! More often than not we find it impossible to keep up our new year's resolutions beyond a few weeks. We want to live better, improve our relationships, be more self controlled and tolerant, change our living standards.

Change is possible, but not always easy. Living a life based on the model of Jesus Christ helps us to keep to these good intentions. There is a standard that is set and a hero to follow. God can give us the extra will power by living his life through us. When we surrender our will power and start living by his standards everything changes. Our attitude towards other people changes. We start to have more self esteem and self belief. We have something new to live for, new goals to achieve and the knowledge that we are not in it alone. God is there alongside to give us that extra help. Why not give it a try? What have you got to lose?

Trevor Rowe
Baptist Minister

Old Willingham

Given the cold weather of early December, let's go back to 1963. Here outside Berrycroft Stores is a lorry loaded with snow. Rather than pile it up in the way of customers, the staff would clear the yard and take the snow down to the river where it was dumped. That's service!

Willingham Youth Trust – help invited

WYT is a local charity whose aim is to provide facilities for young people in the village. Willingham is poorly served in terms of amenities for youth with no dedicated youth building, minimal youth club provision and few resources for the youth club which does run.

Our aim is to increase the number of hours of the youth club in the first instance and then provide a dedicated building in the longer term.

In this early planning stage we would welcome a small amount of help and advice from professionals with specialist knowledge. This should only mean giving an hour or two of your time to assist. We need help with building plans, ie architects, builders or structural engineers, as well as some legal advice especially with employment law and running a business. We would also be happy to talk to anyone with other skills who might give a small amount of their time freely, such as graphic designers and experts on insurance!

Please contact Mike Tidball on 01954 260647 or email wyt2010@btinternet.com.

Parish Church

Messy Church – (a national and international initiative) is a fun session for the whole family. It will be held on the 4th Sunday of most months in the Church and the Octagon between 4 pm and 6 pm. Come with your children to enjoy. Contact Heather on 270063 for further details.

Bubbles – is held in the Octagon every Friday during school term time from 10 am to 11 15 am. Bubbles is for pre-school children accompanied by parents or carers. It offers a time to meet others and be creative.

Coffee Stop – Tuesday mornings from 10 am to 11 30 am in the Octagon. You are very welcome to 'drop-in' for coffee or tea and a chat.

Cake Stall – not in January.

Resumes on Saturday 5 February.

Bric-a-brac Always on sale at 19 Fen End, the home of Rene Gould.

Proceeds from the Cake Stall and the Bric-a-brac Stall go to the Restoration Fund.

Turn Back Time

In conjunction with the BBC, libraries are taking part in a project to research the history of your High Street. In Willingham Library we are building a Memory Wall which we hope you will help us to fill up with pictures, photos and memories of Old Willingham. Precious photos and pictures can be photocopied to go on the wall and we will have slips of paper for you to write your memories on. The wonderful collection of photos on the OldWillingham.com website will be available on a library computer to look at and comment on as part of this project.

Friends of Willingham Library

On Sunday 9 January Friends are invited to drop into the library between 3 and 5 pm to relax and escape from the post-Christmas blues with good company, tea, wine, non-festive food and some optional gentle book-based brain teasers.

South Pacific

The **OVER PLAYERS** are pleased to announce their Spring Show 2011 will be *South Pacific*. After waiting several weeks to hear from the USA where the licence for this iconic musical is held, we are thrilled to announce that we have been given permission to stage the musical at The Over Community Centre from **Wednesday 1st – Saturday 4th June 2011**.

South Pacific is considered by some to be one of the greatest Broadway musicals. Several of its songs, including "Bali Ha'i", "I'm Gonna Wash That Man Right Outta My Hair", and "Nothing Like a Dame" etc, have become worldwide standards. It won ten Tony Awards, including Best Musical, Best Score, and Best Libretto. It is the only musical production ever to have won all four Tony Awards for acting. The show was a box office hit and has since enjoyed many successful revivals and tours.

If you would like to join us in staging this fantastic show, why not come along to the readthrough of the script on **Wednesday 19th January 2011** in St Mary's Church Hall, Over at 7.45pm where you will be made very welcome. Auditions (only for the principal characters) will be on **Wednesday 26th January 2011**.

If you have any further questions or would like to get involved in any other capacity, please contact either Christine Turner on 01954 201218 or Olive Swain on 01954 232985.

High pressure selling – and how to deal with it

Advice from the County Council

High pressure selling is something that we all want to avoid, and whilst it is quite easy to say 'no' to salespeople who call you on the phone, it is far harder to say 'no' to people once they are in your home.

At Cambridgeshire County Council's Trading Standards Service we frequently come across people who have been pressured into having work done or buying products having been called on out of the blue. It can relate to anything from tree felling, driveways, roofing and fascias and soffits, to mobility aids, home alarm systems and beds.

Typical high pressure sales techniques include calling through to their manager for 'the very best price', saying that that price is only available on that day, and overstaying their welcome - all used to put extra pressure on you.

We want you to avoid such problems, so below we offer a few tips:

- Where possible, when looking for a trader, go on recommendation from someone you know;
- Get three quotes so that you know the price you are paying is reasonable and fair;
- Always get quotes in writing and make sure they set out what exactly you will receive for that price;
- If a trader needs to visit you in your home and you will be alone, see if you can arrange for someone else to be there for extra support in case the trader puts pressure on you;
- If the contract is signed in your home and is for over £35, make sure you are given a 7 days' cancellation

notice – you will almost certainly be entitled to this in law and means that you can change your mind up to 7 days after signing the agreement;

- If you are given terms and conditions, make sure you read them before signing the contract. Be careful if you are asked to sign something to say that work can start there and then – this will impact on your right to cancel the contract.
- If possible, look for a trader who is a member of a Trade Association as many of these will operate a Code of Practice for their members and some also offer a mediation scheme in case of problems.

In addition, you can get a free 'We're not buying it' sticker for your front door to discourage salespeople from calling on you at home in the first place. Simply contact Consumer Direct for one of these (details below).

You can also reduce the number of telephone sales calls you receive by registering with the Telephone Preference Service on 0845 070 0707 or online at www.tpsonline.org.uk.

If you need advice on this or any other consumer issue, contact our partner organisation, Consumer Direct, on 0845 4040506 for free, impartial and confidential advice. Calls cost no more than 4p a minute for BT customers - other networks may vary.

For more information on Trading Standards visit our website www.cambridgeshire.gov.uk/consumer

Willingham Gardening Club

Meetings are on the first Monday of each month at the Willingham Social Club, Fen End and start at 7 30 pm.

The Club welcomes new members at any of our monthly meetings. We are a group of people with an interest in plants and gardening. If you are a plant lover/enthusiast or just want to see whether you could become interested, come and join us to see whether you want to become a member at a very modest annual subscription of £10.

You may attend one meeting for a small charge of £2 to see what we do and to speak to members and to the committee informally.

Contact Celia on 01954 261394 or just turn up to a meeting to experience what we do or to join.

The chairman and members of the Club Committee would like to record our thanks to all those who have helped the Club in any way in the last year. We would also like to wish all members, friends and helpers a happy, healthy and prosperous new year and we look forward to your continued support.
