Because LAWS is a family run business we can make it easy.

Editorial

We have learned that unfortunately some residents have sent in articles which have not been published. We apologise – for whatever reason, these 'missing' pieces may have gone into SPAM – even with the correct address. Therefore, when using the e-mail address, would you please, for the subject heading, use 'Willingham News' and this will alert the editors when they, in future, check through SPAM. Apologies once again. However – please do keep sending articles in!

To contact Willingham News, this may be done – on paper and left at the library or via e-mail. May we draw your attention to the correct e-mail address at the bottom of the page – which is: **willinghamnews@yahoo.co.uk**. The closing date for everything is the tenth of each prior month (ie 10 October for the November issue) except for January issue. Anything arriving after that date cannot be included as we work to an extremely tight schedule.

Nevertheless, this is YOUR newsletter, so please send in your articles, news, ideas, anything of interest you wish to share.

As you will see, there is plenty going on in Willingham and yet again, The Feast is upon us! Whatever you do, enjoy doing it and support village activities - and those who provide them.

Oldwillingham.com photo of the month

Here we see the Road on the High Street which today is a busy junction with traffic lights. The picture is taken from Over Rd. and the Salvation Army Band is setting up to play – not a safe strategy these days! It is probably Sunday and about 4 pm based on the shadows. Behind you can see the original Black Bull pub which was demolished to widen the road at the junction, now replaced by the current pub.

This picture is probably taken in the early 1960s when there was relatively little traffic in the village – especially on a Sunday.

If you have stories or memories about this picture, please contact Jon Edney, 31 High Street or oldwill@oldwillingham.com

Willingham Jam Club – Start the music!

The Willingham Jam Club provides a great opportunity for people to come and play or listen to a mix of musical styles.

We meet on the last Monday in each month at 8 pm at the Willingham Social Club, as a varied mix of harmonica players, guitarists, bassists, drummers, vocalists, brass, keyboards, to jam and play music together.

Everyone is made welcome and every effort is made to give everyone, who wants to, a chance to play. There's a stage with PA, drums and backline amps provided, but feel free to bring your own if you prefer. Beginners are particularly welcome and can be assured of support.

Come along!

It's amazing how much talent there is locally. Whether you are an experienced musician, or a beginner, or just want to listen, come along and join us! All styles are welcome, in fact the more variety the better. And there's a bar! Next session is Monday, 31 October.

For more information go to:

Library Review

Around the time that this *Willingham News* is being delivered we should have a better idea of what is to happen to the Library from April 2012. The County Council Cabinet is to discuss the Library Service at their meeting on 27 September, and the results of their deliberations will be available at:

www2.cambridgeshire.gov.uk/db/council2.nsf/index.htm

A report will also be put in the Library as soon as possible, and on the Willinghamlife.org website.

Engage in the Afternoon

Special sessions for adults on the first Wednesday of each month from 2 – 3 30 pm. There are speakers, tea/coffee/biscuits and a chance to change books and use the computers. It's free but donations are welcomed towards refreshments. There will be no Engage in October owing to the library closure.

Future Speakers:

- Wednesday, 2 November – *Getting Started on Family History* – Anne Kirkman
- Wednesday, 7 December – *Five Books that have Changed Your Life* – James Nicol & Brenda Mead

Willingham Women's Institute

The next meeting is on Monday, 10 October at the Social Club at 7 30 pm when the speaker will be Joy Childs giving an update on Rwanda.

Members are reminded that the group meeting will be on Monday, 17 October at the Social Club at 7 30 pm. The Speaker is Jim Bacon, the *Look East* Weatherman.

Contacts are Doreen 200561 or Jo 261246.

Letters

Dear Editor

Some of your readers may have noticed my super-sized hollyhock. Someone I have termed 'The George Street Wit' has left several messages – the first claiming it to be Jack's beanstalk, then a cartoon of a duck complete with a paper nest with golden eggs and the latest, a gold medal. Whoever you are, you have given us and our neighbours much enjoyment.

Dear Editor

Curfew on Willingham

The introduction of the much long-awaited guided busway has finally arrived – much to the delight of residents of St Ives to Cambridge town centre but we, in Willingham, who do not drive, are disabled etc, never had a Sunday bus service and now have to be home early, as there are no buses after 6 pm weekdays.

The nearest bus to Willingham is now Longstanton which I believe breaches the Disability Act for distance getting home. Why don't they build a moat around Willingham and pull up the drawbridge at 6 pm or will that interrupt the haulage lorries that pass through day and night?

JOTTINGS FROM YOUR COUNTY COUNCILLOR

While I was on holiday, the new leader of the Council announced a new approach towards the potential closure of some of the county libraries. It is not entirely clear yet what will happen, but the leader has signalled his intention to keep all libraries open. This is clearly very good news for the Willingham library, but I will keep up the pressure for investment in the library service there, not least as it will be the main library for Northstowe. When you read this, the County's Cabinet will have met (end of September) to consider the future of the library service in Cambridgeshire and I hope I have answers to the questions I will have put to the members.

Early September I had a meeting with officers to discuss the B1050 and in particular the parlous state of the bank at Earith. More repairs were carried out earlier in the summer, but the dips and bumps have since re-appeared. Last year the County drew up plans to strengthen the bank and widen the road, but further work revealed that this would not provide a solution. Officers are currently looking at other options, but the bank is described as like a jelly mould – so repeated patching simply makes the problem worse as more weight is being placed on the bank. The situation is now reaching a critical state and a catastrophic collapse is a possibility. A weight restriction may be required, simply to protect the bank. Whilst I accept that hauliers may not appreciate this, I'm sure that residents of Earith Road will be delighted. I will keep you posted.

Dear All

As your new Police Community Support Officer I would like to briefly mention the following:

The dog-on-dog attack which occurred around the Brickhills area at the end of August; be assured that the Police are still looking into this incident.

Please be aware that churches in Willingham and Over may be the target of lead thefts during the hours of darkness. I'd ask that everyone is extra vigilant and they report any suspicious activity near local churches. We are increasing our patrols in these areas.

We have had reports of mopeds and motorbikes being used off-road anti-socially in Mill Lane. If anyone witnesses such incidents, and if any offending vehicle is still in the vicinity, please call 999. If you report the incident at a later date, call our non-emergency number 0345 456 456 4.

Early September at approx 6 pm along Willingham Road,

Over, unknown offender(s) entered a vacant property and ripped out the copper piping and hot water tank.

Similarly, between noon and 3 pm on Willingham Road, Over, unknown offender(s) entered a storage unit attached to the side of a residential property and stole various tools. Please make sure, where possible, you do not leave any valuable items in unlocked sheds or outside buildings.

If you wish to report any crime, suspicious behaviour or activity, please ring 0345 456 4564. If you believe that a crime is in progress, ring 999.

To give information anonymously about a crime, call Crimestoppers on 0800 555 111.

Kind regards

Pastoral Letter

The Rosary

On 7 October catholic communities celebrate the memorial of Our Lady of the Rosary and in many parishes including the Sacred Heart – St Ives, the month of October is dedicated to the prayer of the Rosary.

A rosary is one of the most popular gifts on the occasion of First Communion, Confirmation, and other occasions. It can be bought in most religious shops, shrines, repositories. Many people own a rosary, some more than one. Some of those rosary beads have a special meaning because they are a reminder of an important event, a special place or person.

There are people who have a rosary and who pray the Rosary. Also there are people who do not have a rosary but say the Rosary, and there are people who have a rosary but do not pray the Rosary. Meanwhile the Rosary first of all is a prayer which has had a profound effect upon Catholic life for centuries. That is because it provides a simple way to contemplate the love of God in the life of Jesus with the best possible help to understanding it. We pray in the company of Mary, the Mother of Jesus. With her help we can enter more fully into the heart of Jesus and his love. She knows what it is to live with Christ and to be faithful to the end.

A rosary is a string of beads with a crucifix. A short string of five beads is attached to the crucifix which leads to a large circular strip of beads made of five sets of one large bead and ten smaller beads, called decades. We begin on the crucifix with a Sign of the Cross and an Apostles' Creed. Next we say an Our Father on the large bead and one Hail Mary for each of the next three smaller beads. On the next large bead we say a Glory Be to the Father. After this introduction we announce and meditate on the first mystery and say an Our Father followed by a Hail Mary for each of the following smaller beads, and end the decade with the Glory Be.

According to the same schema we meditate the second mystery and so on for the third, fourth and fifth mystery. We end with a Sign of the Cross. There are four sets of the Mysteries: Joyful, Sorrowful Glorious and since October 2002 the Mysteries of Light.

The great thing about the Rosary is that you can pray it any time anywhere. You can pray a little of it or the whole of it. The Rosary could be said any time during the day or night, alone or with another person, as a communal prayer in a group or as a devotional prayer. The Rosary could be recited anywhere, kneeling, standing up or sitting down, while travelling, resting or walking, even when you lie down in a hospital bed. The Rosary is the prayer of everyone, young and old.

The Rosary is said when we are discouraged, while fighting temptations, or before making serious decisions. This prayer serves for all life's needs. The Rosary is like a chain that will pull us up to Heaven. Each moment will focus our attention on an event in the life of Jesus. Each moment can provide us with encouragement, or inspiration, or just comfort us on our way.

The saying of the Our Father the ten Hail Marys and the Glory be to the Father provide a constant expression of praise. And as you pray you reflect on God's love in Jesus.

Pope John Paul II said: 'Our heart can enclose in the Rosary all the facts that make up the life of the individual, the family, the nation, the Church and mankind, personal matters and those of one's neighbour, and particularly of those who are closest to us, who are dearest to us. Thus in the simple prayer of the Rosary beats the rhythm of human life.'

WILLINGHAM VILLAGE YOUTH CLUB

Have we got plans for you! It is a few years since Willingham had a 'proper' youth club. Recently there has been provision for youth clubs on the Connections Bus and Willingham 'Originalz' Youth Club - meeting in the Baptist Hall on George Street. The latter, set up by Willingham Youth Trust, takes place on Wednesday evenings from 6 30 – 8 00 pm. The space in the hall allows for table tennis, air hockey, snooker, X-box and computer games. There is more to come!

The hope is that soon there will be a dedicated youth room in the Ploughman Hall. This will be a brand new facility designed, in part, by the teenagers who will be using it. We want your ideas. It will be on two floors with a separate entrance, small kitchen area, sound system and computer facilities as well as games. If you are attending secondary school, you can be part of the adventure. Come along on Wednesdays at 6 30 pm to the youth club in the Baptist Hall and enjoy the facilities while telling us what you would like to see in the new youth centre.

VOLUNTEERS NEEDED

Once the new youth centre opens it is hoped it can be run

several sessions a week and that the space can be offered to other users. We are looking for volunteer youth workers to help us to achieve that. Training can be given to help gain skills. We also need help to raise the necessary funding to provide the new youth centre. We will be applying for grants but need to show that we have a strong volunteer base as well. If you would like to help, please contact Trevor Rowe on 01954 261193 or revtrerowse@hotmail.com

FUNDING NEEDED

We are looking for local businesses or individuals to share the vision for youth provision in our village. Because of the lack of evening public transport and other facilities the young people of our village have very little to do. Whilst there is a certain amount of capital funding already available, we need to raise about £50,000 to complete the work on the new youth centre, with support from the parish council. If you can make a contribution please contact our treasurer, Terry Jones 01954 200971 or email david.jones147@ntlworld.com

From the Parish Council

www.willingham-pc.org.uk

Willingham in Action:

A number of people within the village volunteer their time as you may know through the Willingham Action Group or WAG as it has become known. These are the people we have to thank for the hard work which goes behind events such as the Willingham Feast. This dedicated group does more than most of us are aware of and last month worked very hard, despite the weather, to tidy up the Cemetery. Ivy and brambles were removed from untended gravestones and a general tidy-up was carried out with remarkable results. We would like to express our thanks to all those who volunteered and pass on the positive comments which have been received from residents. WAG is also looking to improve the appearance of the Jubilee field area by planting trees and shrubs - more about this next month.

Cemetery:

We have received reports of wasps around the fruit trees in the cemetery. Consequently, the Parish Council is arranging to have this addressed. May we take this opportunity to remind all Parishioners of the importance of adhering to the terms and conditions for graves in the cemetery. This is essential not only from a health and safety aspect for those who maintain the area but also in order to be fair to all users.

Village upkeep:

The Parish Council has received a number of reports regarding overhanging branches from trees in residential gardens which are encroaching onto paths and highways. This makes it very difficult for some residents to walk safely, particularly those with small children or those manoeuvring pushchairs or wheelchairs. The birds' nesting period may have prevented some cutting back but as this period has now passed, may we please ask that you do all you can to ensure that your garden does not impede public use of paths and highways. An article on having pride in our community will feature in next month's issue.

Queen Elizabeth II Fields' Challenge:

2012 marks the Diamond Jubilee of Her Majesty The Queen. The Queen Elizabeth II Fields' Challenge is an initiative operated by *Fields in Trust* which is a fantastic new campaign to protect outdoor recreational spaces in communities all across the country as a permanent living legacy of this great event. Recreational spaces are at the heart of any community and the Queen Elizabeth II Fields' Challenge wants to ensure that these outdoor spaces are guaranteed for future generations. Under this Scheme, the Parish Council is considering putting forward the Jubilee Field and the Recreation Ground as two sites to protect present and future generations. If you would like more information about this, please contact the Parish Office.

Highways:

It is thought that the B1050 Earith Road will require more intervention than previously considered by Cambridgeshire

County Council. Highways are currently waiting for a formal report from Atkins as to the condition of the road and proposed solutions to the problem.

Youth:

Progress is being made with regard to establishing a permanent facility for youth within the village. The Parish Council and the Willingham Youth Trust are looking to have some plans drawn up for converting the storage rooms in the Ploughman Hall. Further news will follow. This is a much-needed facility which would be of great benefit to our village. Anyone wishing to offer their support/time to help with this project would be most welcome. Please get in touch with the Willingham Youth Trust or the Parish Office.

News from the Fen Edge Twinning Association

Avrille, our twin town in the Loire, was sunny and hot for this long weekend visit in May. We were greeted with refreshments at the Town hall before going off to our hosts' houses for dinner and a few glasses of wine. For many of us this was a chance to exchange news with old friends, but for the new families on both sides, a beginning of firm friendships to come.

Saturday's main event was a visit to a new local attraction – Terra Botanica. This is a botanical garden as you have not seen it before. Interactive displays to equal the best of Disney kept young and old alike fascinated. Beautiful gardens, water features, greenhouses and plants of all types to delight the gardeners among us. In the evening we were treated to an excellent dinner in the garden's conference centre.

There was a demonstration of the game 'Boule de Fort'* on Sunday morning followed by a very leisurely picnic under the trees in one of Avrille's many parks. The afternoon finished with a petanque match which, I am delighted to say, was won by the British!! I am sure there will be a return match planned during the weekend our French guests visit us next spring. The majority of us travelled by coach and with this being subsidised by the association, cost only £60 per adult (children free) – a very inexpensive weekend as the French twinning association covered the costs for everything else!

We have started preparing the next exchange and families from Avrillé will be visiting us over the weekend 14/15 April 2012. Twinning is open to everyone within the Fen Edge villages and I know that there were French families who were unable to take part last year as we did not have enough people here – so why not make 2012 the year you decide to get involved! With our fund raising and grant money received from the EU, the weekends in England are no more expensive than those of travelling to France.
