EDITORIAL

The deadline for this issue was 10 June and writing this then, the month fell rather short of 'flaming June'. However by the time *Willingham News* is posted through your letterboxes, June might have lived up to its name. But what of July? Whatever the weather might have in store for us, there is plenty entertainment ahead. The Olympics may not begin till 27 July but the build-up began many moons ago and until it actually starts sports fans will be able to enjoy Euro 2012 and of course Wimbledon And for those with other interests?

Fortunately, there are alternatives on offer. The 118th Season of Henry Wood Promenade concerts begins on 13 July as does the Cambridge Summer Festival which offers Open Studios, the Folk Festival, the Summer Music Festival as well as the Shakespeare Festival.

Many will also be going on holiday or packing in preparation. Whatever you're planning to do, enjoy!

Church bells – The Olympics

Church Bells all over the country will ring on Friday, 27 July to celebrate the start of the Olympics. The bells of St Mary & All Saints, Willingham will ring from 8 00 – 8 30 am.

WILLINGHAM SOCIAL CLUB – OPEN AFTERNOON

The Social Club is very pleased to have been awarded a sum of money from the National Lottery through the Big Lottery Fund. This has enabled the Club to carry out much needed refurbishment to the Function Room.

Apart from the members' bar there is also the function area which can be hired out at very reasonable rates. This can be used for a wide range of activities, either as a one-off or on a regular basis.

The committee has decided to give an invitation to all villagers to come and see for themselves what the Club has to offer.

PLEASE COME ALONG ON 22 JULY – from 2 pm onwards. You will be very welcome and may even be surprised. Members of the committee will be available for any questions which you may have. Application forms to join the Club will be available.

Letter to the Editor

Dear Sirs

Just in case no-one else has sent you one, I attach a photo of the stupid dove that has built a nest on the traffic light just outside the Co-op entrance. It seems to take no notice of the noisy traffic going by within feet of its nest.

Best regards

ACORN ANTIQUES – THE MUSICAL

Louis Ling, 23, who has lived in Willingham all his life and attended local schools in the area up to the age of 16, discovered a passion for working backstage at a very early age and since then his love for stage has flourished and he has gone on to work professionally in the industry.

He has always had a desire to produce plays and musicals and his first community production is Victoria Wood's smash hit musical *Acorn Antiques* at the ADC Theatre, Cambridge.

Louis says, 'We are currently in our sixth week of rehearsals and it's looking really great. Victoria Wood's writing is amazing and if you are a fan of hers I would definitely get yourself down to ADC; you will have an amazing evening at Theatre.'

Acorn Antiques, The Musical by Victoria Wood at the ADC Theatre.

From Tuesday, 3 July – Saturday, 7 July at 7 45 pm; matinee on Saturday, 7 July at 2 30 pm. Tickets from £10/£12.

OLD WILLINGHAM

With all the celebrations for the Queen's Diamond Jubilee at the start of June I was reminded of a tradition in past years. During the Golden Jubilee in 2002 all the village children were given a 'Jubilee mug'. In this month's picture we see the children receiving a souvenir mug (and a spoon) for the Queen's Coronation in 1953. I wonder if anyone in the village still has their mug. The lady giving out the gifts is Annie Gadsby who very likely would have remembered Queen Victoria's Diamond Jubilee in 1897!

If you have stories or memories about this picture, please contact Jon Edney, 31 High Street, or oldwill@oldwillingham.com

WILLINGHAM GARDENING CLUB

Meetings are held at the Willingham Social Club, Fen End, Willingham on the first Monday of each month and start at 7 30 pm. There is usually a speaker on a subject of interest to gardeners and plant lovers and from time to time on subjects of wider interest. Meetings on average last about one-and-a-half hours. There is a plant raffle at each meeting.

The Club welcomes new members at any of our monthly meetings. Why not come and join us to see whether you want to become a member at a very modest annual subscription of £10? You may attend one meeting for a small charge of £2 to see what we do and to speak to members and to the committee informally. Speak to Celia on 01954 261394 or just turn up to a meeting.

In addition to the meetings we have an annual programme of visits to gardens and other places of interest. Everyone is welcome – member or not! Dates of two outings for your diaries are:

- Saturday, 14 July – a visit to the enchanting and superb 20th century informal garden created by Beth Chatto and her husband, near Colchester, Essex. This garden is mentioned in Rae Spencer-Jones' book: *1001 Gardens you must see before you die*. When you have been, you will realise why.

The work began in 1960 in the driest county in England on windswept wasteland consisting of arid, clay, gravel and poor soils with both sun and shade set between two farms. The gardens are set in two acres. There are good refreshment facilities and an excellent plant nursery.

Access is good because the site is largely flat. The cost of coach travel and entry is £20.50 per person payable on the coach. Call Celia on the above number to reserve your seat. We shall depart from the Green, Willingham at 9 am.

- Saturday, 22 September we shall be visiting RHS Gardens at Hyde Hall near Chelmsford. Cost is £15 pp for Club members. A small additional charge will be levied on non-members for this visit.
- Wednesday, 7 November for the Xmas Shopping trip to Ipswich. More details in later editions of this magazine.

Reminder for Members

The next Club meeting is on Monday, 2 July when the speaker will be Mike Petty on 'Cambridge Transport History'.

The Annual Horticultural and Craft Show is on Saturday, 1 September. The show will be held as always at the Willingham Primary School. Please start to consider what you might enter as an exhibit. There are plant, fruit, vegetable, art and crafts classes for all ages. More details in the next edition when show schedules/entry forms will be circulated in the village.

NOTE TO MEMBERS

I apologise for the incorrect date for the May meeting which many will have noticed. You will also have noticed that the cost of the outing to Beth Chatto's garden is in fact £20.50 per person and not £2.50 per person (if only!) as published in the last edition – editor's mistake.

A Professional Service from Start to Finish

Pastoral Letter

The Jubilee may well have faded in your memory but as I write it is fresh in my mind. I am a great fan of Cromwell but I am neither a Republican nor a Royalist. I thoroughly enjoyed watching the Jubilee celebrations and particularly the Thames Pageant. This was largely due to my cockney roots. Seeing London, especially St Paul's Cathedral was very moving. I was ordained deacon (Greek for 'servant') there on 27 June 1998. The great doors at the front of the cathedral, being so tall and heavy, are only ever opened for two groups of people: royalty and those being ordained. What a tremendous privilege that felt, especially as great shafts of sunlight flooded in and bathed our walk down the central aisle.

During the service, the Bishop of London, with a great booming voice, lifted his hands to ordain us – dramatically accompanied by flashes of lightning and claps of thunder. Sunshine, showers and rainbows came later as we gathered for photos on the steps outside. Later, robes in suitcase, I left to find the coach containing my family and friends. The heavens opened, and a large hand grabbed my suitcase. 'Let me carry that' boomed a familiar voice. Seeing the voice's owner wasn't wearing a coat I protested. 'No, allow me' he boomed, informing me that, despite now being the Bishop of London, he too had once been ordained a deacon, and, 'Once a deacon, always a deacon'. I remember being embarrassed because he was getting soaked; I remember the faces in the coach, some laughing at my embarrassment, and some staring with incredulity. Mostly, though, I remember his words, speaking of humility, duty and service; characteristics exhibited by Christ that should be the hallmark of every Christian.

I have tremendous respect for the duty and service the Queen has given for sixty years. Greater by far is my devotion to the one who loved me enough to die for me. He loves you that much too. If you want to experience that love for yourself, come along to one of the village's church services. I cannot promise great doors opening or shafts of sunlight lighting your way but rain is a possibility!

Holman Hunt's 'Light of the world' (in St Paul's) shows Christ knocking on the door of our hearts. There's no handle on the outside; He only enters if we open the door from inside. Great shafts of 'Son-light' always accompany the opening of that door as He comes to reign within us.

Library News

Friends of Willingham Library

At the AGM last month we talked about new initiatives to encourage more use of the Library and came up with the following ideas that make use of the unique facilities that the library has to offer, and complement what is already going on in the village:

- Storytimes for pre-school children, using materials provided by the library service
- Providing help and mentoring for novices using the free internet facilities
- Researching family history via the free access to ancestry.com

All of these will have to be run by volunteers so if you are interested, either as a provider or user, please tell one of the librarians or contact Friends of Willingham Library on

260780 or at lj10@cam.ac.uk. Please also let us know if you have any other ideas for activities in the library, or would like to rent the building for a club etc.

Engage in the Afternoon

Come and join in with these special sessions for adults on the first Wednesday of each month from 2 pm to 3.30 pm. There are speakers, tea/coffee/biscuits and a chance to change books and use the computers.

It's free but donations are welcomed towards refreshments.

In June we had a fun reminiscence session looking at royal memorabilia and talking about our memories of royal occasions past.

Future sessions:

- o Wednesday 4 July – Fen Skating. Talk by Bob Burn-Murdoch from the Norris Museum
- o Wednesday 1 August – Barbara McGee from the East Anglian Air Ambulance
- o Wednesday 5 September – Chris Hudson on The Hanson-RSPB Wetland Project.

Sign up for the Children's Summer Reading Challenge

It's not too late to come to the Library and sign up for the Summer Reading Challenge. This year's theme is **Story Lab** – 'an imaginative adventure that knows no bounds'. The brainchild of Professor Cortex, Story Lab is an amazing hi-tech 'Story HQ' that attracts stories from all over the world, sending them spinning throughout the city – and beyond! Professor Cortex has asked the Story Lab kids: Will, Rani, Evie and Lex to recover three lost items and bring them back to the Story Lab. Can the children find the bronze coin, silver mirror and gold medal and boost the imagination of the Story Lab?

If you are under 16 and would like to volunteer to help us with the challenge, please come to the library and have a chat about how you can join in the fun.

Willingham Combined Charity

Not many people will be aware of Willingham Combined Charity which has been in existence since 1505 and was initially called a Pauper Charity. It now consists of several Charities. The first was set up in 1505 by **Henry Greaves** to help defray taxes levied on the poorest inhabitants. The house he left was called the Town House and was situated in Church Street where the almshouses now stand. Nine cottages were later built for letting to poor women. In 1965 Henry Greaves' land was sold and the cottages demolished in 1962 and 1972. The almshouses were still in use in 1982. However, they were later sold and are now in private hands. The land at the rear of the properties is in use as allotments.

In 1615 the second charity was formed by the **Rector Dr William Smith**, Provost of King's College, Cambridge who gave 8 acres at Westmeadow from which the income was to maintain the almshouses and the nine cottages.

In 1693 **Robert Osborne** gave a rent charge of 3/4d (approx just under 15½p) for the poor. Not much is known about this charity which was lost by 1938.

The fourth charity was set up by **Samuel Saywell**, in 1709. He left half of the rent of Queenholme Droveaway to

the poor of Willingham. In 1876 the income was £5.

After the amalgamation of the charities into Willingham Parochial Charities in 1876, Queenholme Droveaway and the Reverend Smith's land were sold and his cottages and the Town House were demolished.

In 1952, **Hilda Smith** left 11 acres, stock and money and land at Houghton to build the Josiah Smith Homes in memory of her father. These six bungalows on Over Road were built in 1967. The Josiah Smith Homes and Willingham Parochial Charities remained separate but from 1964 have been administered by the same trustees.

In 1874 the list of trustees was as follows – the names are still familiar in the village today:

Ingle Few Thoday (merchant), Josiah Smith (farmer), Edward Few (merchant), Robert Sage Ellis (surgeon), Barford Pyke (farmer), James Ingle (merchant), Robert Osborn (farmer), John Frohock (farmer), Edward Gleaves (farmer).

Today the Charity still survives and is overseen by trustees from the village. In the future it is hoped that the

Willingham Fun Run – 13 May 2012

This year's Willingham School Association Fun Run was an enormous success; the sun shone all day and we had record numbers of entrants in both the 7.7 km with 50 runners and the 4.5km with a massive 234 runners.

Winners of the 7.7 km were Graham Rush from Impington and Alice Brown from Willingham. The veterans' class winners were Jim Stocker and Karen Patterson.

In the 4.5 km Jeremy Rodgers came first for the men, with Gemma Coe first for the women, who was also the winner of the Penri Jones Trophy for the first Willingham resident home.

Well done to all the winners in the younger categories:

Under 16s – Bradley White and Melissa Coe;

Under 11s – Angus Hutchinson and Eli Horne;

Under 7s – Jonny Horne and Martha Llewellyn.

Congratulations to Callum Hall who was the first Willingham pupil home.

As usual there were a large number of families taking part and a special mention goes to Ella Chamberlain who completed the course with two dogs!

Back at the school it was a lovely afternoon for relaxing with a barbeque and bouncy castle.

A very big thank-you to all of our sponsors and to Richard Parker, who stood in as race Doctor – at very short notice. Also thank you to the Gilbert family for allowing us to race across their land and lastly, to Mrs Brearley, who compered the event with her usual enthusiasm and style.

Emergency appointments We allocate short appointment slots at the end of surgery for medical problems which cannot wait until the next available routine appointment. They are not booked with a specific doctor and there may be a long wait to be seen. The emergency session is becoming increasingly busy with non-urgent requests causing delays not only in the surgery but for those patients requiring a visit. **Please can we ask you to use emergency appointments correctly? If your problem is a routine matter which requires more time, the doctor will ask you to make another appointment in a routine surgery.**

On-line appointments Don't forget we now offer an on-line booking facility for both doctor and nurse appointments. Please contact reception if you would like to register for this service.

Preventing Falls – Staying Steady A fall can result in not only bruising or fractures but can reduce confidence and independence. There are lots of ways you can help to prevent falling and injury and to 'boost your bones'.

- Strength and balance exercises are particularly useful.
- Eating a balanced diet with foods rich in calcium helps to maintain healthy bones.
- Vitamin D helps to absorb calcium so try to get 10 minutes of sunshine once or twice per day (if weather permits!) or ask your doctor or pharmacist for advice about supplements.
- Ask your pharmacist for a Medicines Use Review as some combinations of medicines may cause dizziness and falls.
- Tell your doctor if you are having dizzy spells or feel unsteady.
- Wear well-fitting footwear with non-slip soles.
- Look for tripping hazards in your own home and garden.
- Keep your home well-lit and free of clutter.
- Have your eyes tested every 2 years – eye tests are free over the age of 60.
- Keep warm as cold muscles do not work as well.
- Take time getting up and steady yourself before walking.

There are lots more useful tips on avoiding falls in the **Age UK booklet 'Staying Steady'**. Ask for a copy in our Pharmacy or at Reception.

What to do if you fall

- Try to stay calm and not panic.
- Attract attention if you can. Use a community alarm or a phone if you can reach one.
- Check carefully that you are not hurt before trying to move.
- If you feel OK roll onto your hands and knees and try to get up or crawl to a sturdy object to help pull yourself up.

Jubilee celebrations

Despite the rather wet weather, about 150 gathered at the Baptist Church on Sunday, 3 June for a community celebration. We started the Big Jubilee Lunch with a grace written specially for the occasion, and then tucked into a BBQ. Before watching the Thames Pageant, we sang *God Save The Queen* and cut a special 'crown jewels' cake. Afternoon tea was then served, with mountains of cakes!!! Children enjoyed doing lots of crafts and painting one another's faces red, white and blue!

Thank you to everyone who came along and watch out for a slightly different event to celebrate the start of the Olympics....

Jubilee celebrations at Willingham Primary School

The children enjoyed a day of celebrations including making crowns, watching the Coronation footage from 1953, parading 'royal barges' that they had made and playing traditional games. The school day was extended to have a royal disco where Princes Charles and Harry were seen, and indoor fireworks were let off. During the week children and staff made a large wall hanging to remember the occasion; it is over 8 metres long! Parents and friends didn't miss out on the festivities, as the Willingham School Association provided cream teas and a quiz about the Queen which raised over £250 for the school.

FULL CIRCLE

In the words of William Shakespeare, 'All's well that ends well' and for myself and my daughter, Mrs Lisa McGinness this could not be more apt. I'm referring to our recent journey to Willingham. Through the kind courtesy of Richard and Pat Law of Willingham, the two of us were invited to stay in their home, Belvoir House, for two days and we had ample opportunity to wander round this lovely little village. What was our quest you may ask? I journeyed from Trinidad and Tobago in the sunny Caribbean and Lisa from Glasgow. Lisa had interfaced with Pat seeking to expand our Family Tree and find its roots and it was here in Willingham that we discovered the roots were deeply embedded.

Although strangers, we and the Laws shared a common bond – for we are all 'related' in our attachment to Belvoir House, 21 Green Street. For Lisa and myself, this was the home of our maternal ancestors; for Pat and Richard, this was the home which his father had bought.

Belvoir House was built by John Smith Junior in 1820 on land that had been in the Smith family's possession since the 1700s and still bears the name Smith. His son, Granger Smith and wife Jemima, subsequently inherited the house and lived there with their children. Jemima was originally a Read, also of Willingham.

One of their daughters, Lavinia Smith, married Herbert Bartholomew Lock Bennett of Kensington, London and they had an only daughter, Hilda. One of their law student lodgers was George Ramdeholl, who came from what was then British Guiana. He and Hilda married and settled in British Guiana. On the death of her husband, Lavinia journeyed out to live with her daughter and family and died in Trinidad in 1945. I was her grand-daughter.

My mother was a great storyteller and as a child, I heard stories of her mother's life in England and of her relatives, among them the Granger Smith family. This thirst for knowledge of my heritage brought me and my daughter Lisa to Willingham.

Pat Law was tireless in her efforts to make our trip worthwhile. We visited several grave sites in and around Willingham over a two-day period. How moving it was to see the family plot of great-grandfather Granger Smith which accommodated the remains of several other family

members including his mother-in-law, Elizabeth Read. A search among the grave sites rewarded us with that of great-uncle Sidney Smith, the last Smith occupant of Belvoir House; and an unexpected find at the very end of our quest....that of great, great, great-grandfather John Smith Senior and great, great-grandfather, John Smith Junior and their respective wives.

We also got a chance to meet with two elders of the village, Mrs Janet Hart and Mr Paul Ingle who kindly recounted their experiences of old Willingham. At the end of a most enjoyable evening, Lisa was presented with a deed of a loan by Janet Smith, signed by great grandfather, Granger Smith, on 30 September 1879 bearing its original stamps and seals. It had inadvertently been in Janet Hart's possession for a number of years.

Not to go unmentioned was the visit to great-grandmother, Jemima Read Smith's ancestral home in Rampton End which was made possible by Graham Mumby. He pointed out design aspects of the house and showed us round the beautiful garden which he proudly tends.

All in all, it was a memorable experience enabling us to come full circle with this chapter of our heritage, to see something of this beautiful part of the country and to form new bonds. Lisa and I left with a great deal of indebtedness and gratitude to Richard and Pat Law for this fantastic experience – one which many yearn for and so few are ever able to achieve.

June Farinha, Trinidad & Tobago

I attach two photographs. The first shows the Smith family taken in approximately 1890 and the second is of Lisa and me in May 2012. We are sitting in exactly the same spot as our Smith ancestors – by the garden door and are holding the original photograph.

From the Parish Council

www.willingham-pc.org.uk

It was a pleasure to see a well-attended Annual Parish Meeting with over fifty people present, and representatives from clubs and groups, local councillors and police. Your Parish Council has been working very hard in trying to involve more residents in local issues. So thank you to all those who came along and for those who didn't here is a flavour of some of the issues that were raised in a lively meeting.

Sergeant Paul Rogerson reported on the recent restructuring of the police force in South Cambridgeshire aimed at providing a more consistent and better service, and on new initiatives on communications. He emphasised the vital role the public play in helping to fight crime and welcomed the recent initiatives to reintroduce neighbourhood watch schemes in Willingham, with special thanks to Mike Tidball for agreeing to act as co-ordinator. Sergeant Rogerson also reported positive progress in a number of areas, with response times within five to ten minutes, an increase in stop searches and fewer house burglaries.

Our County and District Councillors said that they had recently attended a meeting about the B1050. They reported that at last it seemed that the different departments were working together. It was music to the ears of the Parish Councillors who have been pushing for this kind of holistic approach for years. There is no plan in place as yet for a bypass but that is the long-term objective and one that they will keep pressing for. A parishioner asked about the reduced bus services and Andy Campbell of Stagecoach, who was in the audience, replied that he had to work within commercial constraints but that he was doing everything possible to maintain services and that an hourly service into Cambridge would still function, though via two routes. Ideally it would be good to be able to do more but to keep any bus service viable, people needed to use it and at the moment usage was low for large parts of the day.

Mike Tidball talked about Willingham Action Group (WAG) and the progress made since it was established following the Parish Plan; he urged anyone wishing to find out more to visit the website. Special thanks were due to Graham Mumby for all his work and in particular the formation of the well-attended environment group. Thanks were also due to the District Council for the Community Chest grant for furniture on the Jubilee field. A community orchard was planned on the old recreation ground on Earith Road and funding was being sought.

Richard Foster, lead Parish Councillor for the Halls, reported that both the Public and Ploughman halls were in regular use, every weekday evening and some weekends. Though in the short-term the Public Hall remained in reasonable condition, more thought would need to be given to 'halls strategy' in the longer term. The Ploughman Hall is being repainted externally this year, a youth conversion is due to take place within the existing framework of the building and a new car-park surface laid and extended with enhanced planting around it.

Peter Hinds described the recently formed Over, Willingham, Longstanton and Swavesey Community Car Scheme (OWLS), and thanked the Parish Council for their initial contribution to costs. The Scheme has started well. There are three volunteer drivers from Willingham and quite

a few users. More drivers are needed so if you have a car and a few hours to spare, please tell us. Volunteer drivers receive payment towards basic running costs as well as the huge gratitude of the people they are able to help.

Trevor Rowe, chairman of the Willingham Youth Trust (WYT), described the facilities currently on offer and the need for a permanent youth facility. Though there was general agreement that more youth facilities were needed in Willingham, actual commitment was very disappointing: 116 people had been invited to a recent meeting of the Youth Trust and only 6 turned up. A website for WYT is under construction and he urged parishioners to get involved in helping in any way they could. The Trust is particularly anxious to recruit more trustees and find more sources of local funding.

Finally the Cambridge and Peterborough Association of Local Councils presented Willingham Parish Council with a certificate of re-accreditation of Quality Council status. It is an award not easily achieved and great credit is due to the work of the Parish Clerk in securing this, which required an external audit on the level and quality of the services to check that they meet best practice. Perhaps the scheme should be extended to national government!

JOTTINGS FROM YOUR COUNTY COUNCILLOR

Those of you who are regular bus users will know that the Citi 5 service has been amended, with a new service from June that no longer continues to St Ives. Another consequence is that Fen Drayton no longer has a bus service of any description and since the spring I have been working with my fellow County Councillor for Swavesey and Fen Drayton and the local Parish Clerks to see what options might be available to fill the gap. Before we can make any decisions, we need to see what the need for the area is and what services people want. Therefore, there is a questionnaire for completion below. It asks what services you currently use and what you would like to see. Please take a few minutes to complete it, so that we can gain a good understanding of the local need. If you would like an electronic copy, please e-mail me and I will send it to you. Please return all copies to me at the address below.

I believe that we are starting to make slow progress with the B1050. My concern has always been that the County Council has treated the issues of the bank, the number of HGVs and the impact of Northstowe as three separate issues, whereas treating them as a whole might lead to a more cost-effective solution. Cllr Manning and I had a meeting with senior officers in May, where we persuaded

them to look at it as one problem. Money needs to be spent on the bank; not just the monthly repairs which run to around £30,000 per year, but a permanent fix, which runs into millions of pounds. There will also be some money from the S106 agreement for Northstowe, but the two sums together would not be sufficient to fund a bypass. So officers have agreed to go away and investigate how the gap might be filled – and who might pay for it. This may not seem like a lot of progress, but it certainly feels as though there is now a willingness to try to deal with the problem.

Finally, I am delighted to say that the Over Day Centre has been chosen as one of the nominated charities for July by *Waitrose in Trumpington*. I hope as many people as possible will take the opportunity to do some shopping there during July and *put their tokens in the Day Centre bank*.
