Tree Planting and the Community Orchard

Work will start this autumn/winter planting the woodland areas on the Old Recreation Ground located on Earith Road, prior to establishing the Community Orchard. The aerial photograph, courtesy of Adam Buckley, shows the site of the planned orchard. The plan is to establish planting teams by identifying team leaders who will, in turn, recruit friends and family. Contact Graham Mumby or Mike Tidball to get involved in this community project.

EDITORIAL

Putting together the September issue of Willingham News, it has been interesting to see how different contributions link together the past, present and future of Willingham. The Looking Back article focuses this month on horticulture, flower and fruit growing in the village at the beginning of the last century, while Willingham Action Group provides information about the planned planting of a community orchard. And for keen present-day amateurs, there is the Horticultural Show this month to look forward to. A big thank you from the Editorial Team to all the different contributors, individuals and groups, who provide such a range of interesting articles, which not only show the variety of activities going on now in our village, and how residents are working together to further improve Willingham life, but also provide an interesting insight into our past.

Charity Cycle Ride

My name is Richard King. I have lived in Willingham for the last 5 years. I am a keen cyclist and have cycled from London to Brighton raising money for the British Heart Foundation. I have also recently completed a London to Cambridge ride, raising money for Breakthrough Breast Cancer and have also cycled a 50/50 sportive.

My next challenge is to cycle from London to Paris in April 2014, approximately a 300-mile bike ride to raise money for Marie Curie Support, which helps to support cancer patients and their families.

I aim to raise around $\pounds 3,000$ and would be grateful to anyone who would like to help support me in raising money for this great charity. I have a Just Giving page which is www.justgiving.com/Richard-King14

Old Willingham

Most people know that the guided busway was built on the path of the old railway through Longstanton. But did you know that there was another railway north of the village which ran from Ely to St Ives? It included stations at Haddenham, Sutton and Earith Bridge. This month's photo shows an aerial view of Hermitage lock and the old Earith bridge in about 1950. You can clearly see the railway line running in from the West and then heading for Sutton. The line was single track and only a few trains ran each day. Passenger business was poor because the stations were too far from the villages and it was mostly used for goods after the 1930s. The line was closed in 1960s and almost no trace remains today. The station was roughly where the two large sheds are at the current marina. You can see more pictures at www.disused-stations.org.uk/e/earith_bridge/

LOOKING BACK WILLINGHAM'S HORTICULTURE

Willingham was renowned for its fruit-gardens, orchards and flower growing. A newspaper article of Monday, 2 May 1905 reported that the village was one vast flower-garden, and as the flowers were nearly all of the purest white, they presented the appearance of heaps of fallen snow. There were hundreds of acres of plum trees in splendid bloom, a sight worth going miles to see. Apples and pears were also giving signs of an abundance of bloom.

The horticultural centre stimulated local trade and benefits to the wage-earning classes. Working conditions were described in an article on Thursday, 1 September 1905. There were a lot of small farms and it appears that labourers followed the same routine. They went to work at seven o'clock in the morning and worked until eleven, when they had their luncheon (or 'docky' as it was called) and began work again at noon for another four hours when the day's work was done. They did not necessarily work until four for they had to get home and left in such time as to allow them to arrive comfortably. Likewise if their workplace lay at a distance from their home they did not get to their place at work at seven but left home at that hour. However, farm labourers didn't get high wages.

The *Cambridge Daily News* of Wednesday, 6 April 1932 reported astonishing examples of hardship to farmers which were cited at a tithe payers' meeting at Willingham. There was an agricultural depression with Norfolk farmers going bankrupt at the rate of one a day. Land worth £25 an acre in 1925 was then not worth £5, yet the same tithe had to be paid on it. At local sales of farmers' goods a dozen sheep had been bought for 2s 6d (12p) and a tractor for 2s (10p).

In addition, on Thursday, 20 March 1928 a remarkable story was told at the Bankruptcy Court of how a Willingham flower and fruit grower took a farm at Whittlesford in order to get his two sons set up in farming and lost £2,600 over it. The cause of his failure was four barren seasons owing to the weather. In 1881 he'd set up as a nurseryman and flower and fruit grower and bought additional land, but lost a considerable sum in a malting business in Ware.

An on-going story for adults

He stood at the top of the hill looking down on the sprawling town. How many years had it been since he had left with just a suitcase and a small amount in his savings book? His chest heaved with emotion. He had stood at the open window of the train till the town had vanished from sight swearing never to return. What would he find if he made his way down there? He looked round. He had often come up here alone or with his school mates. The gorse bushes were still there, maybe more rubbish lying around but there was still the same feeling of peace and quiet compared to the rush of the town below. He took his hands out of pocket and set off.

How about continuing the story – anonymously if you wish? If so, write a maximum of 400 words and send to the *Willingham News* address (see page 3). Next month, someone else can take up the baton – etc etc – Editor.

Faith over Technology

Life Matters is a series of events run by a group of men from Willingham Baptist Church for all local men seeking something more out of life. These are social events designed to fire your enthusiasm, build friendships and spark conversations about some of the important issues in life. And be enjoyable, too!

In August, twelve of us headed off for the first of these events -a trip to the Peak District and circular walk involving Jacobs Ladder, Kinder Scout and the challenge of precisely locating the possibly mythical peak of Kinder itself.

We set off early and headed for Edale, blissfully unaware that our plans would be thwarted by the lack of mobile phone signal. Whilst the signal in Willingham is not all it should be, it is much better than in the Peaks and the inability to communicate resulted in confusion about both the starting point and planned route. But if technology failed us, our faith pulled us through as both groups coincidentally chose the exact same route and consequently met on Jacobs Ladder. Continuing to climb, we reached Kinder Upfall (a majestic waterfall that by a quirk of wind direction often cascades up rather than down the hill) then, after a substantial picnic lunch, went in search of Kinder summit itself. This was successfully located and we continued, negotiating a steep rocky ravine into a delightful valley lined with ferns and blossoming heather with a brook gently babbling beside us. After 12 miles or so we eventually returned to Edale and restored our energy levels with a pint and pub meal in the Nag's Head.

Many thanks to Mark and Richard for organising the trip and to Mark and Kevin for getting us there and bringing us safely home. These chaps completed the walk as well as driving so must have slept well that night!

A day walking in the Peaks is a great stimulant for good conversation and we had some good chats covering the serious topics of work-life balance and the challenges of being a Dad, and there was perhaps the odd word about cricket too.

The next event is a curry night on 25 September. This is another opportunity for some thought-provoking conversations and if you're interested in coming along – we'd be delighted to see you – just email us at lifemattersformen@gmail.com

And if you prefer not to read it out yourself, someone else there will be happy to do it. session for Carers at Willingham surgery. They will answer any questions and give information about the work they do. Please come along to see what support is available to you.

Repeat Prescription Ordering Please note that there is a dedicated phone number **01954 260073** for ordering your repeat prescriptions which puts you through to the Surgery Dispensary. Although Willingham Pharmacy is located in the same premises, requests for repeat prescriptions cannot be phoned straight through to the pharmacy. This is for legal reasons. Please allow at least 2 working days before collecting your medication in order that we can meet the legislation requirements.

Acknowledgements Our grateful thanks go to the family and friends of Mr John Wales for their kind donations in his memory.

Willingham Surgery Equipment Fund We have recently purchased a new examination screen for the nurse's room. This replaces one which we think came originally from the old Mill Road Maternity Hospital for those of you who can remember that far back. If any amateur dramatic society would like this antique for their props please contact us. It has been cleaned in the meantime!!

NORTHSTOWE:

This large development stalled three years ago with recession and the downturn in the housing market but is now very much back on the agenda with construction likely to start quite soon. As most of you will know the plans are for a large town of nearly ten thousand homes and about twenty five thousand people. It will take several years to complete but will change the landscape with many more homes, people and traffic. There is a 'drop in' consultation at the Ploughman Hall on Saturday, 14 September between 10 am and noon. Do please drop in and take a look at the displays and talk to the officers and experts who will be available. It is a chance for you to have your say and raise issues of concern or support.

CEMETERY GATES:

It is pleasing to see the gates back in place after major refurbishment. We now have to get them running smoothly on a new plinth. Action is in hand to make that happen.

YOUTH CLUB:

Sadly the contractor appointed to do the conversion at the Ploughman Hall found it impossible to deliver against the estimate on which the work was awarded. The difference was so large that the Council decided that they must retender. That process is in hand but will delay completion by several months.

NEW COUNCILLORS:

We are delighted to welcome Alan Slater to the Parish Council. Mr Slater has served on the Council before and so brings expertise from then as well as from his professional life as a senior police officer. We are pleased to see that once again there is a full Council.

RECREATION GROUND:

The recreation ground is a popular venue for many young people in the village during school holidays and we are delighted to see it put to good use. The vast majority enjoy the space and facilities for sport and meeting friends but sadly a few do not respect the buildings or equipment. Recently there has been repeated damage to the cricket square covers and in the past damage to buildings and other equipment. The children and youths that cause the damage are almost certainly from the village and will probably have parents and perhaps grandparents living here. Please do everything you can to encourage your family to respect the village facilities and to keep them in good repair for everyone to enjoy.

Pastoral Letter

September: Season of change; autumn equinox; swallows on the wires; children waiting for the School bus; new teachers, new schools, new companions, new skills and new opportunities; new ways of looking at life; boys and girls transformed into college students living away from home for the first time; for many parents, the new experience of living in a house empty of its young people; times of change indeed.

Around two and a half millennia ago, the violent social upheaval of Assyrian and Babylonian conquest in Palestine had been replaced by the benign Medo-Persian policy of resettling the displaced nations to their homelands and a skilled administrator in the Medo-Persian government reviewed the extraordinary opportunities for change ahead of him. But how would he attract his countrymen back to their native Judaea now that they had tasted the wealthy lifestyle of Babylon and Persia? How could he even get to Judaea safely, bearing in mind the hundreds of miles of bandit-ridden passes they would have to walk through? And this journey was made even more dangerous by the presence of their precious cargo - tons of silver and gold donated by the Persian King, Artaxerxes, to glorify the Temple being rebuilt in Jerusalem! Ezra's story is in the Bible because, as a man of faith, he trusted in the gracious hand of God to bring his mission to a safe conclusion, and so it turned out.

In the new chapter of life's journey that will open for many of our children this autumn, is there a guiding principle, something to be treasured like the returning exiles' silver and gold? Do they (and do we?) share Ezra's faith in God - a Godwho protects from temptation and delivers from evil, provides daily what we really need, and loves to forgive?

WILLINGHAM MILL OPEN DAY

SUNDAY, 8 SEPTEMBER 1 – 5 pm

Sunday, 8 September will be our TEAMS Open Day. TEAMS stands for *The East Anglian Mills Society* and was formed in 2008 following a series of meetings of like-minded mill owners and enthusiasts in East Anglia.

Windmills were once the focal point in every community providing employment and producing flour, notwithstanding the visual aesthetic they exude. Throughout the 20th century windmills became disused and were replaced by more efficient ways of flour production. By the Second World War most windmills were decommissioned and demolished for scrap material. Thankfully a few special mills have survived the decades.

Your local windmill, Cattell's Mill, Mill Road, Willingham, will be open on Sunday, 8 September when many of our member mills will be open to the public. The mill and an exhibition showing details of the mill's history and other artefacts will be open to visitors from 1 pm to 5 pm.

Cream teas, cakes and refreshments will be served from our cafe. Postcards, books and real stone ground flour (from Wicken Mill) will be on sale to raise funds for the continued restoration of one of the largest smock mills in East Anglia.

All proceeds go to the Cattell's Mill Restoration and Preservation Trust which is, as always, extremely grateful to all its supporters and volunteers.

Join the Willingham Flood Action Group

A large area of the village, including the Recreation Ground and Ploughman Hall, as well as properties right through the centre including Westmead Close, Covent Garden, Over Road, Millfield and Station Road are in the Environment Agency Flood Map 'high risk' area.

The Flood Action Group has objected to the proposed Haden Way Development on the grounds of additional flood risk from large scale drainage from the site down into the watercourses which are the source of our flooding. This can only increase the height of water in the village in times of flood and affect more properties. We will be monitoring further potentially increased risks and applying for the newly announced Government funding for improved flood protection.

There is no subscription or need to attend meetings to become a member but the more members we have the stronger our voice both at local and national level is. All we ask you to do is to email us at wfag@hotmail.co.uk to support us or ask for further information.

We are affiliating to the National Flood Forum www.nationalfloodforum.org.uk, Registered Charity No 1121642.

HAVE A FUN DAY OUT WITH YOUR DOG

On Sunday, 8 September, as part of the Food, Farming and Countryside Day at Milton Country Park, there will be a fun dog show in aid of Hearing Dogs for Deaf People. Why not make a day of it? Have lunch in the excellent café and check out all the other stalls. The park is very dog friendly and you can have a leisurely off lead walk in most of the park prior to joining in with the fun at the dog show.

There will be 12 classes, which include a fun scurry (how fast can your dog jump over logs to retrieve a toy?), an obstacle course (if the dog can't manage the obstacle then the owner has to do it!), a fastest sit competition plus cutest puppy, golden oldie and best trick to name but a few. There will be certificates and rosettes for 1st to 3rd in each class, the winner of each class will receive some dog food and there will be some lucky entrant number prizes. Best in show will also receive a rather special prize.

We will be taking entries from 11 am and classes start at 12 noon. Veterinary Surgeons from Village Vet will be judging, Trophy Pet Foods will be there with their dog food, toys and accessories and Hearing Dogs will be selling merchandise, running a tombola and a book stall, and we will have lots of information about the charity.

If you need any further information, please contact me via email at jennifer.parker5@btopenworld.com or by phone (evenings preferred) on 01223 833562.

Hope to see lots of you with your dogs on 8 September.

SEPTEMBER BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

HARVEST is upon us and we're calling on local residents to help our fight against straw stack arson.

Stack fires can quickly spread and not only endanger people and livestock, but also life-long work on farms. Stacks burn very slowly meaning crews are committed for long periods of time, making them unavailable for other emergencies. Don't forget, many of the firefighters attending incidents like these in rural parts of our county are on-call personnel and their retention at a stack fire impacts directly upon business and services in their community.

We're working with police, neighbourhood watches and farm groups to drive stack arson down, including installing covert cameras to help bring those responsible to justice.

What can you do? We're urging residents and those passing through rural areas to keep a careful watch. Do you see someone acting suspiciously around stores of hay or straw? Is there an unusual vehicle near farm buildings? Become a community member of Arson Watch and keep an eye on stacks in your area.

Report suspicious activity to police on 101 and dial 999 if you see a stack fire.

Like our fan page on Facebook: www.facebook.com/cambsfrs, follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.
