Leeassociates
Independent Financial & Legal Advice

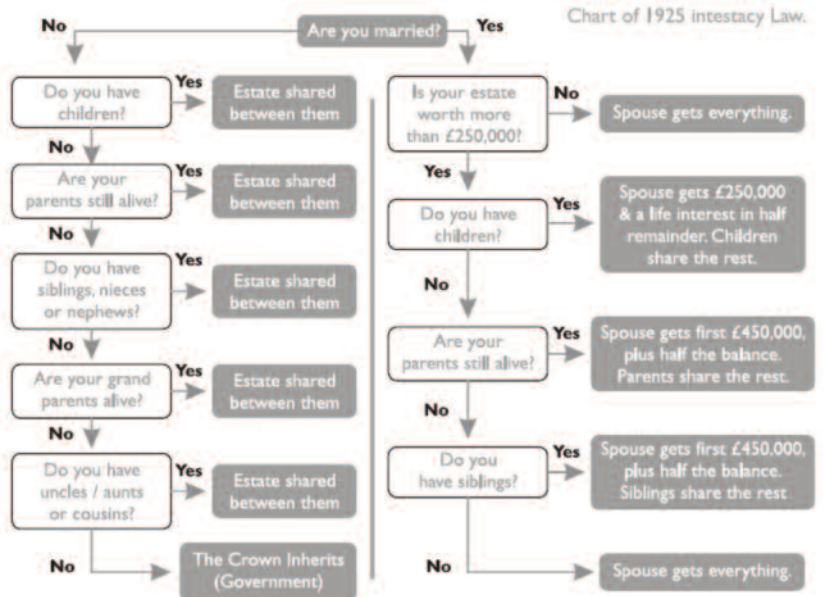

At our heart is your financial well-being

The Last Item on the Agenda? And No, it's not 'Any Other Business'. It's writing your Will.

Without a Will the law takes over; it decides who gets what; makes the decisions for you and they might not be the decisions you were expecting. Of course, if you are living as an unmarried couple, your survivor will get nothing.

But, there is also the misunderstanding that if you leave behind a spouse and children, everything is straightforward - it's not. The chart opposite explains how it works.

If writing a Will has moved up your agenda, why not give Jenny or Stephen a call on 01954-262120 to discuss how Lee Associates can help, or email info@lee-associates.co.uk.

EDITORIAL

Let April put a spring in your step! With the longer days and warmer weather it is great to see so many out of doors enjoying themselves. The front cover shows amazing pictures of what you can see if you are looking in the right place at the right time – birds of prey fighting is just incredible. Thanks to volunteer gardeners the Community Orchard is taking shape (as the trees have to be planted before the hot summer months arrive), and is well worth a look. I am excited as I actually have a tree there myself. Even if you are not going for that London Marathon medal, as Andrew Jackman will be as he runs for 'Shelter', (*Willingham News* March issue), there is so much to see and do whether it is cycling, walking or running – including getting ready for the Willingham Fun Run next month. Keep an eye on the *Willingham News* diary and advertisements for ideas, boost your reserves with all the cakes on sale for charity too and have a very Happy Easter!

Calling everyone interested in keeping Willingham tidy!

We are planning on holding this year's litter-picking session on Saturday, 26 April 10 am – 12 noon and/or 1 – 3 pm.

Those willing to help, please come to the Baptist Church. Equipment will be provided – but not gloves.

Letter to the Editor

Dear Editor,

HGVs and Northstowe

So construction is to start later this year (on nearby Longstanton Golf course, not the Oakington airfield) and the B1050 can 'cope'. Well sorry, we can't. Where is the commitment to no HGV traffic through Willingham? In the village plan residents asked for action on this and it's the only affordable answer to the sinking section next to the river.

The District and County councils are as usual silent in the face of developer pressure, so Mr Manning, you are our representative – what about some action.

WAG Orchard update

WAG TREE PROJECT

Community Orchard and Woodland

This winter we have concentrated our efforts planting the Community Orchard and Woodland, the flagship component of the tree project. The woodland area planting has been completed with 780 mixed native woodland trees, including a few plums and damsons with a local origin. The orchard was marked out on an 8 x 8 metre grid and so far 89 mixed fruit and nut trees have been planted, with spaces for another 25 scheduled for next winter.

The planting would not have been possible without the help of a hardy band of volunteers, to whom we say a big thank you. Also we wish to thank the interest and generosity of those who have sponsored an orchard or woodland tree. This has been a great success and we will gratefully accept further donations as there are 'orphan' apples and pears remaining, in addition to those we will plant next winter. Sponsors have been thanked and given the location of their tree on the grid. After the work has been completed next winter information boards will be created listing sponsors and their dedications.

WAG also wish to thank the Parish Council for their continued support for the project.

Obviously establishment will take some years but the blossom this spring will be a welcome sight. There will be further tasks to carry out in the months ahead, and watering of the orchard trees in the summer, so we will welcome new volunteers who would like to get involved. Also we welcome new sponsors for the orchard trees.

For further information about sponsoring trees, or about trees you have sponsored, and becoming involved please contact Graham Mumby, 260553 or graham@gwmumby.co.uk or Mike Tidball, 260647 or m.tidball@btinternet.com

Do something special... become a Foster Carer in 2014

Cambridgeshire County Council needs more foster families to help transform lives and meet the needs of local children and young people. Although the service has seen an increase in enquiries they still need to encourage more people to make that call and consider fostering.

People become a Foster Carer because they want to give children and young people a home for as long as they needed it. There are so many positive changes that families, love and commitment can make and anyone who has a caring nature should consider fostering.

Every child is different so we need different Foster Carers. If you have a spare room and can offer stability, security and the positive experience of a loving family then we want to hear from you.

You might be:

- Married, in a civil partnership, single or living with a partner
- From an ethnic background
- In work, unemployed or retired

Recruiting local people will mean that children and young people can live in their own community, continue to attend the same school and maintain contact with their family and friends.

In return we offer generous allowances including a start-up package, 24 hour support and full training.

Call our freephone number on 0800 052 0078 or email fanda@cambridgeshire.gov.uk

LOOKING BACK – WINTER WEATHER

February's editorial in *Willingham News* talked about the freak weather conditions during 2013 but previous years have also taken their toll on the village and its residents. Looking Back, an article in the *Daily Herald* of 15 August 1938 reported that a stretch of the fruit-growing country of Cambridgeshire had been completely devastated. Growers and their workers were faced with an unrelieved prospect of ruin during the winter and an appeal was being made to the Government for help.

The writer highlighted Willingham and a typical plum orchard of 24 acres which would normally produce about 120 tons of plums. A local grower, Mr T H Langham, had 40 acres of victoria plum trees and in an ordinary year he would expect to get about 250 tons of fruit. He had a bumper crop in 1936 of 500 tons only to find it fall in 1938 to just half a ton.

Old men who had lived in the village all their lives on the fruit farms could remember nothing like it and Mr Langham's plight was typical of that of all his neighbours as early frosts had caused havoc. He told the reporter that there had been 15 frosts in the spring from the time when the blossom first appeared to the last one on 8 May, when it had frozen overnight and finished everything. In 1937 Mr Langham had paid £105 in wages a week but for 1938 his pay roll was just £6.

Each morning and afternoon during his stay in Cambridgeshire, the writer of the article had asked for plum jam but not a single hotel or tearoom had any yet there had been enough plums in the previous year to cover the House of Commons!

The West Cambridgeshire Growers' Association had taken up the matter and asked the Government for a loan to tide the growers over the winter. One grower said that unless assistance was forthcoming they would be unable to prepare for next season. Meanwhile it was reported that Italian plums were capturing the market.

The article concluded with another tale of woe. Not far from Willingham a hailstorm had wiped out hundreds of acres of barley, stripped stretches of sugar beet of its green shoots, washed young plants clean out of the ground, taken away hedges and spoiled great quantities of wheat.

Mr. Langham, a Willingham fruit farmer, examines his plum trees. Last year he paid £105 a week in wages. His pay roll is now £6.

Old Willingham

This month we see a sergeant posing for a photograph, probably before heading for France. We don't know who he is but interestingly his lapel badges are the maple leaf of Canada and the one on his cap (*see lower left*) the badge seems to match that of the Canadian Forestry Battalion. Perhaps he was a friend of Frederick Gadsby who was born in Willingham, moved to Canada in 1903 aged 19 and then volunteered to fight in the Great War.

Perhaps Frederick and his friend were making a last visit before going to fight. Frederick was killed in action on 27 September 1918, just weeks before the end of the war. The picture is taken at the gate of Mon Abri a house that still stands at the bottom of Fen End.

Library News

ENGAGE IN THE AFTERNOON

Come and join in with these special sessions for adults on the first Wednesday of each month from 2 to 3 30 pm. There are speakers, tea/coffee/biscuits and a chance to change books. It's free but donations are welcomed towards refreshments.

The library was packed to the rafters for our March talk – an excellent session with Warrant Officer Jim Blackwood from the RAF Bomber Command Pathfinder Force. The force is based at RAF Wyton and did hugely vital work during World War II and afterwards by improving the efficacy of bombing raids.

Future Talks:

Wednesday 2 April – Andrew Hewitt from Book Aid. Since 1953 Book Aid International has been distributing books to schools, libraries, and communities in Africa. Over the years the charity has expanded its focus and now delivers a range of projects to improve literacy and teaching skills, but the core belief remains the same: Books change lives. Come and hear about the past, present and future of Book Aid.

Wednesday 7 May – David Rooney speaking about 'Henry Morris and the Cambridgeshire Village Colleges'.

Story Time for Under 5s

Tuesdays 2 – 2 30 pm 1 April and following a break for the Easter holidays, **6 May**.

Story Times are on the first and third Tuesdays of the month during term-time. Parents/Carers must accompany children. Please support this fun and free activity.

Friends of Willingham Library forthcoming WWI display – request for items

In September there will be a display in the Library about Willingham during the First World War. See elsewhere in *Willingham News* and future editions for more details nearer the time. But meanwhile, start thinking about anything that you have that could be included in the display – letters, photos, medals, eye-witness accounts.

WW1 Poet

Rupert Brooke

Rupert Brooke was a famous war poet who studied in Cambridge and went on to live in Granchester. At that time he wrote about his peaceful pre-war life and many remember these lines

'... oh! Yet
Stands the Church clock at ten to three?
And is there honey still for tea?'

Sadly Rupert died at a young age in 1915 but left us with his poetry, which caught the optimism of the opening months of the war – contrasting strongly with poetry published later in the conflict by other writers. The following is one such memorable poem.

The Soldier

If I should die think only this of me:

That there's some corner of a foreign field
That is forever England. There shall be
In that rich earth a richer dust concealed;
A dust whom England bore, shaped, made aware.
Gave, once, her flowers to love, her ways to roam.
A body of England's, breathing English air,
Washed by the rivers, blessed by suns of home.

And think, this heart, all evil shed away,
A pulse in the eternal mind, no less
Gives somewhere back the thoughts by England given;
Her sights and sounds; dreams happy as her day;
And laughter, learnt of friends; and gentleness,
In hearts of peace, under and English heaven.

NHS 111 Service is now fully operational in Cambridgeshire and Peterborough. There will be a public campaign to make patients aware of how the new medical telephone service should help make it easier for residents to access local health services, advice and information. 111 is available 24 hours a day, 365 days a year and calls from landlines and mobile phones are free. You should use the NHS 111 service if you urgently need medical help or advice outside GP surgery hours. **For immediate life-threatening emergencies, people should continue to call 999.**

How does 111 work? Calls will be answered by fully trained call advisers who are supported by experienced nurses and paramedics. They will ask questions to assess the symptoms and give you the healthcare advice you need or direct you to the most appropriate and available local service. Where possible the NHS 111 team will book you an appointment or transfer you directly to the people you need to speak to. If NHS 111 advisers think you need an ambulance they will arrange for one to be sent. Calls to 111 are recorded. All calls and the records created are maintained securely and will only be shared with others directly involved with your care.

Practice Leaflets Our practice leaflets have been updated to reflect changes in the NHS and out of hours contact details. Please call in to reception to pick up a new leaflet for your home notice board.

Are you a Family Carer? If you spend a significant proportion of your time providing unpaid support to a family member friend or neighbour, then you are a carer and it is really important that you look after your own health and wellbeing.

Carers Drop-In Sessions The next meeting is on **Wednesday 14 May between 2 and 4 30 pm** at Willingham Surgery. Just drop in for coffee or tea and muffins and learn about what help and support there is. You will find lots of useful information about flexible respite breaks, benefits you may be entitled to and carers social events in the area.

STEPPING STONES!

Did you know there is a service which has been set up to help people with disabilities to participate and succeed in sport? Stepping Stone is a project funded by Cambridgeshire County Council and Sport England's Places, People, Play legacy programme and delivered by Action For Children (although it's not age restricted in any

way). It offers free advice, support and funding to help get people involved in local opportunities as a participant, coach, official, administrator or volunteer. So contact Stepping Stone yourself or perhaps pass this on to someone who can benefit from this brilliant service. You can find more information on: <http://www.cambridgeshire.net>

Northstowe

Phase One of the construction of Northstowe, the first fifteen hundred houses, is due to commence shortly. Given the recent poor weather, concerns have been raised by quite a few parishioners as to whether or not the development will increase flood risks. At a well attended drop in meeting at the Ploughman Hall in March, the developer, Gallagher, explained their plans for surface water management to address these issues and claimed that their designs would have sufficient capacity to meet more than a 1 in 100 year event including climate change effects. Unfortunately, the meeting was not attended by Anglian Water who will have long term management responsibility for water supply and drainage. The Parish Council will be tabling some questions directly to them on existing and future plans for discharges from Willingham and Longstanton.

New Bus Shelter

The Parish Council has been considering for some time the provision of additional bus shelters and has managed to obtain a grant of £1,000 from the CCC Better Bus Area Fund. This will be added to £1,000 of Parish Council funds to obtain a new bus shelter situated on the north side of Wilford Furlong. It will be a 3 bay shelter with polycarbonate glazing. The Council will monitor the use and costs of maintenance and see if more shelters can be justified. Requests have already been made for shelters in Church Street and Station Road.

Elections

If there are sufficient candidates the Parish Council elections will take place on 22 May. If there are insufficient candidates then those who apply for the fifteen places will be appointed automatically. Notices regarding nominations should have been issued by now or if not they will be very soon. The closing date for applications is Tuesday 22 April by 4 pm. Do not be shy in coming forward. The commitment is not great but the contribution you can make can be. The existing council would like to see a broader cross section of the community represented, particularly from younger parishioners and women. There is not a single female councillor at present. Elections cost us all as tax payers but, very importantly, give the electorate in Willingham their democratic right to choose who they want to represent them.

Police Update

Following a relatively quiet period there have been a number of problems recently including public order offences, burglaries, criminal damage and fly grazing of horses. Please do everything you can to keep yourself safe by locking windows and doors and reporting any suspicious incidents to the police on 101 or 0800 555 111. If you have an internet connection you can also get regular updates on crimes in our area by signing up to Ecops at www.cambs.police.uk/ecops/

Yesteryear Road Run

This popular event is being revived and run again this year on Sunday 27 April. As previously, the parade will route

along Rampton Road to our Village Green and then go via Church Street, High Street and Over Road to Over Village. The main parade is scheduled to pass along Church Street at sometime between 10 30 and 11 30 am. There will be some disruption to local traffic around these times.

Names will be taken down at the beginning of each meeting, together with the electoral role number to ensure everyone has a fair chance to speak within the allowed 15 minutes in total for all speakers. Pastoral Letter

To love one another

As a secondary school student, short exercise breaks were introduced and used by many teachers in order to improve the students' attentiveness. I remember an event that happened during a Russian language lesson. The teacher asked our head girl to lead these physical exercises. She stood in front of us and said in Polish: 'Proszę zrobić pięć przysiadów' (Please do five sit-ups). The teacher stopped her immediately telling her to say it in Russian and after some hesitation the head girl responded in Russian 'Делай, как я' (Do what I am doing) and she started doing sit-ups.

We know that often it is much easier to show how to do something rather than to express it in words. Most manuals, from cookery books to car maintenance instructions are filled with photographs and occasionally have a DVD version.

When Jesus said '...love one another, just as I have loved you', he knew what he was saying. Throughout his life he demonstrated the constancy and strength of his love, giving himself to others: healing, teaching, and helping sinners. He never turned away anyone who came to him. The greatest proof of Jesus' love for us is his death on the Cross. 'Greater love has no man than this that a man lay down his life for his friends' (John 15:13). During the final weeks of Lent, Holy Week and Easter this truth is more obvious than at any other time.

Our love has to be modelled on and rooted in the great love of our Saviour. Jesus said, 'By this love you have for one another, everyone will know that you are my disciples.' The genuineness and importance of these words quickly became evident. Early Christian communities caused observers to say, 'Look how they love one another,' and their example attracted many people to God. Their mutual love became a sign of their faith.

If we want to draw the world to God, our mutual love must be strong and produce good fruits. Jesus did not say that his disciples would be recognised by the love of enemies but by their mutual love. The love of enemies is an important part of our faith, even the subject of admiration, but not the thing which is able to draw people to God. Jesus being aware of this pointed to mutual love among Christians as a key element that could draw others to God. Christian communities should be places where everyone finds the atmosphere of mutual love. The mutual love is a source of energy for all kinds of apostolic works and it is a sign of our faith built on the foundation of Jesus' Resurrection.

May the celebration of Easter 2014 strengthen our mutual love so that we become an even more powerful sign of God's love.

Tribute to Tony Halsey

Tony was our Club Chairman for 25 years and active member for even longer. He will be remembered for his energetic and enthusiastic representation of our Club. Tony was a co-founder of the Willingham Horticultural and Craft Show in its present format, has been a consistent champion of the Show and used his contacts within the horticultural industry to best effect on behalf of both the Club and the Show.

Tony has been seriously ill for about 5 years but bore that illness with great fortitude and continued to work until recently. Throughout his illness he carried out his responsibilities as member and then chairman of the Club in his uncomplaining way and at times when others might have been unable or unwilling to do so. Sadly Tony died on 26 February. His colleagues on the Club Committee and fellow members will miss him greatly. Our thoughts and sympathy go out to his family.

WORLD BOOK DAY

World Book Day was celebrated everywhere and these are some of the book characters from The Phoenix School, who raised over £300 for charities in their 'Readathon'!

Accessing Adult Social Care Services

Social Care is personal and practical support to help people live their lives by supporting them to maintain their independence and dignity and ensuring they have choice and control over the support they receive. Many people don't think about social care until they or someone they know need support, and then find they are unsure about where to find information or how to access the services they need.

Adult Social Care customer services are the initial point of contact for all social care enquiries. The trained staff know about the services available and can offer advice on who else may be able to help. Call them on 0345 045 5202. You can also find out more about Adult Social Care in Cambridgeshire on the website Your Life, Your Choice www.yourlifeyourchoice.org.uk

If you think you may need help with mental health issues you should contact your GP in the first instance.
