Leeassociates
Independent Financial & Legal Advice

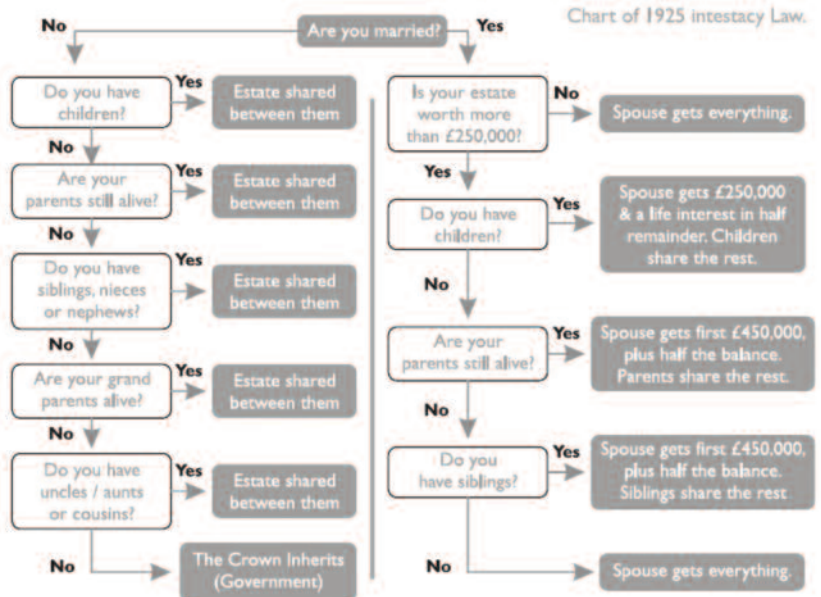

At our heart is your financial well-being

The Last Item on the Agenda? And No, it's not 'Any Other Business'. It's writing your Will.

Without a Will the law takes over; it decides who gets what; makes the decisions for you and they might not be the decisions you were expecting. Of course, if you are living as an unmarried couple, your survivor will get nothing.

But, there is also the misunderstanding that if you leave behind a spouse and children, everything is straightforward - it's not. The chart opposite explains how it works.

If writing a Will has moved up your agenda, why not give Jenny or Stephen a call on 01954-262120 to discuss how Lee Associates can help, or email info@lee-associates.co.uk.

Lee Associates - providing tailor-made financial planning for every stage of your life. For you and your family.

EDITORIAL

Well Done Willingham! We all seem to have a go and some are winners! The cover shows the successful Willingham Wolves teams: under 16s and Under 10s, some snap-shots of the Fun Run plus an idea of the forthcoming 'It's A Knock-Out' – just waiting for you to enjoy. We may not all be winners, we may not all want to be seen in the public eye – there are so many including our local businesses who give their time and energy to the huge work that goes on behind the scenes. There is more asked of us including collecting for Poppy Day which is even more important in this special remembrance year. So keep it coming and be proud of what we do together.

A Professional Service from Start to Finish

Willingham Bowls Club

The current weather seems to be playing the usual havoc with this season's fixtures with many having to be cancelled owing to waterlogged green. However, we did manage to play the George Green cup which was won by Ron Townson, Peter Dobson and the ever sprightly Terry Jakes who at 90+ is a great example to us all. We were blessed with glorious sunshine that afternoon prior to the torrential downpours on the following 2 days.

Home fixtures for this month are as follows.

Tuesday 1 July	Coton	6 30 pm
Monday 7 July	Burwell	2 pm
Monday 7 July	City	6 30 pm
Monday 21 July	Sutton	2 pm
Thursday 24 July	Melbourn	6 30 pm
Wednesday 30 July	Alexander BH	6 30 pm
Sunday 27 July	Piggott Cup	2 pm

Spectators most welcome.

The visit includes seeing the house and gallery including some of Sir Winston's paintings, plus the grounds. For National Trust members the coach and entry cost is £18, or £28 for non-NT-members. We leave Willingham Green at 8 30 am and aim to return by 6 pm. There is a cafeteria at Chartwell.

Electrical Waste Kerbside Collection

On behalf of Willingham Parish Council

Do you have electrical items that you no longer use or want? WISER Recycling can help You, and You can help your Parish Council!

On Wednesday 3 July 2014 WISER Recycling is a local recycling company based in St Ives and will be conducting a collection of household Waste Electrical and Electronic Equipment (WEEE).

Electrical items will be collected in the morning by WISER vehicles. We will collect any electrical item (including non-working) from hairdryers, videos, microwaves, to televisions and fridge/freezers – basically, anything with a plug on. WISER Recycling will collect from right outside your house! All items will be taken to our fully licensed treatment facility in St Ives for Reuse, Refurbishment or Recycling.

The Parish Council will receive a revenue for the WEEE Waste collected, to be spent on Community Projects.

PLEASE PLACE YOUR ITEMS 'KERBSIDE' BY 10 am

IF POSSIBLE, PLEASE AVOID PLACING OUTSIDE THE EVENING BEFORE.

If you are unable to move your larger items outside, please contact us free on 01480 464 111, and our Operatives will assist. Do not cause an obstruction on the pavement.

WISER has partnerships with many local and regional charities including Emmaus, Lighthouse, i-Trust and Eco-Computer Systems through which it sells working items back to social groups and low income families. We are fully authorised by the Environment Agency and operate to international standards; ISO 9001 (Quality), ISO 14001 (Environmental) and OHSAS 18001 (Health & Safety), ensuring a second to none professional recycling and recovery service. If you'd like to find out more about WISER's services, please visit our website: www.wisergroup.co.uk

WILLINGHAM WOLVES UNDER 16s CHAMPIONS AGAIN!

Willingham Wolves U16s had yet another successful year. After winning the League last year without losing a game, we lost our first game at the start of the season but this loss made the boys more determined and went on to win the next 20 games. Not only did we win the League with 2 games to go, we also won the Knock-out Cup, beating Chesterton Villas 4-0 in the Final at Cambridge Stadium and made the Final of the Hillsborough Cup only to lose this game on penalties! So congratulations to the boys for doing the double (and so very nearly the treble).

Phil and Edna Tomlinson celebrate 70 years of marriage

It is with great pleasure that I submit this announcement on behalf of Phil and Edna as 70 years of marriage is a fantastic achievement. It is especially meaningful to me as they were married two days after I was born and since knowing Phil and Edna we have always shared a celebration drink.

Phil and Edna met through service in the RAF and WAAF and theirs was a war-time marriage on 5 July 1944,

initially involving separation on account of active service. Willingham has been their home for more than 42 years after living in Suffolk and Yorkshire. Phil retired in 1986 as Supervising Driving Test Examiner and has since enjoyed his dominoes and a pint.

Reading the article, which appeared in the *Cambridge News* on 5 July 2004 Edna was quoted as saying 'We've been very lucky – things have gone very well, and we have three sons and six grandchildren'. That now reads... 'and twelve great grandchildren', a new generation in the past 10 years.

A final thought from Phil: After 42 years in the village he is beginning to feel accepted as a local and is very appreciative of all the friends he has made and all the support he and Edna receive. Phil has pledged a generous donation to the Community Orchard and wishes to mark their 70th wedding anniversary by sponsoring a fruit tree.

Kerbside Collection

See page 8. The last collection was a great success and raised several hundred pounds that went to WAG in recognition of the excellent community work they do.

Long Lane Closure

We have been notified of the closure of parts of Long Lane to through traffic between 7 and 13 of August. We hope to be able to provide more details next month. Currently a search of the County Council's website provides no useful information.

Elections

We have a new County Councillor, Peter Hudson, and an old friend re-elected to the District Council, Pippa Corney, who has done much in the past to support Willingham. Most Parish Councillors were automatically re-elected. Appointment of officers took place at the June meeting and details are included in the list below. Not a lot of change but a big welcome to Steve Mellows as Lead Councillor for the Cemetery and to Joanne Vincent-Pilsworth who has rejoined the Council after previous service on it some years ago. Her experience will be of great value. There is still one vacancy for which you can be co-opted. It is not an onerous job and you can make a valuable contribution to your local community. It would be good to have more female and younger representation.

Police Update

We are fortunate in having on the Council a senior retired Police Officer who keeps the Council well informed. There have been problems recently including public order offences, burglaries, criminal damage and fly grazing of horses. Please do everything you can to keep yourself safe by locking windows and doors and reporting any suspicious incidents to the police on 101 or 0800 555 111. If you have an internet connection you can get regular updates on crimes in our area by signing up to Ecops at www.cambs.police.uk/ecops/. Another useful contact is our PCSO Kerrie Harding on 07736 086924.

Cemetery

The warm wet weather has encouraged the grass to grow and made it impossible to arrange for mowing only on dry days. Every effort is made by our contractor to keep the cemetery neat and tidy but in damp weather some grass cuttings do stick to the headstones. We are sorry, but ask parishioners to make any complaints they have to the Parish Council and not to the contractors who are simply doing the job asked of them.

Your current Parish Councillors and their contact details are:-

The next meeting of the Parish Council will be held on Wednesday 2 July in the Octagon at 7.30 pm. Members of the public are welcome to attend and speak briefly or ask questions. Names of those wishing to speak will be recorded at the beginning of each meeting together with their electoral roll number. To ensure everyone has a fair chance to speak there is a total allotted time of 15 minutes with a maximum of 3 minutes per person.

Gardening Tips For July

1. Spray roses with insecticide.
2. Feed shrubs, roses and other plants with liquid feed.
3. Newly-sown or repaired lawns should be kept watered.
4. If you have not yet sown your runner beans, peas and other outdoor veg, it is not too late.
5. Sow radishes and rocket and then again in 4 weeks for further supplies.
6. Plant lettuces and keep back seeds for repeat sowings throughout the summer.
7. Watch out for slugs and snails. Check out garden centres for deterrent products.
8. Dead-head annual flowers to ensure a succession of blooms.

'It's a Knockout'

Fundraiser for the QEII Playing Fields redevelopment Sunday, 13 July 11 am

The aim of the challenge is, of course, to raise money for the long overdue renovation of Willingham's playground, behind the Ploughman Hall as well as showcase the proposed final designs for the QEII Playing Field.

Already 15 local businesses and community groups have very generously agreed to field or sponsor teams. There is still room for more teams so if your group of friends, business or community group is interested in getting together for this fun event - with lots of silly games featuring giant balls, cones, wobbly men, inflatables, a foam pit, giant caterpillar tracks... We do have some sponsorship money available to support community teams too, so get in touch!

You don't have to be in the teams to enjoy this village event! It is a fantastic family day out with a BBQ, bar, ice cream, bouncy castle and craft, cakes and coffee and a chance to give your thoughts on the plans for Willingham's new playground.

Contact willinghamknockout@mail.com for more information about submitting or sponsoring a team or if you can help in any other way.

Catherine Atkins

Old Willingham

This photo could be a mother and her two sons outside one of the (then) three big barns in Willingham. The mother is in her VAD nurse's uniform, probably working in the old church hall hospital. The boy is in his full

boy-scout regalia which, considering the movement only started in 1907, makes him an early member. The cap badge of the soldier suggests he is from the Suffolk Yeomanry - as were several village men. We don't know who they are but it's possibly the Ellwood family and the soldier is James Ellwood aged 24. If so the story is a sad one as the following was listed in the news for August 1917: 'The parents of James Ellwood...have now received intimation that their son was killed in action on April 23rd last. Pte Ellwood joined the Suffolk Yeomanry on February 29th 1916 and after leave in December last, went out to France.'

Thank you!

As I'm sure most of you will have heard, our son Tristan was diagnosed in February 2014 with Non-Hodgkin's Lymphoma. Tristan has been free from treatment now for six months and we would like to take this opportunity to say thank you.

Firstly we would like to thank family, friends and the community for helping us raise a massive £8,583.31. This money has been divided between the following charities: Lymphoma Association, Cancer Research, Clic Sargent, Addenbrookes Hospital Ward C2 and the Play Team, Liam Fairhurst Foundation, Cyclists Fighting Cancer, Callum Pite Smile Charity, Brendan Oakes Trust and Lucy's Day's Out. We have been honoured to have personally handed over many of the cheques with only distance preventing us from the rest.

Secondly, we wish to thank a small group of people with very big hearts who, with the support of many people in our local community, decided to raise money to send us, as a family, on holiday. We have now put this money towards our holiday and very much look forward to our break later in the year.

Thirdly, thank you to Fran and Barry at *The Duke of Wellington* pub, for holding a charity evening and donating all proceeds directly to Lymphoma Association in recognition of Tristan's diagnosis.

Lastly, we thank each and every one of you who gave support, kind words and prayers.

Our journey is far from over and our future is still uncertain but we continue to feel blessed.

Love from

The Lenk Family x

WILLINGHAM POPPY COLLECTION

OUR POPPY COLLECTION NEEDS YOU!

REMEMBRANCE WOULD NOT BE THE SAME WITHOUT POPPIES AND WE NEED YOU TO HELP PLEASE...

For many years Mrs Few of Church Street organised the Royal British Legion Poppy Collection, and each year raised nearly £2000. Now she is no longer able and the Legion urgently needs someone to take it on.

The task is not onerous. It involves, in early November, distributing the poppies and collecting boxes to the various shops and local businesses. Secondly, arranging as far as possible, for volunteers to make a house to house collections around the village. Finally, of course, after Remembrance Day, collecting the boxes and counting the money. If a couple of friends took this on, it would be a pleasant, satisfying and worthwhile task for them. You will receive positive support at every stage.

With the wounded from Iraq and Afghanistan still needing constant help, the need to support the Royal British Legion has never been greater.

Come and join in with these special sessions for adults on the first Wednesday of each month from 2 to 3 30 pm. There are speakers, tea/coffee/biscuits and a chance to change books.

In June Graham Clare, Cambridgeshire Fire and Rescue Service champion, gave a really interesting talk on fire safety in the home. Everyone learned something new and he was a very entertaining speaker.

These talks are free but donations are welcomed towards refreshments.

Future Talks:

- **Wednesday, 2 July** – Tea Tasting with Sarah Ormiston. Come and learn about tea with a few cuppas to sample!
- **Wednesday, 6 August** – Summer Reads! An informal discussion about summer books – recommendations for new books and reminiscences about old ones

Tuesday Story Time for Under 5s

Upcoming Story Times will be on: Tuesdays 1 July and 15 July, 2 – 2 30. After the summer break we will begin again on Tuesday 16 September.

Story Times are on the first and third Tuesdays of the month during term-time. Parents/Carers must accompany children. Please support this fun and free activity.

Children's Summer Reading Challenge

Get ready for this year's challenge – the Mythical Maze!

The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at Willingham Library from 19 July onwards, read six books of your choice collecting stickers and activity sheets along the way – all free. All children who complete the challenge will be awarded a medal and a certificate at a special ceremony at the library on Tuesday 16 September after school.

Friends of Willingham Library

The Friends of Willingham Library AGM was held on 13 May. Sadly only committee members attended. The same Chairman, Secretary and Treasurer as for the previous year were elected unopposed. The committee's role is to keep a high profile of the Library in the village, and we are assured that when the future plans for libraries are considered, the existence of a Friends Group is a definite plus point. However, with just the same few active members it is unlikely to flourish. This may soon be put to the test. We have seen Willingham Library through one

closure crisis, but in the financial year 2015/16 once again the County Council needs to make large savings, some of which must come from the Library Service, and it is likely that Willingham's position as a small library will be very precarious.

Cryptic crossword solving

On a lighter note, the latest event organised by the Friends of Willingham Library was a session in May on solving cryptic crosswords for beginners, given by Library supervisor Wendy Law, who in her spare time compiles Quiptic on-line crosswords for the Guardian. Having gone through the different types of clues and how they are constructed, Wendy then gave the group a crossword to solve to put into practice their newly acquired skills, though her explanations of the answers were definitely needed. Still, at least some of us are determined to persevere ...

Letters to the Editor

Dear Editor,

It is so very sad that someone or some people decided to remove 'Vote UKIP' boards before the election in May. They were on private property, erected by the owners with their permission and thus such acts are really criminal offences. Thank goodness we live in a democratic society where we have proper elections and complete free choice within them. It is wrong that some people feel they can overturn this right. Unlike most other political parties we welcome anybody to our branch meetings, because plainly and simply we have nothing to hide.

Yours sincerely

Martin Hale, Branch Chairman - UKIP Cambridge & South East Cambs.

Dear Willingham News

Everyone was relieved to hear that the young lad who went missing last month, was found alive and well. However, as a resident on Balland Field, I'd like to praise the efforts of the police who knocked on every door on the estate and elsewhere in the village to trace him.

Pastoral Letter

The Commonwealth Games will take place in Glasgow from the 23 July until the 3 August and athletes from around the globe will compete to win medals, break records and do their personal best. To compete in their particular sport all athletes must go into strict training spending many hours, even years, in preparation for the main event. They have to be dedicated, focussed and self-disciplined if they are to be successful, always keeping their eye firmly fixed on the prize.

The ancient Olympic Games held in Olympia in Greece took place between 776 BC and 393 AD and included combat and chariot racing as well as foot races. The apostle Paul would have been aware of the discipline and training required to compete in the ancient games of his time and alludes to them in his letters. For example, in his first letter to the church in Corinth where the Isthmian games were held he writes, 'Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last forever' (1 Corinthians 9:25 NIV).

A perishable wreath was the prize for the ancient games competitors and Olympians. In contrast the participant in the Christian life can look forward to a crown of life that will last forever! In Paul's letter to the church in Philippi, he urges the Christian to 'press on towards the goal.' This is what he says, 'But one thing I do: Forgetting what is behind and straining towards what is ahead, I press on towards the goal to win the prize for which God has called me heavenwards in Christ Jesus' (Philippians 3:13-14 NIV).

If we are to live the Christian life and grow in our faith then we too must be dedicated and focussed as we try to keep our eyes firmly fixed on the prize that lies ahead. This life requires strict spiritual training too and we have the apparatus to help us accomplish this such as Bible study, prayer and Christian fellowship at our local churches who are always ready to warmly welcome you.

If you enjoy watching the games this summer and marvel at the dedication and skill of the athletes taking part why not think about your own life journey and the ultimate goal you are aiming for. We may never win a medal competing in Commonwealth or Olympic games but there is a much greater prize on offer to us all.

LOOKING BACK Trouble at The Duke

In recent years the village pub has become an endangered species. Despite campaigners raising objections and petitions, many have closed, been bulldozed and houses constructed on the site. However, **Looking Back** to 1974, the *Cambridge News* of 9 August reported that a petition had been organised by the regulars of the *The Duke of Wellington*, not against closure but against plans to make internal changes to the pub.

The article said that Greene King, the brewers, planned to knock down a dividing wall to make a single bar-room. The regulars organised a 200-signature protest and the licensee, Mr Frank Thornhill threatened to resign because of the brewer's proposals. He believed that the single room would end up either as a saloon or as a public bar and that would exclude customers favouring the alternative option.

For him it was not a question of class but how a customer

presented himself. Those with tarmac on their boots gravitated to the public bar while different types used the saloon. His antipathy to a single room had apparently won support from his customers including the pub's darts team, led by captain, Mr David Cattell. He said the change would stop people coming and spoil the atmosphere of a friendly pub.

Mr Nigel Watson of 7 Green Street was quoted as saying that the alterations had been instigated by the licensing authorities demanding for some time that internal toilets be provided. He had proposed an alternative plan but it had been turned down because of expense and some by-law.

The 200 signatures on the petition had been collected in only two weeks with sixty signing on the first night. Despite this the regulars were given a frosty reception from Greene King who refused to meet them. Greene King's managing director, Mr John Banham, said he was surprised at the fuss being made, saying, 'I didn't know 200 people used the pub'.

When asked about his refusal to meet with the regulars, he expressed concern that this would create a precedent and every time Greene King wanted to alter one of its pubs, they would have to meet the customers to debate the rights and wrongs of the situation.

Impington Village College 75-year celebrations

Impington Village College originally opened in 1939, within days of the declaration of WW11. Therefore the College will celebrate its 75th anniversary in September 2014. To mark this important milestone the College wishes to invite everyone who has had a connection with Impington over the years to join in with the celebrations. When the College opened, the catchment area was much wider than it is today including villages such as Waterbeach, Cottenham and Willingham.

Anniversary weekend: 13 – 14 September

The College is hosting an open weekend to celebrate the 75th Anniversary. On Saturday the event will run from 4 – 8 pm with the launch of an anniversary exhibition, films, activities speeches and refreshments. There will also be opportunities for former students, staff, governors and friends of the College to reconnect and share memories. On Sunday, the community day will run from 11 am – 4 pm, to include timetabled activities run by various clubs and societies, as well as workshops and activities for families to enjoy. Please save the date and extend the invitation to your friends. Full details will be forthcoming.

Impington Ale

If you enjoy a refreshing glass of craft ale then perhaps you can help us create our 'Anniversary Brew'. To help celebrate the 75th anniversary local micro-brewery Lord Conrad's is working with us to make a new ale called the i75. The plan is to create the new recipe in July, brew the ale in August, ready to share a drink in September. Bottles of i75 Ale will go on sale as part of the Impington 75 Festival from September onwards. Those with an interest in brewing can buy tickets to be part of the creation team, take part in the brew day or attend the launch and tasting event. Find out more at www.impington75.wordpress.com/i75-ale/

Get involved

If you have ideas to share or can spare some time to support the Impington 75 Anniversary please get in touch. During the anniversary weekend we will be looking for helpers as well for various events through the year. The College wishes to hear from clubs, organisations and societies who would like to share what they do with a wider audience.

PUT PATIENTS FIRST: BACK GENERAL PRACTICE CAMPAIGN Sign the Petition

GP surgeries sit at the heart of local communities. Despite carrying out 90% of all NHS patient contacts, general practice only receives 8.39% of the UK NHS budget. The share of NHS resources spent on general practice is falling year on year. By 2017 this is projected to plunge to just 7.29%. To protect high quality services for all patients a petition has been launched by the Royal College of General Practitioners and the National Association for Patient Participation. A copy is available at our reception desks in Willingham and Longstanton surgeries. We urge you to sign up if you agree. To read more visit the website www.putpatientsfirst.rcgp.org.uk

CAMTAD The next **Hearing Aid Clinic** will be at Willingham Surgery on **Wed 16 July** from 2 – 4, no appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

Shingles Vaccinations Have you received a letter from the surgery inviting you to come along for a vaccination to prevent shingles? The immune system weakens with age and so the chance of developing shingles increases as we get older. It is most common and tends to be more severe in people aged over 70 years. It can be a very painful and distressing condition, so don't forget to book your appointment with the nurse to get your protection.

Summer sun We are all hoping for good weather this year but if you are out and about in the summer sun do remember to use adequate sunscreen to prevent skin cancer. Ask our pharmacy staff for advice on the best products to use. Take particular care with children and make sure they wear a sun hat and drink plenty when out in the hot sun.

Heatwave Advice from Public Health Heatwaves can be dangerous, especially for the very young or very old or those with chronic disease. Advice on how to reduce the risk either for yourself or somebody you know can be obtained from NHS 111 or from your local chemist or visit the **NHS Choices** website www.nhs.uk/summerhealth The main points are:

Stay out of the sun. Keep your home as cool as possible – shading windows and shutting them during the day may help. Open them when it is cooler at night. Keep drinking fluids. If there's anybody you know, for example an older person living on their own, who might be at special risk, make sure they know what to do.

Acknowledgements We would like to extend our grateful thanks to the families and friends of Ernest West and June Poole for their generous donations to our Surgery Equipment Fund in memory of their loved ones who passed away recently.

WILLINGHAM WOLVES U10s

Played Hemingford Juniors on 17 May at Soham Town Rangers for the CAMBS FA Knock-Out Cup Final.

We were down 1-0 within 10 minutes of the first half. However, with 8 minutes to go, Harry Hall (Captain) equalised with a header. Then in the final minute and with extra time looming, Archie Munns delivered a cross from the left which was superbly finished by Tom Newman! All 14 boys played their part in the game and Tom Newman picked up the Man of Match award.

Special thanks to Boddington Driving Tuition for all their support this season. Huge thanks also to Willingham Social Club for their efforts with the after-match celebrations.

WI News

At our May meeting, Val McKee gave a fascinating talk about her Voluntary Service Overseas – a year teaching in Ethiopia. Her 'warts and all' account gave a real picture of the country and illustrated the necessity of slowing down from the western way of living. Having no clocks or calendars give time little meaning and no letterboxes make a secondary school exercise such as 'How to write a letter' conducted in English very difficult to follow! Old text books being used were full of English colloquialisms which moved Val to write a dictionary for the children explaining what they meant and this continued to be used after she left. An interesting subject with a very entertaining speaker.
