September

A September song is in my head
And so before I go to bed
I'll look out at the evening sky
And watch the silent birds go by

As off they fly to a distant shore
All gathering together once more,
Safe journey is my September refrain
Until they all come home again.

Old Willingham

For many years people drew their water from the village pump on the Green. But in 1912 the Willingham Water and General Supply Company was established with money from wealthy local families. This huge water tower, built on Station Road, was filled by water pumped twice a day from a well below. There is still a row of terraced houses opposite the farm shop sometimes called 'Tower Cottages' and the

tower was located behind this. Initially, the water was delivered to stand pipes in the street and only later plumbed into houses. At 60 feet the tower's tank provided good pressure locally but eventually, as the number of people using the water increased and the original pipes corroded, the pressure could be very low on the far side of the village. As the supply system became modernised through electrical pumping, the tower was no longer needed and was demolished in the 1950s. Reputedly, the bricks were taken away by a farmer from Bluntisham to build a bungalow, load by load behind his tractor.

Willingham Feast

The Feast weekend falls on 10 and 11 October this year although Feast events will run over a three week period around that weekend. Most activities will be in the few days leading up to Feast Sunday, 11 October.

We plan to hold most of the usual events including the Feast Market on 10 October; on that day there will also be a driveway sale, a treasure hunt, a photography display (also on Sunday), a quiz night while watching the England rugby match and a Soul and Motown disco night. On Feast Sunday there will be a walk/cycle ride to Holywell, a Guides Bushcraft session, the Salvation Army band on the Green and the joint Church service in the evening.

In addition there will be the Senior Citizen's afternoon tea party (this year based around VE Day celebrations), a curry and quiz night, some live music with 'Up and Atom' (17 October), a children's activity and the very popular Custard Comedy evening (16 October) and, of course, the funfair. We are still hoping to add to this list!

The Feast programme will be delivered to every home in Willingham in the middle of September, it will include full details of times, venues, ticket sales and pricing. October's *Willingham News* will also include Feast information.

Willingham Action Group

Children's Front Page Competition

Once again we would like the children to design the front page of the December issue. Entries are invited from children aged between 7 and 11 years old, entries should be submitted on A4 paper, not be computer generated; it's more effective if the page is filled with colour and without too much white space. Remember to put your name, age and contact details on the reverse side.

Imagine, if your entry is the winning picture it will be on the front page of nearly 2000 magazines and will go to every household in the village!

Christmas may be over two months away but you need to hand your entry into the school office or at the library.

Closing date is Monday 2 November.

Willingham WI invites you to a Group Meeting on **Wednesday 7 October** at 7 30 pm in the Social Club. The speaker will be Christine Adams and the subject is

'Miss Savage Moves Her House'

'May Savage's house in Ware was going to be demolished to make way for a bypass. However Miss Savage had other ideas!

She had every nail, brick and beam of her medieval hall house dismantled and carted over 100 miles to Norfolk. In Wells-Next-the-Sea, May Savage set about single-handedly rebuilding her house from scratch. She was almost sixty years old, and it would take her till the end of her life.'

Christine Adams inherited the house and using May's letters and diaries she tells the story of this remarkable lady.

Brownies Travel the World at Willingham School

On Sunday 5 July the Primary School was the venue for a Girl Guiding event for Brownies from all over the county titled 'Brownie Airport Day'. This is a regular event held within the county at different venues. It involves Brownies (girls aged 7-10 years) experiencing different cultures and activities. On arrival they checked in with their lunch boxes as luggage. Once they had received their boarding passes they continued on to passport control to receive their passports and get them stamped. They boarded the 'plane' inside the school hall and found their seats. After the usual safety demonstrations the girls took a short flight before disembarking to take part in various activities in different countries. They learnt about jewellery in Africa and made some beads from elder branches, in Switzerland they learnt about travelling opportunities within Guiding and then crossed over to Italy to make a Venetian mask. They made Mexican God's Eyes and Indian sweets and decorated Swedish biscuits. They also learnt the Dutch Shoe Game and then reboarded the plane to sing some Australian songs on the way home. By the end of the day they had earned three badges – World Guiding, World Cultures and the County Airport Day badge.

Unfortunately, although the event was held in Willingham, there were no girls from the village in attendance as there is not currently a Brownie Unit in Willingham. This is due to a lack of leaders. **If you are interested in helping to restart Brownies in Willingham, please contact the Guide leaders on willinghamguides@hotmail.co.uk.**

Advent Adventure 2015

Willingham Youth Centre

Space for you

What?

The Willingham Youth Club meets during term time every Monday from 6 30 – 8 pm (ages 11–13) and Wednesdays from 6 30 – 8 30 pm (ages 11–16). (Note change to Monday nights from Thursdays.)

Why?

The aim of the Youth Club is to give the young people of Willingham a space to meet friends, socialise and engage in activities away from home, ranging from arts and crafts, computer games, board games, music to outdoor sports and cookery. The Club is yours and you have a full say in all the activities that are on offer; if there is something that you are keen to do, just make the suggestion. There is also a tuck shop during club nights which is staffed by Youth Club members, giving experience of cash handling and business management. Now and then there is the opportunity for some of the young people to take on volunteer roles at community events, raising further funds for the Youth Club activities.

Where?

The new Willingham Youth Centre, opened in January this year, is attached to Ploughman Hall. It is a two-storey dedicated space with a fully fitted kitchen, relaxation areas and a wide range of equipment. The space is also available for regular hire by groups and for children's parties (we have a full set of kiddy-sized tables and chairs that may be used for this purpose).

How?

Just turn up on the night. We are a friendly and informal group and would love to meet you. The Youth Club sessions restart after the summer holidays on **Monday 7 September**.

Members joining for the first time are required to complete a parental consent form. The cost per session is £1 per person.

Who?

The Youth Club is open to all secondary school students aged from 11 – 16 years. It is staffed by appropriately trained adults who have all been DBS checked. Members have the freedom to come and go as they please but are always supervised when in the Youth Club building.

Dates:

7 September

LOOKING AHEAD TO CHRISTMAS !

The children may only just be returning to school after the summer holidays but some of you might already be thinking about the Christmas holiday and planning where you will be and with which relatives. You might be one of those very organised people who will soon be doing their Christmas shopping in order to avoid the last minute rush.

The December issue of *Willingham News* will include the Christmas Greetings page and we also have to plan ahead. If you would like to save yourselves some time and effort why not send in your greetings to us and we will publish them in a small box for you. You will need to get your greetings to us by **8 November**. Send them as an attachment to our email address willinghamnews@btinternet.com or leave them at the library. It only costs £8. Make your cheques payable to *Willingham News* and either leave these at the library or post through 54 High Street.

WILLINGHAM NEWS WINS ANOTHER AWARD

Once again we entered the Cambridge Building Society Community Magazine Competition. The Awards Ceremony was held at the Cambridge Rugby Club last month. There were entries from over 45 magazines and we are very proud to have won the silver award in the High Frequency (10 to 12 issues per year) category. This follows our success last year when we won a Best Photo Award and previously an award for most improved magazine and also Gold Award for Best High Frequency Magazine.

This entitles us to feature this logo on the front page.

Remember it is your magazine and we rely on you to keep sending in your contributions and photos. Do you have any unusual holiday stories or experiences which would make interesting reading? If you have any ideas regarding original content to be included in future magazines, we would love to hear from you. Don't be shy!

WILLINGHAM GARDENING CLUB

Meetings are held at the Social Club on the first Monday of each month (except January and August) and start at 7 30 pm until around 9 pm. There is also plant raffle.

New members are always welcome. The annual subscription is a modest £14 but you can attend one meeting for £2 to see what we do.

Call Celia on 01954 261394 or just turn up to a meeting.

Next Meeting: Monday 7 September 7 30 pm. The speaker will be Barry Kaufman-Wright on *Wild Flowers*.

Outings for the remainder of the year

All outings leave the Green at 8 30 am and return by about 6 pm. Ring Celia on 01954 261394 or Keith on 01954 261885 to book your seat.

- **12 September** to Stamford and to Easton Walled Gardens in Lincolnshire: a delightful town and an exclusive garden visit to follow. The cost will be £25 per person payable on the day but pre-book your seat.
- **11 November** Christmas shopping and sightseeing trip to the historic city of Lincoln. There are plenty of the usual large and small high street shops and many historic buildings in the cathedral quarter, so something for everyone. Cost is £20 per person payable on the day but again pre-book your seat. There are only a few seats remaining on both these trips so early booking is advised.

Outings are open to everyone so we look forward to welcoming you.

REMINDER OF VILLAGE HORTICULTURAL AND CRAFT SHOW

This will be held on **Saturday 5 September** at the Primary School. The Show is open for public viewing from 1 30 pm.

This is a village event run by the Club with the assistance of our partners the local WI and Willingham Action Group. We welcome entries from everyone but particularly local people including children; without you there wouldn't be a show. The Show schedules and entry forms, with details of the various adult and junior classes and how to enter are now available from many local shops and businesses, the library and hairdressers.

All proceeds, after necessary expenses, are donated to a local cancer research charity. We regularly give about £700 to this charity.

Willingham Guides Go Wild in the Woods

In June three Willingham Guides and two of their leaders joined over 30 other Guides at a regional survival camp in Newmarket. After a normal night at camp the girls awoke the next day to be told that a tsunami had hit the North Sea and our camp, being on high ground, was one of the few places not under flood water. The only food was what we had brought with us and the water supply was contaminated.

Over the weekend the girls were taught the skills to survive. On the first day they learnt four different ways to light fires without using matches and how to use saws

and knives as they had to work in patrols to cook all their own meals on open wood fires. They were also taught a number of ways to purify water to make it safe for drinking and simple first aid should an accident happen. Using their newly learnt knife skills they made whistles out of lime tree sticks to be able to call to each other.

Then, during the day, they were told that acid rain had destroyed all the tents. So before they could go to bed that night they had to build shelters and they strung up hammocks in the woods where they, and the leaders, spent the night.

The next day they followed trails using compasses, geocaching and orienteering which lead them via an

archery range. At the archery they had to shoot at targets to gain food for their lunch. The girls then baked their own bread (bannocks) to have with their burgers, all done on open wood fires.

All too soon we were told that we had been rescued and that it was time to go home but not before the Guides had completed their Outdoor Cooks badge and their Survival badges.

Willingham Guides is open to all girls aged 10-14 years old. For more information contact willinghamguides@hotmail.co.uk.

There's nothing quite like a good cup of tea ...

**Especially if it raises money for
a really good cause!**

That's why we're inviting you to host a 'Tea for RNIB party' this summer. Join hundreds of people across the UK raising money to support blind and partially sighted people.

Call 0845 345 0054 and we'll send you everything you need to get your party started. You just need to invite your friends to your house, garden, street or anywhere else you fancy.

There's a serious side to the party. Did you know that in the next 15 minutes, someone in the UK will be told: 'You are losing your sight'? But right now, we can only reach one in three of the people who need our help the most. Your support can help more blind and partially sighted people to face the future with confidence.

You could support us by:

- Asking guests to donate for a slice of cake and a cup of tea
- Selling raffle tickets for donated prizes
- Asking for donations to guess the number of sweets in a jar
- Selling home crafts or yummy delights

Remember, it's easy and fun to run a 'Tea for RNIB party'. There's loads more ideas in our free party pack, just call 0845 345 0054 or visit www.rnib.org.uk/tea-rnib to order yours today. We'll also then be able to put you in touch with Hayley, your local fundraiser who will be able to answer all your questions and help in any way she can.

PASTORAL LETTER

It is with much excitement that I await the start of the Rugby World Cup at the end of the month. I'm expecting lots of close matches, some great tries and a magnificent England victory at the end. However, it would be surprising if this final expectation isn't shared with everyone so I expect plenty of banter along the way, which is part of the fun.

Sport can be a mirror of life, with positive images like a great victory, an electrifying match, physical excellence, the unexpected star that emerges; but there are negative images too, like losing a match, injury, cheating, arguments. We can question much about life as we observe the drama of a sporting moment.

One of the things about rugby that I like is that it is a true team sport with different roles for players of all sorts of shapes, sizes and expertise. Whether it is the strong solid person in the front row of the scrum, the amazingly tall but athletic person in the line out, the quick thinking scrum half or the speedy sprinters on the wing, each one has a part to play. Without any one of the roles the team loses effectiveness as can be seen when a player gets sent off and the power balance of the game changes.

A team working effectively can be described as a body with each player representing a different part of it. The team needs each player and fails if one is missing, not playing their part or even trying to play somebody else's part. Can you imagine the effect on your body if your foot decided it was a hand? Or if an arm went missing? This description is used for the church, for the apostle Paul describes the church as a body, with each person representing a different part. Each one dependent on the others and each one of value. We are all different with different skills, different experience, different lives. But as we put that variety together to show God's love to the world we are massively effective and can transform the world we live in. You each have much value and a unique contribution to make to the world we live in.

If you think about it, this says that whoever you are, whatever you are like there is a place for you within the Christian church. Jesus didn't come that we may all be the same. He wasn't looking for identical people, he came to bring life in all its abundance. That's why I love the church, there is such a variety of people with a common purpose. And each person has great value.

Enjoy the Rugby World Cup and when there isn't a match on, maybe it is worth spending time considering how God can use you. You are unique and have a valuable part to play in making this world a better place.

Grace and peace,

Rev Paul Joel

Hempsals Community Farm Open Day

Saturday 5 September 2 – 5 pm

Hempsals Community Farm is a community growing scheme where committed members bring together a variety of skills and ideas to share in both the risks and benefits of the harvest. We have 5 acres of farmland that we use for growing fruit and vegetables and keeping pigs, goats, sheep, turkeys, geese, chickens, ducks and bees. Our members receive fresh food from a known source, benefit from fewer 'food miles', less packaging and ecologically sensitive farming with improved animal welfare and are able to participate in all aspects of food production without having to take on sole responsibility for such a wide range of produce. Surplus produce such as pork, christmas geese and turkeys and honey, is also sold to 'Friends of the Farm'.

On 5 September we will be holding our annual Open Day. This is a great opportunity for anyone interested in getting involved with small holder farming, to have a look round the farm and chat to the members about what's involved. We have a wide range of members from complete novices to others who have some farming/gardening experience but all bring enthusiasm and a 'can do attitude' which has meant we have done everything from growing vegetables and milking goats to building a club house!

Willingham Community Pulls Together

Willingham community has pulled together to help fund the largest single village playground development in the region. At a time when spending cuts dominate the headlines, Willingham bucks the trend with phase one of the £150,000 new playground project completed and officially opened on 12 July.

The opening event was well attended by villagers of all ages and the comments about the new playground have been overwhelmingly positive. It is fabulous to see the playground being so well used, with groups of parents and children now heading there on a daily basis. Comments from the Facebook page www.facebook.com/QEIIfield include 'So much better than it used to be', 'Now I can't get my kids away from it' and 'Thanks for new playground, we love it'.

The project was led by 5 local mums from the Willingham Action Group (WAG) together with the Parish Council Chairman, Andrew Cook, and Lead Councillor for Leisure and Amenities Jamie Smith, along with Councillor Ray Croucher.

In an area where funding has previously been known to be scarce, the group worked tirelessly to secure local development funds, and called upon generous local businesses/contributors to ensure the project, initially planned as far back as 2009, could be realised.

The project team succeeded in securing significant investment from both the AmeyCespa and WREN community funds, to match against the Council's Section 106 funds.

But WAG and the Parish Council have done more than just applied for various streams of independent external funding, they've also turned to the local people themselves, with sponsorship coming from a number of nearby companies. We would like to thank all our sponsors, listed on the right, without their input the project would not have been possible.

The final phase of the QEII vision is yet to be completed to create an area for over 13s. However, WAG and Parish Council are hopeful of securing further funding to make this happen.

Street Lighting

Cambridgeshire County Council is planning to change the operational times for most of the street lights it owns and operates within the village. Central government funding reductions require financial savings in its annual lighting bill. It is proposing that from 1 April 2016 many street lights on residential roads and footpaths, which are not located on our main traffic routes, will be switched off between midnight and 6 am. In addition all the remaining village street lights, wherever located, will be dimmed from the evening until 6 am. The Parish Council has also been invited to contribute to the costs of street lighting. Church Street has 15 lights and it is proposed that two will remain dimmed throughout the night whilst the remaining 13 will be used for only part of the night. The Parish Council, whilst recognising the need to make savings, would like to understand the logic behind choosing which lamps are to be switched off and which are to be dimmed. If you want to know the impact of this proposal on your street then please check out: www.cambridgeshire.gov.uk/streetlighting. The consultation period ends on the 30 September. If you make any comments on the County Council website please also let the Parish Clerk know your views.

Controlling Traffic

The Parish Council originally proposed the extension of the current 30 mph speed limit along Station Road as part of the 2014-2015 Local Highway Improvement Scheme. There now appears to be a reluctant acceptance by the County Council that, subject to receiving positive comment from the police, the current limit could be extended to Westfield. The Parish Council hope this will be implemented during the Autumn. The 2015-2016 competition for Local Highway Improvements is about to commence and the Parish Council will be considering further low cost traffic control options for the village.

The Annual Audit

The Parish Council has received the results of its annual audit. These were overwhelmingly positive in giving the Parish Council's financial and administrative procedures a 'clean bill of health'. Some very minor adjustments were recommended which have been adopted by the Council.

Looking Forward

The October Feast Week will soon be here! Look out for the programme! The Parish Council is already receiving booking requests for Ploughman Hall so if you represent a village group and want to book the Hall please do so as soon as possible to avoid disappointment.

Before then there is the Medal Presentation on **15 September** for the Library's Summer Reading Challenge. The Parish Council looks forward to taking part in this.

Willingham Glebe Land

The Parish Council has been approached by Ely Diocese concerning the development of its glebe land in the village. This site is possibly the last in the village which might allow a substantial number of dwellings, possibly 50, to be built. Representatives of the Diocese planned, at short notice, a public consultation meeting at the Ploughman Hall in the evening of the 19 August. Unfortunately this was too late to be published in last month's *Willingham News*.

Parish Office Disruption

Activity in the Parish Office has been disrupted by some flooding. Whilst the cause of the flooding is identified and damage made good there may be some disruption to the Office's activity for the next few weeks. It's good to be insured!
