# Willingham Primary School Friends Reunited

Over Day Centre has reunited three old friends after many years apart. John, Ken and Paul first met at the Primary School during the 1930s.

'We were in the same class of 30 children', John commented with a smile. Paul has been coming to the Centre since April 2014 and this year, managed to persuade 94 year old Ken to join him. Having moved away from Willingham, John's reunion with his classmates has come as a total (and very happy) surprise. The three now meet at Over Day Centre twice a week for a chat, social activities, lunch and afternoon tea. Long may their friendship continue!

## Willingham Photography Club

We meet every month in the Baptist Church. We aim to learn more about photography and to enjoy ourselves!

The next meeting will be on  
**Monday 19 February, 8 – 10 pm**

The assignment for the meeting is *Love*, followed by a talk on *The Magic Three*, by Mr Francis Pullen.

Technical questions and answers will be invited and tea and coffee served.

The programme is subject to change so please visit our website, details below, for the most up-to-date information and to see examples of our members' work.

We cordially invite anyone who enjoys photography to come along and see what is on offer. Your expertise level does not matter; nor does the nature of your camera.

The membership cost is £20 for 6 months. First month is free.

If you have any further questions, please contact:  
Christopher Cross 01954 260790

*In the meantime, do have a look at our website on*  
[www.WillinghamPhotoClub.org.uk](http://www.WillinghamPhotoClub.org.uk)

Over Day Centre was established as a charity in 1989 to provide social care, friendship and recreation for older people living rurally. Clients from 15 villages presently attend the Centre, with the majority living in Over and Willingham, but with some from further afield such as Girton and Milton.

If you would like to join the Day Centre, please contact Senior Carer, Andrew Baker by email [office@overdaycentre.co.uk](mailto:office@overdaycentre.co.uk) or by phone 01954 231807.

We offer a FREE taster session day including a two course lunch!

## Old Willingham

There were once many pubs in Willingham and the Milkmaid Tavern was one of the last to close in 1999. This picture is taken from the end of Silver Street and, based on the cars, was probably taken in 1990s. A feature of the pub in its latter days was the Milkmaid Folk Club which ran folk music evenings to a high standard with well-known artists. The folk club was so successful that Terry Walden, the last pub landlord, continued it after the pub closed and it still exists today (although no longer in Willingham), details at [www.milkmaidmusic.co.uk](http://www.milkmaidmusic.co.uk).

More photos can be seen at [www.oldwillingham.com](http://www.oldwillingham.com) and if you have stories or memories about this picture, please contact Jon Edney, 31 High Street or [oldwill@oldwillingham.com](mailto:oldwill@oldwillingham.com).

# Community Orchard

The fruit trees are now well established, 120 in all, with 114 on the grid as illustrated on the Orchard Board. Trees with more vigorous root stocks are making appreciable growth, although some trees have yet to bear fruit. The original spiral guards have now been replaced with expandable mesh guards. We are grateful to Edward Gilbert who continues to cut the grass on a volunteer basis.

Bulb planting has been repeated for a second year with a great mixture of bulbs, see the Flora section for details. Those planted last winter, along with the wild flowers, gave a good seasonal display, appreciated by those who are regular visitors to the Orchard.

The woodland area is beginning to look like a woodland, with excellent autumn colours on display this winter and providing good cover for children to play hide and seek. The 25 native species planted are listed on the Woodland Board. The two picnic benches located in a circular area on the edge of the wood make a great place to sit. The basket willow patch has been slow to establish but we look forward to the first woven item being produced.

The Bee Group has been successful in their management of the hives. The group reported an eventful year with both highs and lows. An early honey harvest yielded 109 jars for sale, netting around £250 for reinvestment in the apiary. There is a growing membership of the group, now standing at eight, with varying levels of experience. Steve Smith passed his Basic Assessment with credit during the summer. In July, two Queens were lost from two of the three hives. These were quickly replaced, but with only one Queen surviving, two hives had to be combined at the end of the summer. The Queen problems, together with three weeks of poor weather in August, meant that the group did not extract any honey in late August, instead leaving the honey for consumption by the bees. Their winter store production was boosted by the warmer weather in September and early October and the group look forward to good honey production and sales in 2018.

Melvyn and Brenda Smith, WAG volunteers with an interest in wildlife, make regular visits to the Orchard and contribute to *Willingham News*. They have summarised the flora and fauna encountered there:

**Flora:** Wild English Daffodils, English Bluebells, Snake's Head Fritillaries, Wild and Woodland Garlic, Round-headed Garlic, Wild and Woodland Tulips, Primroses, Cowslips, Marshmallow, Lady's Bedstraw, Creeping Bindweed, Black Knapweed, Field Scabious and Meadow Cranesbill plus several grass varieties. And of course, all our planted native trees and bushes.

**Fauna:** Various species of Grasshoppers, Beetles and Flies. Two species of Damselfly and Ruddy Darter Dragonflies. Many Butterfly species including Small Copper, Meadow Brown, Gatekeeper, Small Tortoiseshell, Common Blue, Large White and Small Skipper plus Silvery Moth and some unidentified day-flying moths.

**Birds:** Barn Owl, Rook, Crow, Jackdaw, Magpie, Bullfinch, Starling, Robin, Wren, Dunnock, Blackbird, Blue and Great Tit and of course, Woodpigeon.

Melvyn and Brenda try to visit the Orchard at least twice each month but cannot hope to find, or see, all the species that are likely to visit or establish. Undoubtedly, more species will be found, particularly as the Orchard matures and it would be great if more villagers visited, to

add to our knowledge of this wonderful village asset. Why not take your children, not only to play (which is important!) but also to discover and learn? They'll love it! Do let us know what you find.

Photos of the Orchard can be viewed at [www.julespix.smugmug.com](http://www.julespix.smugmug.com). Go to Galleries and then Willingham Community Orchard. Feel free to submit your own photos for inclusion by sending to [julian\\_eales@hotmail.com](mailto:julian_eales@hotmail.com).

The Community Orchard, as the name suggests, is open to all. It was established in response to the Parish Plan Action Plan, by providing more useable open space and Willingham Action Group (WAG) encourages residents to visit. Notice boards provide the background to its establishment, as well as a guide to what trees are planted. The Orchard is maintained by WAG Enviro Group volunteers so if you wish to have more information, wish to get involved or you have an interest in bee-keeping please contact WAG via the new [www.willinghamlife.org](http://www.willinghamlife.org) website. Alternatively e-mail [graham@gwmumby.co.uk](mailto:graham@gwmumby.co.uk).

# From the Parish Council

[www.willingham-pc.org.uk](http://www.willingham-pc.org.uk)

The beginning of the year is an appropriate opportunity for a look back at the achievements of 2017 as well as looking forward to what 2018 may bring.

## Willingham and Over Boundary

After several delays and postponements, South Cambridgeshire District Council's Civic Affairs Committee has recently recommended a change in the Willingham-Over boundary so that Highgate Business Park will officially be in Willingham. At the time of writing, the final decision based on this recommendation has yet to be made by the District Council, but is due by the end of January.

## QEII Field Entrance

The disabled access to the Ploughman Hall and QEII Playing field has often become waterlogged and muddy during periods of heavy rain. With the aid of a grant from South Cambridgeshire District Council's Community Chest, the path has been re-laid with improved drainage. We are pleased to say that, even after the recent very heavy rain, the access way is now much improved.

## Second Defibrillator

A second public defibrillator has been purchased and is currently awaiting installation at the library. This, along with the original defibrillator situated at the Pavilion on West Fen Road, will be a vital and reassuring asset for parishioners although of course, we would always hope they are never needed.

## New Website

The Council has been working on a new, modern and more user-friendly website. After a longer design period than hoped (we first announced this as 'coming soon' in May 2016), it has now been up and running for a few months. Here you will find details of your councillors, agendas and minutes of meetings, local news items and information. Contact links are also listed, giving details of how to report any issues that may arise for parishioners.

## Highways Issues

Whether it be parking, congestion or speeding, many residents have expressed concerns about Highways issues over the last twelve months. The Council share many of these concerns and continue to liaise with County Council Highways and our County Councillor regarding them. In addition to making written and verbal representations to the relevant authorities, the Council has also undertaken some initiatives directly.

Some environmental testing has been carried out along the High Street with the placement of nitrous oxide monitors. The initial readings showed moderately high levels but more importantly, have established a baseline, so that we will in future have objective evidence of any increases in pollution. We have budgeted to

continue this testing in 2018 to monitor levels in the village.

Towards the end of 2017, a short trial was carried out using an interactive speed sign on Earith Road. We are currently awaiting the results of the trial and will report on these later.

## Parish Council Elections

The four-year term of all serving Councillors will come to an end this year. Existing Councillors are required to step down and, if they wish to, re-stand for appointment or election at the Parish Council elections in May. The elections are due to be held on **3 May** along with District Council elections. If you are interested in becoming a Parish Councillor, or would like further information, please contact the Parish Clerk.

## Life in the Old West

The Council has been in discussion with Cambridgeshire ACRE (Action with Communities in Rural England), regarding their 'Life in the Old West' project. The Project has just received initial Lottery funding and aims to improve public understanding of the vulnerable biodiversity in the landscape around the Cambridgeshire Fens' Old West River, whilst developing demonstration sites to showcase new ways of working on the area's community green spaces and ditch network. The project aims to run for around four years and it is hoped that over the next two years, some of the green spaces in the parish may benefit from being included in the project. More information about Cambridgeshire ACRE and their project can be found at: [www.newlifeontheoldwest.wordpress.com](http://www.newlifeontheoldwest.wordpress.com).

Meeting dates are published on the website, the notice board outside the Public Hall in the High Street, at the library and are listed below. Members of the public are welcome to attend and speak briefly or ask questions. Names will be taken down at the beginning of each meeting, together with the electoral register number to ensure everyone has a fair chance to speak within the allowed time (15 minutes in total for all speakers and 3 minutes maximum per person).

Meeting Dates: **7 February** and **7 March**. The meetings are held in the Octagon and start at 7 30 pm.

The Parish Council office is open Monday to Thursday from 10 am to 1 pm, except Bank Holidays and there is an answer-phone service outside office hours.

The contact details are: Parish Council Office, Ploughman Hall, West Fen Road, Willingham CB24 5LP.

# Willingham Social Club

Welcome to our new steward, Lynne Sadler! Please pop in to say hello.

You may have heard that Mick, our former steward, had to leave suddenly. We would like to thank him for his dedication to the Club and wish him well in the future. During this unstable time, some of the committee members stepped in to cover bar shifts. We would like to say a very big thank you to them, not only for ensuring the Club remained open during the Christmas period, but also because they all decided to make a donation of £200 to the disabled toilet fund, in lieu of the combined wages they would have received.

## Events

**Saturday 17 February, 8 pm, Eton Rivals**

Making their first appearance at the Club, Eton Rivals are a live tribute band playing the music of the classic 2 Tone, Mod Revival, Punk and New Wave years, with a dash of Mod Classics too! The band faithfully reproduces the sounds of The Specials, The Who, The Beat, Madness, The Sex Pistols, The Undertones, The Jam and much more. The band is made up of four highly experienced musicians, brought together by a love of quality music, from a time when being on *Top of the Pops* or *The Old Grey Whistle Test* meant something. Some of our committee members saw them playing to a packed pub and came back knowing that we had to book them for the Club!

Tickets £5 on the door or from the Club.

## Charity Lunch

The February Charity Lunch supporting Over Day Centre will be on **17 February** at 1 pm at 8A Green Street by Beryl Day.

The lunch consists of soup with bread and cheese. A donation of £5 is suggested. All welcome. There will be no lunch in March.

He has won many awards and plaudits: 'Birdman is the all-round package: witty, controversial, hip, topical and silly. A master of timing and physical comedy, he made me laugh so hard it hurt', *BBC*.

**Abi Roberts** is a regular on the stand-up comedy scene and has performed at major venues. 'Raucous and incredibly funny', *The Daily Telegraph*.

**Josh Pugh** is very funny and does well in competitions with his confident, clever writing and funny voice! Steve Bennett, of [www.chortle.co.uk](http://www.chortle.co.uk), calls him a 'promising voice' who 'finds laughs in unusual places' whilst *The Londonist* says he's 'pleasingly off the beaten track'. Josh has a unique, interesting style and a very exciting future.

**MC Ben van der Veide** is a stand-up comedian, actor, improviser and presenter.

Tickets from [www.wegotickets.com/event/421670](http://www.wegotickets.com/event/421670) or from the Club, £10 each.

## PASTORAL LETTER

Well that's the end of January 2018; so the question has to be asked – How are we all doing with those New Year Resolutions?

The Diet – Going To Plan?

The New Exercise Regime – are we seeing the difference? What about that Work Life Balance?

If we are serious about changing our lives, a well-known leadership expert offers this advice:

'Don't just change enough to get away from your problems – change enough to solve them.

Don't just change your circumstances to improve your life – change yourself to improve your circumstances.

Don't do the same old things expecting different results – get different results by doing something new.

Don't see change as something hard that must be done – see it as something helpful that can be done.

Don't avoid paying the immediate price tag of change – if you do, you'll pay the ultimate price of never improving.'

The Bible says, 'When your endurance is fully developed, you will be perfect and complete, needing nothing.' *James 1:4 NLT*.

Life Changes and Character Building are slow processes; don't expect it to be easy. When you try to escape life's difficulties you short-circuit the process, delay your growth and end up with a worse kind of pain – the useless kind that accompanies denial and avoidance.

A letter was once returned to the Post Office and handwritten on the envelope, were these words: 'He's dead.' Due to an oversight, the letter was sent again to the same address. This time it was returned with a note that said: 'He's still dead'!

Let's be honest, most of us don't like change; we do everything in our power to avoid it. We want improvement but we don't want to pay the price that goes with it. And that's a problem, because you'll never become what God intends you to be by remaining what you are.

So as we all continue to embark on the Life Journey of 2018, with our own wishes and wants, let's just pause and reflect: It's not enough to want change and be open to it, you must pursue it!

So Trust Him! Trust In Jesus, the one who knows about the changes that are required in each one of our lives.

**Driving with Care:** We have recently received complaints about dangerous and inconsiderate driving on the surgery road and in the car park. We would like to remind patients that the road leading to the surgery, and particularly the junction with Long Lane, can be extremely busy with small children on the school run during peak times. Please drive slowly and carefully when entering and leaving the surgery road, and take particular care during busy periods. If you witness anything dangerous, please report the registration number of the vehicle concerned to the Practice Manager.

**Lucky Squares Total:** Thanks again to all who purchased our Lucky Squares and congratulations to those who won prizes. We managed to raise £358 for Magpas this year, exceeding last year's total.

**X-rays and Test Results:** We would like to remind patients that you need to contact the surgery in order to find out any test results, including blood and urine tests, X-rays and Ultrasounds. Unfortunately, we do not have the capacity to contact patients with their results, even if there is an abnormality. Please contact our receptionists after 11 am for your results, and they can pass on any comments and advice from the GP.

**Keeping warm and well this winter:** Every winter there are about 25,000 extra deaths caused by cold weather and around 240 of these are in Cambridgeshire alone. Winter conditions are associated with an increase in injuries and illnesses such as heart attacks, strokes and pneumonia. It can be particularly harmful to older people, under 5s or those with a long term health condition such as heart, lung and kidney problems. Keeping warm is an important way to stay well during the winter months.

Top advice to keep warm and well this winter:

- Keep warm and healthy by keeping rooms heated to at least 18°C.
- Don't put off getting the flu vaccination. If you are eligible, get it now. It's free because you need it.
- Look out for friends, relatives and neighbours who may be vulnerable to the cold.
- Stay tuned to the weather forecast and plan ahead with supplies.
- If you meet the criteria, register for priority service with your energy and water suppliers.
- Have regular hot meals and drinks throughout the day and keep active to help you stay warm.
- Get financial support to make your home more energy-efficient, improve your heating or help with bills.
- Have your heating and cooking appliances checked regularly.
- Wear a few layers of thin clothing rather than one thick layer and, when you need to go outside, wear shoes with slip resistant, good grip soles.

### Making a Bird Cake

A bird cake is made up of fat, bird seed, peanuts, raisins and other things. It gives the birds much needed energy and helps them to keep warm in the winter months when finding food is more difficult. Keep the birds happy this winter and learn how to make them a bird cake with these simple instructions.

Time to make: Approximately 20 minutes.

You will need: lard, a mixing bowl, string (50 cm), an empty yogurt pot and scissors. You will also need some or all of the following: bird seed, raisins, grated cheese, dried porridge oats, peanuts (not salted).

1. Carefully make a hole through the top of the empty yogurt pot.
2. Thread the 50 cm piece of string through the hole and tie a knot.
3. Cut the lard into small chunks and place it in the mixing bowl. Leave at room temperature until it softens.
4. Add the dry foods to the lard and squash it all together until it is all mixed in. You should be adding about twice the amount of dried food to lard.
5. Fill the yogurt pot with the mixture and put in the fridge to set.
6. Once set, you can hang the bird cake on a tree, climbing frame or somewhere else the birds might visit.
7. Why not make a record of what sort of birds eat the cake? You may even get a squirrel!

## The Cambridge Stroke Group

The Cambridge Stroke Group is a support group for all stroke survivors in Cambridgeshire. The group, a small charity run entirely by volunteers, was created by the amalgamation of Different Strokes in Cambridge and The Stroke Association to help provide a comprehensive support group for all those, of any age, who have had a stroke.

The group provides support and a lifeline to its members, helping to transform their lives and speed up recovery after a stroke by gaining independence, establishing new friendships and experiencing new activities.

The aim of the group is to provide a meeting place in a friendly and caring environment for people who have had a stroke, their families, carers and friends. It is a place away from the hospital that offers emotional and social support and a chance to meet others who have also experienced the potentially devastating effects of having had a stroke.

Our drop-in meetings are calm, friendly and informal and everyone is welcome to pop in for a cup of tea or coffee and a chat.

We meet every Thursday afternoon between 1 – 4 pm at the David Rayner Centre, Scotsdales Nursery and Garden Centre, 120 Cambridge Road, Great Shelford, CB22 5JT.

For further information, please email us at [info@cambridgestrokegroup.co.uk](mailto:info@cambridgestrokegroup.co.uk), visit our website at [www.cambridgestrokegroup.co.uk](http://www.cambridgestrokegroup.co.uk) or alternatively, ring Helen Long on 07540 513225.

#### New Self-Service Machine

New self-service machines are being rolled out across libraries in Cambridgeshire and our library is expecting to be equipped by the end of January. This will not cause any service disruption.

The existing machines are being replaced as they are reaching the end of their useful life. The new machines will accept notes and new £1 coins and will allow card payments in the near future.

#### Library Website

Why not visit our website at [www.cambridgeshire.gov.uk/libraries](http://www.cambridgeshire.gov.uk/libraries) and browse through our on-line services. You'll be surprised at the variety of information there and also how much of it is accessible to library members at home.

## Book Review

For my birthday last year, my husband bought me a year's fiction paperback subscription from a London bookshop and it has turned out to be a wonderful gift. At the beginning, I visited the bookshop and chatted to them about the kind of books I like and now, each month, I receive a book they have chosen for me through the post. They are wrapped in brown paper and tied up with string which strangely makes it more exciting – I'm not quite sure why! There was a bit of a hiccup the first month, when they sent a book I had already read, but when I let them know they immediately sent me another book and a postage-paid envelope to return the unwanted one. Since then every book has been a gem. I am in regular contact with the shop by email to let them know what I think of each book, as that helps them in future choices. Below is a short review of one of the books I have enjoyed most:

#### *Homegoing* by Yaa Gyasi

The book is about an African family descending from two sisters who were born in the 1760s. One is sold into slavery and the other marries a slave trader. The chapters bear the names of one person from each generation and alternate between Effia and Esi's family line. There is a family tree at the beginning, which helps to show where each character is placed within the whole family. The book is harrowing in parts with graphic descriptions of the treatment of slaves but the cruelty and injustice of what happens to these people is still relevant today. The characters are beautifully drawn and completely convincing. It's one of those books which starts to interfere with your day-to-day life because you can't put it down. I wholeheartedly recommend it.

#### Christmas Reindeer

Thank you to everyone who purchased Christmas reindeer in December raising £111.05. The money has been donated to a fund for Thomas, who has cerebral palsy, so that he may have an operation which will help him to walk.

#### Response to County Councillor's Report, *Willingham News*, January 2018

Has Councillor Tim Wotherspoon recently arrived from another planet? The A10 has needed to be a dual carriageway for the last 20 years, as anyone who has been in the queue from Ely to Milton would know, without a 'study'. He also insults our intelligence with talk of a bypass for Willingham, which will never happen in our lifetimes, and is just an excuse to do nothing. Ban HGVs on the B1050 to prevent further damage to the road and our properties, enforce the ban on construction traffic laid out in the planning permission for Northstowe and the A14 and show us a Council that cares about its residents and doesn't bow down to developers and big business.

# Swavesey Camera Club

At Swavesey Camera Club, we are proud to cater for photographers of all standards. Whether yours is a basic compact camera or the latest digital SLR, our programme is designed to help you get the best out of it.

Some of our meetings are instructional and some are meant to inspire, with the opportunity to listen to and meet accomplished local and national photographers and to look at some great images. One way we share our own work with other members is via our programme of competitions, where independent judges provide a useful and always constructive commentary on the pictures entered. We also have a public exhibition with free entry in Spring each year, when all members are invited to contribute their work.

**Swavesey Camera Club**  
One of the leading clubs in East Anglia

## Come along and try us out!

We charge a nominal guest fee of £4 per meeting. If you decide to join the club, any guest fees you have paid during the season will be offset against your annual fee. The full annual subscription this season is £63 (Concessions £50, Youth membership £17).

The Club meets in the 'Global Environment Centre' at Swavesey Village College every Thursday, 7 30 - 9 30 pm during term time.
