Horticultural and Craft Show 2018

This annual event, open to everyone, is organised by members of Willingham Gardening Club, with, once again, the valued assistance of other key village organisations. This is an opportunity for village residents and others to display and share their skills and provide visitors with an enjoyable day. The profits from the show go to support a cancer charity based in Cottenham, which supports cancer research programmes at Addenbrooke's Hospital and Cambridge University.

We had concerns this year about the long spell of hot, dry, weather affecting the number of horticultural entries. However, we were pleasantly surprised by the quantity and quality of produce that turned up on the day. Encouragingly, this year the children's classes were full of imaginative entries. Other classes were similarly well filled with entries of a high standard. The fine weather ensured a good turnout and it was pleasing to see so many new faces this year, something we hope will ensure the continued running of the show.

Our thanks to the head of the Primary School and the site manager, for once again giving us the use of their halls. Thanks are also due to the many helpers who give freely of their time each year and local businesses which donated raffle prizes or gave money towards the cost of running the show. But most of all, to the exhibitors, who make the show by entering their produce and showing their creative talents, stimulating much interest and comment from the visitors and hopefully creating an interest in gardening, homecraft, photography, art or craft hobbies. We look forward to seeing new exhibitors next year.

Raffle prizes and donations were given by: A R Aspinall & Sons; Berrycroft Stores; The Book Warren & Café; Bushel Box Farm Shop; Foreman's

Garage; Highgate Country Stores; Mac Hair Studio; Meraki Hair and Beauty; Ponders Travel; Rainbow Crafts; The Porterhouse/Duke of Wellington; Willflower Florists; Willingham Co-op; Willingham Motors and other personal donations.

We are grateful to our Judges, Stewards, Show Photographer and helpers in all capacities many of whom have supported the show and given their time freely over the years. A special thank you for our Auctioneer, Roger Denson, who came straight to the show from his cruise; his efforts greatly add to the money we raise. Roger also presented the winners' trophies.

This year we were again joined by Willingham Combined Charities which administers the Village Allotments. Their representative, Andy Thompson, gave us an update on the current availability of allotments and presented trophies to members of Willingham Allotments.

The next Horticultural and Craft Show will be held on **Saturday 7 September 2019**. We look forward to seeing you there.

Suffragette Centenary March

On Saturday 18 August, members of Willingham WI took to the streets of Willingham, marching in commemoration of women getting the vote 100 years ago. We attracted warm applause and friendly hooting from passing cars as we made our way along the High Street and down to the Green. Lovely tea and cakes were served in a marquee on the Green by the gentlemen partners of the marchers. Thanks to all who took part, served refreshments and helped with the complex puzzle of putting up the marquee!

AGM 2018, 2 October with Guest Speaker

Robin James will be giving a presentation at this year's AGM. Robin collects medals and has done extensive research on the soldiers whose medals he holds. He has also visited the graves in France and Belgium of these men. He will have some of these medals on display.

Robin is the co-author of the Cambridgeshire Regiment web site at www.cambridgeshireregiment1914-18.co.uk. He is a chartered academic librarian at the University of Cambridge and is an ex-member of D (Cambridgeshire) Company, VI (Vol) Battalion, the Royal Anglian Regiment. He has been researching the history and men of the Cambridgeshire Regiment for over 20 years. He is a member of the Orders and Medals Research Society, with a focus on collecting medals awarded to the Cambridgeshire Regiment for gallantry and long service. His talk will be on the regiment's history from 1914 until 1918.

If anyone has family medals from the First World War and brings them, Robin would be happy to comment on them. Please do come and join us. You are very welcome to stay for the AGM and the Poppy Appeal Meeting. The evening starts at 7 pm at Over Community Centre. There is no charge for this event and refreshments will be available.

Poppy Appeal Meeting Date – We Need You!!!

We still need more volunteers! Even if it is just covering one street, it all helps us to have a successful poppy appeal. Please, if you are interested, do get in touch or join us for a short information meeting on **Tuesday 2 October**, following our AGM evening at 7 pm.

OWLS Celebrates 5000th Journey...

... but needs more Willingham drivers

OWLS Community Car Scheme provides a much-needed service enabling those people who are unable to access other means of transport to attend medical appointments or make some social journeys. Since it began in 2011, OWLS (covering Over, Willingham, Longstanton and Swavesey) has seen a year on year increase in journeys provided and this summer reached a milestone 5000 journeys. To celebrate this achievement about 20 of its most regular customers joined coordinators and drivers for a very enjoyable tea party.

As Willingham is the largest of the four villages that OWLS serves, it is perhaps not surprising that well over half of all OWLS journeys made in the last six months were for Willingham residents. Coordinators try where possible to use Willingham drivers for these journeys to minimise the cost to the customer and driving time and distance to volunteer drivers, but there simply aren't enough Willingham drivers for the demand. Could you help?

OWLS could not operate without its band of volunteer coordinators and drivers who give their time so willingly. Drivers use their own cars and receive 45p a mile (30p from client and 15p from CCC). Additional insurance cover is provided by Cambridgeshire County Council and volunteers have to undergo a DBS (formerly CRB) check. Drivers indicate times/days when they might be available – in practice about four journeys a month is very helpful.

For further details on how to volunteer or to book a journey please ring the scheme's mobile number: 07505 254363 between 9 am and 4 pm, Monday to Friday.

Old Willingham

Last month we saw the old Baptist Meeting house on George Street, which was built in 1833 and demolished in 1978. This month we see a photo of the inside of the building, which is 'Tardis-like' in the amount of space. There was room for 750 people and by 1850 the church attracted 400 on Sunday mornings and a full 750 in the afternoons and evenings. However, after a new Baptist church was built almost opposite numbers fell quickly. Baptist churches place importance on preaching from the Bible and the large elevated pulpit can just be seen on the left. Just visible at the bottom is a coal brazier with chimney – that would have been all the heating for the whole building!

See more photos at www.oldwillingham.com.

If you have stories or memories about this picture, please contact Jon Edney, 31 High Street or oldwill@oldwillingham.com.

Create a 3D Autumn hedgehog picture

What you need:

- Felt tip pens (brown and black)
- Piece of paper (A4 size)
- A glue stick
- A collection of Autumn leaves

1. Collect some Autumn leaves in different sizes and colours
2. Trace or draw the outline of the hedgehog's head with a brown pen using the picture below.
3. Colour in the eye, nose and mouth with the black pen.
4. Create the body of the hedgehog with the leaves. Overlap them and arrange the leaves until you're happy with the design.
5. Carefully glue the leaves in place. (It's easiest to spread the glue on the paper and stick the leaves to it.)

Children's Competition – Design Willingham News Front Cover

Once again we are inviting local children to design the front cover for the December issue of *Willingham News*. The winning entry will then be on the cover of every magazine and delivered to all the houses and businesses in the village. It will also be seen on the village website in the *Willingham News* section.

This competition is open to all children aged between 7 and 11 years old.

Entries should be submitted on A4 paper and must not be computer-generated. Entries will be more effective as a front cover if there isn't too much blank white space. Remember to put your name, age and contact details on the reverse side. Hand your entry into the school office (before half term) or at the Library.

Closing date is **Thursday 8 November**. We look forward to lots of exciting, colourful and imaginative entries.

From the Parish Council

www.willingham-pc.org.uk

Anti-Social Behaviour

September's meeting saw the largest number of parishioners attending for many years. Over 50 villagers came to make representation regarding the recent increase in anti-social behaviour, vandalism and disruption in the village and the apparent lack of police response. The meeting was also attended by PCSO Tony Martin, to respond and to take back the views of those there, including one who spoke eloquently on behalf of the many. After the public part of the meeting, many left and had separate discussions with the PCSO.

The Parish Council has been making strong representations with the Police to try and bring about a positive solution. We have met with local officers who agreed, where time and commitments allowed, additional patrols would be carried out within the village and we have seen some evidence of this in the past week or two.

The Parish Council is determined to bring offenders to justice and has held a more formal meeting with the police and arranged a public meeting that took place on 20 September.

This was an opportunity for you to raise your concerns directly with the police and hear what they are planning to do for you. We would encourage residents to continue to report all incidents to the police so that they continue to have a clear picture of what is going on and where.

Traffic in Willingham

Following a meeting with Mick George, he agreed to pay for Community Road Watch (CRW) to conduct surveys on traffic through the village. Also, he will supply two interactive signs indicating actual speed for the village, and will monitor his vehicles to try to divert those that can use other routes.

The traffic logger was located by CRW on Earith Road midway between the southbound Vehicle Activated Signs. The logger shows typically nearly 5000 vehicles per week day in each direction, with a morning peak at 7 30 am and an evening peak at 5 30 pm, both with over 900 vehicles per hour. Speeds were around 30 mph at the peaks, but averaged 35 mph from Earith and 38 mph to Earith, with a peak speed reached at this point of 93 mph! More information can be found at: www.roadwatch.org.uk/cambs/willingham.

Traffic monitoring by CRW collating HCV use was carried out in two-hour sessions once a week over four weeks at differing times. The results were surprisingly similar with between 40 and 50 HCVs per session. This is more than one every three minutes on average.

The interactive speed signs should arrive soon and with additional brackets, these can be installed on Earith Road, Rampton Road and Over Road, relocated as needed.

A Site Traffic Enforcement meeting with our District, County and Parish Councillors, and representatives of the Northstowe planning officers was, disappointingly, largely unproductive. The County Council cannot prosecute any offenders of the planning conditions without complete evidence of non-compliance and they cannot look for this evidence themselves. Weight limits on the B1050 are unlikely to happen, though they will explore the possibility of a night-time weight limit. Also, the traffic sensor monitoring is to be restarted which should give better evidence of traffic levels and types, etc.

Highways

Tim Wotherspoon, our County Councillor, reported that the pavements in Berrycroft and Newington are too far gone to be treated with slurry seal. Therefore they need to wait till an appropriate budget can be found for a full reconstruction.

Regarding the B1050 alongside the river, he said the costs of the annual repairs are now so high that it may be viable to construct an alternative. This would need national funding which may be available from a Department of Transport scheme for disintegrating fen roads.

MUGA

Proposals to utilise some Section 106 funding to provide a MUGA (Multi Use Games Area) are progressing. This will cost around £180,000 and will enhance sports facilities in the village, making it comparable with neighbouring communities.

Meeting dates are published on the website, the notice board outside the public hall in the High Street, at the library and are listed below. Members of the public are welcome to attend and speak briefly or ask questions. Names will be taken down at the beginning of each meeting, together with the electoral register number to ensure everyone has a fair chance to speak within the allowed time (15 minutes in total for all speakers - 3 mins max per person).

Meeting Dates: **3 October** and **7 November**. The meetings are held in the Octagon and they start at 7 30 pm.

The Parish Council office is open Monday to Thursday from 10 am to 1 pm, except Bank Holidays and there is an answer-phone service outside office hours. Contact details are: Parish Council Office, Ploughman Hall, West Fen Road, Willingham CB24 5LP, tel. 01954 261027 and email: clerk@willinghamparishcouncil.gov.uk.

Bushel Box – Flourishing Local Farm Shop Celebrates 7th Birthday

The Bushel Box farm shop and weekend coffee shop celebrated its 7th birthday over the summer with a special display of local, seasonal produce, which sits at the heart of the business.

Wendy Jones, founder of the Bushel Box, grew up on the Manning fruit farm in Willingham and has a real passion for local produce. It is this enthusiasm and knowledge which led to her opening the farm shop back in 2011. She explains: 'I have grown up enjoying local, seasonal food and I wanted to open a business which supports local growers, producers and artisans as well as showcasing farm produce to the wider community.'

'My family has farmed here for several generations and we're well known for our range of fresh fruit and vegetables: 35 varieties of plums and gages, 37 varieties of apples, as well as pears, apricots, peaches and asparagus.'

Having sold this fruit from one of the farm's outbuildings, just at certain times of the year, the next step was to open a farm shop which not only sells fruit and vegetables (sourced locally where possible), but products from local artisans including chocolate, drinks, preserves, ice cream, savoury snacks, oils, candles and cards.

The shop has certainly grown in popularity, attracting customers of all ages, which Wendy attributes in part to many people's growing interest in shopping locally and knowing where their food comes from. 'We have a lot of customers who really appreciate being able to shop in a relaxed way and chat to us about the produce. At this time of year most of the conversation is about our plums as some people are very clear on what varieties they are waiting for, while others take more of a 'pick n mix' approach to what we have on the table.'

The business began with just Wendy and her husband, Simon, running it, but its growing popularity means they now have a part-time team of seven people; much needed over the hectic Christmas period and at weekends when the coffee shop is open, selling local tea, coffee, hot chocolate and soft drinks along with Wendy's fabulous cakes and biscuits. Regulars eagerly await the Facebook and Twitter posts about the selection on offer each weekend.

District Councillors' Report

Construction Vehicles

A meeting recently took place between members and officers from South Cambridgeshire District Council, Cambridgeshire County Council and our Parish Council to address the problem of construction vehicles driving through the village. Construction vehicles serving the A14 upgrade and the Northstowe development are not permitted to use the B1050. SCDC enforcement team have requested any available evidence of construction vehicles travelling on the B1050 and entering Northstowe. Photographs as well as vehicle names and vehicle registration plate numbers are required along with date/time witnessed. The precise destination of the construction vehicles at Northstowe is also needed.

Crime and Anti-Social Behaviour

Sadly the village is experiencing a peak in crime and anti-social behavior. We are working closely with the local police and the Parish Council to look at prevention and reduction. Please call 999 if you witness an offence happening.

South Cambs Local Plan

After an unprecedentedly long time (over four years) the South Cambs Local Plan has finally been passed by the Inspector. At the next Council meeting, members now need to decide whether, in the best interests of residents, to approve or reject the plan. A key consideration is that until very recently there was no five-year housing land supply which, together with no Local Plan, has meant a free-for-all for developers to build houses just about anywhere.

Council Grants

SCDC, under the new administration, has been reviewing what grants they offer to communities. Future grants will be focused on helping community groups to meet the Council's priorities and the Council is anxious to hear from projects which benefit those members of our communities with the greatest needs.

Loneliness Toolkit

Loneliness is a huge problem for far too many people from all walks of life. Village life should ideally protect people from suffering from loneliness because we all know our neighbours; but the reality is that it is all too frequent and contributes to poor physical and mental health. SCDC is putting together a 'Loneliness Toolkit' to help communities come up with ways of tackling this increasing problem which could affect any of us at any time, be we young or old.

Becoming an Employer of Choice for People with Disabilities

A motion was passed by all elected members at South Cambs to look at ways in which SCDC can become an employer of choice for people with disabilities be they physical, mental, sensory or anything else. Only 25% of people with a learning difficulty, speech impairment or mental health condition are employed. If you are an employer who would like help in attracting disabled employees please contact us.

Experiencing a Rough Time?

Not many of us get through life without experiencing mental health problems be they mild or serious. If you are concerned for yourself, a family member or friend please take a look at the 'Keep your Head' website which brings together reliable information on mental health and wellbeing for children, young people and adults across Cambridgeshire and Peterborough: www.keep-your-head.com.

PASTORAL LETTER

I'm sitting at home having spent this afternoon competing in 'It's a Knockout' – running, climbing, sliding, bouncing, crawling through foam and generally having a silly time! Well done to the Youth Trust team for another successful event and I hope you have raised many funds for the Youth Trust. The games were lots of fun and we shared many laughs; however I am concerned what the after effects will be as I do a stock-take of sore muscles and the odd graze!

It is great to be in an event where the main aim is to have fun with a competitive element added. I wonder what the event would be like if we all took ourselves too seriously and winning was the only objective? I suspect only one or two teams would enter and there wouldn't be many spectators. In life we can take ourselves too seriously, striving to be the best and not caring how others fare. Maybe there is something we can learn from the spirit of 'It's a Knockout'.

If you were in Jesus' place and could choose which bunch of people would take your message out into the world, who would you choose? The best communicators, the cleverest, the most popular person? Well, Jesus did the opposite and chose fishermen, tax collectors (who were very unpopular) and such like to spend three years learning with him before building the first church. Jesus looked beyond the usual factors people use to denote success and into the hearts of this ragtag group of men – they were willing to learn and to make Jesus central to their lives. It is remarkable how these few men carried on the work of Jesus and the church grew to the 2.2 billion followers of Jesus that now exist.

In the writings of Paul it says: 'God chose the foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong.' 1 Cor 1:27. In other words God looks at our hearts rather than our bank balances, sports trophies or academic achievements. This is encouraging to all who seek Jesus; we don't have to earn God's love by becoming successful but rather allow him to use our weakness for his purposes. We are all welcome in the Kingdom of God; all we need to do is let Jesus be Lord of our lives. Easy? Not really. For me it was a very difficult step as I had always learnt to be self-sufficient and to achieve on my own. But this meant having to submit to Jesus and trust him more than I trust myself. However, after much internal battling, I did make that commitment and the direction of my life changed. I know I am accepted and loved as I am, which gives me great joy and peace and I have a new purpose in the 35 years since my trust has grown and I delight in the hope that God gives. Will you turn from self-sufficiency and trust Jesus for your life? Please do come and talk to me about this as I'd love to talk with you and pray.

'May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.'

Flu Vaccinations

Following the September delivery, we expect further batches in October and November. There will be three different flu vaccinations available this year.

- All patients aged 65 and over will be offered a new vaccine called FLUAD. This has been recommended by the government as being the most effective vaccine for this age group.
- Patients between 18 and 64 years who are in an 'at risk' category will be offered the quadrivalent vaccine which should offer more protection than the ones given in previous years.
- Children over the age of two will again be offered the nasal flu vaccine. School-age children in reception and years 1 – 5 will be having the vaccine at school.
- The surgery will give the nasal flu vaccine to those children born between 01/09/2014 and 31/08/2016.

Please contact the surgery if you have any queries.

Private Flu Vaccinations

These are available from the pharmacy at a cost of £10 for those who are not eligible for a free NHS flu vaccination. Please ask at the pharmacy.

Nurse Barbara

We will be saying a fond farewell to our Practice Nurse Barbara at the end of November, as she retires from her position at the Surgery, to enjoy time with her family. Barbara has been at the practice for over 14 years and I'm sure most of our patients will have been treated by her in the past. She is a key member of our team and will be missed by many. We would like to wish her well in her retirement and will have a message book available for patients at Willingham and Longstanton Surgeries, so you can pass on your wishes and messages for her.

Patient Surveys

We conduct a patient survey annually in order to get your feedback and look at how we can improve and adapt our service for you. You may be asked to complete a questionnaire when you attend the surgery, or alternatively you can complete the survey anonymously online via our website: www.willinghammedicalpractice.nhs.uk. Your feedback is greatly valued, and you can do this either by posting a review on our NHS choices page, or by completing the form on the website, or by posting a comment in the box at reception.

Friends of Willingham Library (FOWL) Poetry and Prose Evening

Wednesday 17 October, 7 30 pm in the Library

Everyone is welcome to come along to this friendly and informal event. Bring a short piece of prose or a poem to read out. All styles are welcome: serious or frivolous, classic or contemporary, highbrow or lowbrow. If you would rather not read your choice out, there will be plenty of volunteers to step in, or it is fine to just come and listen. The evening will, as usual, be led by Chris Lacey and we are very grateful to Chris for all her hard work in making these evenings a success. There will also be a glass of wine or juice and nibbles.

It's A Knockout

What a day! Despite the rain and blustery conditions, in true British spirit the community of Willingham turned out for a day of action, fun with friends and good-natured competition.

Although the day started off cold and drizzly, that did not stop 12 teams and their families and friends from having a great time. Much tea and coffee was had to keep the spectators warm. Much laughter and boisterous fun was had to keep the contestants warm.

The Master Bakers came back again this year and were met by some fierce competition from The Un-incredibles (seen here in full costume, who also won best team costume on the day), On a Wing and a Prayer and The Squirry Squirrels, amongst many others. This year the Squirry Squirrels managed to pip the Master Bakers to the winning trophy in a closely run final.

The Un-incredibles

There was also a great turnout of younger teams this year with seven teams in total and one of the Scouting teams, Laughing scOut Loud just sneaking through to beat The Team In First Place in the finals.

Despite fewer spectators due to the not so great weather, the day still managed to raise just over £2,000 to support the Willingham Youth Trust in keeping the Youth Centre up and running and enabling them to continue to host the Youth Zone (youth club), run the coding club, prepare for this year's 'Hallowe'en Family Fancy Dress Disco' on **20 October** from 5.30 – 9 pm and get ready for Autumn and Winter activities for both the young people of Willingham and their families and friends.

The Master Bakers

Without the support of many local businesses, this event would not have been possible or been able to offer a profit towards the Youth Centre's running costs; we are, as ever, incredibly grateful to the number of local businesses who stepped up to support the teams this year including:

Domino Printing

Fen Edge Community Association (FECA)

Flack and Chapman • G. Webb • Happy House

Imagine • John Henry • Les Ward • Morrisons, St. Ives

Polarglaze Ltd. • Post Office • Swiss Laundry

Target Printing • Tesco • Tylers • Vintage Travel

Willingham Co-op

In addition to the financial sponsorship from the businesses listed above, we received so many raffle prizes from our generous donors that due to timing issues on the day, we had to roll some forward to our 'Hallowe'en Family Fancy Dress Disco'. We'd like to thank: Better; Bidwells; The Book Warren & Café; Boots; Cambourne Castles & Marquees; Cambridge Arts Theatre; Cambridge Live; Cambridge United Community Trust; Cambridgeshire Kickboxing; Chilford Hall Vineyard; ClipnClimb; Decathlon; The Entertainer; Farley's Food; Fen End Country Kitchen; Highgate Butchers; Mad Science; Meraki; Oasis Nursery; Orb Bakery; The Raptor Foundation; Royal Bengal; Shepreth Wildlife Park; Tenpin; and Travis Perkins.

Finally, the Youth Trust Committee would like to thank everybody who helped make the day such a success. There are too many to list here individually but you know who you are and we greatly value your continued support and involvement with our cause.

Looking Ahead to Christmas!

You might not want to be thinking of Christmas when we have only just had the Summer but once again the December issue of *Willingham News* will include the Christmas Greetings page and we have to plan ahead. If you would like to save yourselves some time and effort why not send in your greetings to us and we will publish them in a small box for you. No need then to rush around the village posting cards

and wondering if you have forgotten anyone! You will need to get your greetings to us by **8 November**. Send them as an attachment to our email address willinghamnews@gmail.com or leave them at the library. It only costs £8 and all of this will go to East Anglian Children's Hospice. Make your cheques payable to *Willingham News* and either leave these at the library or post them through 54 High Street.
