Old Willingham

Here is a picture of one of Willingham's petrol stations in about 1960. It was on Berrycroft roughly opposite where the Pizza shop is today. Petrol was also available from what is now Willingham Motors and, until about 15 years ago, from Foreman's on George St. The car is a 1951 Sunbeam Talbot 90 owned by Dr Flowers, the village doctor at that time who, according to Norman Ingle, was known as 'Jim' by friends. The number plate is 'JYM 835'.

Digital Switchover

Have you heard about the digital switchover? Willingham Community Hub is discussing this on **Monday 24 November**. So come along for information and bring your questions!

We'll have Will Plant, Digital Inclusion Lead for Connecting Cambridgeshire, to guide us through the switch, which is all about upgrading phone lines.

The UK's traditional phone network is being switched off by January 2027, meaning all such landlines will move to a digital system. The switchover will mainly affect people who:

- don't have an internet connection at home
- rely on a traditional landline (not already using a digital phone service)
- use telecare and personal alarm systems (such as fall monitors or lifelines).

But don't worry, Will has information and top tips on what you need to do.

Come along on the 24th. Our hub runs from 10 am to 12 30 pm at the Octagon, St Mary & All Saints Church, Church Street, CB24 5HS.

Can't make the date but need some advice?

- Read more on the [Connecting Cambridgeshire website](#)
- Or contact Cambridgeshire ACRE Village Agent, Kari Payne, on 01353 865027/07484 053086 or email kari.payne@cambsacre.org.uk.

Willingham Combined Charities – Allotments

- Are you looking for a new way to keep fit?
- Would you like to grow fruit or vegetables to feed yourself or your family?
- Is your garden just too small to have a vegetable crop?
- Would a small (or even a big!!) allotment plot be the answer to your needs?

If the answer to the above is 'yes' then look no further! A small number of allotment plots have now become available at the start of this new allotment year. There are some ideal 'starter plots' in which to grow garden produce for a rent of just £15 per year or larger plots between £20 and £30. If you are interested and would like more details, please email:

sueandpaulontour@hotmail.com.

Photo Club Assignments

Each month, members of our Photo Club are set an assignment, the results of which are viewed and discussed at the next meeting. The subject can be varied – in recent times, we've had *Knobs*, *Musical Instruments*, *Geometric* and many more to stretch the imagination of members. It's huge fun, and there's little pressure to provide an award-winning shot, but invariably there's a great deal of quality, creativity and a few surprises! You can view all the results on photo.ballandia.co.uk, where you can search for *Assignments*.

A recent assignment was *Street Headwear* – one of the results accompanies this item. The picture was taken at Norfolk's Weybourne Station (of *Dad's Army* fame) where the volunteers for the heritage railway line obligingly wore hats!

Mystery Photo

How did you do with October's Mystery Photo? Responses ranged from 'No idea' to 'Oh yes! It's the top of the Porterhouse Tipi!' And it was indeed a warped picture of the top of the tipi. This month's mystery photo might be easier, and it's appropriate for November. Good luck!

Young Readers' Corner

This month we're taking an autumnal theme. The Word Search contains the names of 15 trees you can find in Britain. If you want to make it a little harder for yourself, cover over the list below.

Here are some leaves to identify and colour. Can you find examples of these when you go out to match them to the pictures? Answer on page 19.

Winter Fuel Allowance – 2025 Update

Following a review by central government for 2025, most pensioners in England and Wales will receive the Winter Fuel Payment. The payment will be reinstated for all pensioners with a taxable income below £35,000 per year. If your income is above that threshold, you will still receive the payment and it will be recovered through the tax system.

If you're eligible, you'll get a letter in October or November and most eligible people will be paid automatically in November or December.

If you haven't received a payment before, and believe you are eligible, you can contact the Winter Fuel Payment by telephone, post or online to make a claim.

Be aware of potential scams related to winter fuel payment claims.

For further information please visit www.gov.uk/winter-fuel-payment or telephone 0800 731 0160.

Cancelling Appointments

We understand that sometimes plans change and you may find you are unable to attend the surgery for a pre-booked appointment. We respectfully ask that you contact the surgery by telephone to let us know if you can no longer make it. You will not have to hold for any period of time, just press option 3, which will allow you to leave a message. Please do not cancel appointments last minute via email as, when we are very busy, we are unable to monitor the email inbox.

Blood Tests

If you have a pre-arranged blood test booked in the surgery, it is important to ensure you are well hydrated when you attend for your appointment. This also includes when attending for a fasting blood test – although you must not eat, please ensure that you drink plenty of water. This will help to make your test less uncomfortable.

Referrals

If during your consultation the GP or nurse has arranged a referral to the hospital or a community service, and you have not heard anything after two weeks from either the surgery confirming your referral has been sent or from the hospital/service, please make contact with our secretaries to chase.

Hospital Medication

We would like to remind our patients that the best place to collect any medication prescribed by clinical staff whilst visiting the hospital is from the pharmacy located in the hospital itself. We understand that queues and waiting times are often long and frustrating but by not waiting to collect will only cause further delays. To clarify, the dispensary is unable to dispense any hospital requested medication without a clinic letter and these letters are often not received in the surgery for a few days after a clinic appointment/hospital attendance. In addition, the dispensary does not stock hospital medication so it has to be ordered in, which can sometimes take days, again causing further delays. So, please collect your medication from the hospital pharmacy to ensure that there is no interruption to your care.

Please note, when booking your second (booster) shingles vaccination, that this cannot be administered any sooner (even by one day) than six calendar months after the first vaccination was given.

Patient Participation Group (PPG) Meetings

The PPG brings together patients, GPs and staff from a GP practice. They meet to discuss issues relating to their surgery and the services provided to patients. This allows GPs and staff to work with patients to plan services which best meet the needs of the people who use those services. All of our patients are welcome. The next meeting will be held on **Wednesday 12 November**, 7 – 9 pm at the Willingham Medical Practice.

Carers' Meetings

If you are a carer for someone and need advice and financial or emotional support, please come along to our carers' support meeting on **Wednesday 5 November**, at the Wilford Furlong Centre in Willingham, where we will be holding a drop-in session between 2 and 4 pm. Please come along and get some support from other people in the local community. Refreshments are provided, there's no need to pre-book and it's completely FREE! Meetings are held on the first Wednesday of every month and for more information please contact susan.lawson7@nhs.net

Nature's Names

You'd be forgiven for thinking nettles were a bit of a nuisance, seemingly growing everywhere you don't want them, and threatening you with their potential to sting. But there's more to our irritating little friends than meets the eye.

The name *nettle* comes from the Indo-European language (3000 years ago and more), derived from the root word *ned*, meaning to tie or bind together – hemp is part of the nettle family. In Old Saxon (8th to 12th century) the word was *netila*. It has inspired several English place names – Nettlebed in Oxfordshire, Nettleton in Lincolnshire, and Nettlestead near Ipswich, to name but three.

Nettles thrive in most places, notably in soil which is rich in phosphates – near refuse dumps, churchyards, cattle pens, river valleys – in fact, anywhere where human activity exists, or near where animals casually deposit their poo, they will most likely flourish.

Nettles are sometimes classed as a superfood as they contain numerous vitamins and minerals. They have been part of medicinal folklore for centuries. They are, apparently, a cure for most ills. In medieval times – and this sparks a personal interest for this follically-challenged author – it was commonly believed that nettles improved hair growth. Just squeeze juice from some nettle leaves then dip your comb's teeth into it each morning. You should then 'juice comb' your hair the wrong way. This relies wholly, of course, on having enough hair to comb the wrong way. Moving on...

In literature, nettles have a rich history. They can be used in textile work, as in Hans Christian Andersen's *The Wild Swans*. In it, our hero princess gathers nettles in order to knit shirts to help her eleven cursed brothers regain their human shape after being turned into swans. But, alas, if she utters any sounds or words as she knits, she and her brothers will be slaughtered. Heartwarming stuff.

But it does raise the question... should the many crafters of Willingham try knitting with nettles? There's plenty of it about. Knitting with nettles – what can possibly go wrong?

The Origin of Bury St Edmunds

King Edmund of East Anglia refused to renounce his Christian faith and was killed by the invading Danish horde in November 869. He is the former patron saint of England and even today some want to reinstate him rather than St George!

The date of our meeting will be almost 1156 years to the day from the date of Edmund's death.

How did he die and what did the paranormal wolf do about it?

Find out at the WHIG meeting on **Monday 24 November** at 7 30 pm in the Social Club. £4 on the door to cover the cost of the room.

Night Sky

This month we're going to be treated to the brightest and biggest Full Moon of the year! On **5 November**, for example, the Moon will be at its perigee, which means it is at its closest to Earth, and will appear about 14% larger. It's not called a supermoon for nothing – it will be at its brightest since 2019. And, what do you know, there's another one due on **4 December**... just like buses.

The Pleiades star cluster, which we covered last month, will appear very close to the Moon on **6 November** during the evening, visible with the naked eye once your eyes take time to get used to the dark sky, even with the bright Moon close by.

With Venus bowing out of our early morning sky for a few weeks, as its orbit takes it behind the Sun, two other planets are the 'naked eye' planetary performers this month – Saturn and Jupiter. The ringed planet Saturn will be shining brightly in the south-west during the evenings, and the giant Jupiter, near the half-Moon on **9/10 November**, will be even brighter as they rise together in the east about 9 pm.

Happy planet-gazing!

Friends of Willingham Church

St Mary and All Saints, Church St, Willingham
friendsofwillinghamchurch@gmail.com

Please support us at our next fundraising event:

Saturday 8 November, 2 30 pm in the church,
£5 per person

We will be hosting a speaker from English Heritage who will present a talk about the wall paintings and other aspects of decoration within the church.

Tea, coffee and home-made cakes will then be available to buy in the Octagon.

To book please contact the above email address.
Pay by BACS, cash or card at the door on the day.

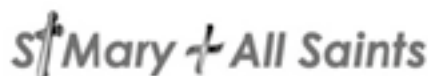

It's an expensive business looking after a church that's 100s of years old. The building needs urgent and expensive repairs. Keeping the church open depends on being able to maintain the church as well as pay the bills. The church does not receive any funding from the Church of England; it is up to local people to pay for the upkeep of the church. English Heritage cannot support ongoing maintenance – they barely have enough funds to help those churches that are in danger of collapse. You can help by supporting the Friends of Willingham Church.

Why not join us and help raise much-needed funds?

We are a community group, established in summer 2023, to raise money for the maintenance of the outside of the church building. Our desire is to preserve the church so future generations can enjoy it as much as we do.

We would love to welcome some more members. By joining the Friends, you will receive updates on our restoration projects when they get underway and invitations to church events. We ask you to please support the Friends with a donation of £10 every six months (per household) or whatever you can afford. You can set up a standing order or make payments by BACS. If you would like to become a member or just find out more, please email us on the above address.

Thought for the Month

I wonder how much you like to look back at things that have happened in your life, remembering the good times and, perhaps sometimes, the sad? We can often find real comfort from revisiting happy memories, those which make us feel good and loved, or perhaps cheer us up – and there is nothing wrong in that.

How often though do we look back and try to learn from the mistakes we or others have made, in the hopes that they won't happen again? VE and VJ Day 80 this year transported some people back to the days of the war in which they were alive. Those rather younger perhaps tried to understand how a generation allowed itself to get into such a serious, worldwide conflict.

Now in 2025, we are seeing again a very turbulent world around us at present, one that can make us feel ill at ease and worried. We may be trying to look forward in the optimistic hope of a better and more peaceful life but not seeing it. Many are praying regularly for world peace including, on a weekly basis, in our church.

November is traditionally the month in which we remember all those who gave their lives in world wars and other conflicts and continue to do so today. It is good to take time to remember, to honour our dead but not, in any sense, to glorify war. It is, perhaps, necessary for us all to reflect on the lessons we should have learned but sometimes struggle to.

In the Christian tradition we name Jesus as the Prince of Peace. It is to Him and to God that we pray in times of need for ourselves, for our nation and for our world. On **Sunday 9 November** we will hold our annual Remembrance Day service, 10.45 am at the War Memorial and 11 am in St Mary & All Saints Church. Please do join us as we focus our thoughts on those who gave their lives in the quest for peace and, especially, offer our prayers for the cessation of conflicts in our time and the longed for coming of world peace.

Jan Payne – Licensed Lay Minister, St Mary & All Saints Church

Willingham Women's Institute

Our next meeting will be on **Monday 10 November** 7 pm at the Social Club. We will be having refreshments on arrival and time to chat. At 7 30 pm we will start the meeting with notices and then try our hand at making Christmas tree decorations, with pine cones, bells, berries, ribbon and anything else you would like to add.

At our October meeting, Bryan Saddington came to talk to us about his *Life and Times in the Fire Service*. Bryan retired 25 years ago but still remembers blagging his way through the interview. The training was hard, strict and repetitive but he always enjoyed the camaraderie. Initially based in London for a year, he was relieved to move back to Cambridge. Non-service days at the Fire Station were taken up with training, drills, exercise, equipment/engine maintenance, tests on street locations (no satnav then), chores, self-catering and a lot of fun. All the preparation enabled the crew to deal with a diverse range of jobs, from serious fatality fires, arson, domestic fires and traffic accidents, to rescuing animals and many more.

Bryan really enjoyed his job and worked his way through the ranks, eventually heading up a Fire Safety Department, followed by Fire Investigations – a very fulfilling career that he still enjoys talking about today.

Our friendly, informal group is open to all women – just a few of us make jam and we only sing Jerusalem, as a tradition, at the Annual Meeting! We usually have an interesting speaker at our monthly meetings or an activity. All members receive an online copy of the monthly *CFWI News*, the national magazine, and can also join outings and activities organised by the Cambridgeshire Federation.

You would be warmly welcomed, for a taster session to check us out, free of charge.

To find out more, please contact willinghamwi28@gmail.com or phone Vicky 01954 201405. Hope to see you soon.

Over Players

Sound the trumpets! Tickets are now on sale for the Over Players' 2025 pantomime: *Once Upon A Time*.

Pantoland is celebrating the upcoming royal wedding between Cinderella's daughter, Princess Lottie, and Snow White's son, Prince Marvellous. Their union is foretold to break the last hold of darkness forever. Evelyn, a wicked witch in charge of Panto Land, vows to stop the marriage, fearing the prophecy banishes evil from Pantoland forever. But Prince Marvellous embarks on a quest to rescue the princess. Along the way he is helped by many folk from fairy land, all ready to battle against Evelyn's schemes and ensure a happy ending.

Expect magical chaos, theatrical flair, and at least one villain who's possibly a bit misunderstood (and probably just needs a hug).

Jeanne Barbara Ackermann

This is Jeanne Barbara Ackermann, who visited St Mary & All Saints Church on the day of the Harvest Festival. She now lives in Nottingham and was visiting with a friend for the day.

Jeanne was married at our church in 1951 and celebrates her 100th birthday this month. She remembers many Willingham folks of old and sends good wishes. Her family name was Few and her relatives had farmed in this area.

The Octagon Community Hub

Monday mornings 10 am – 12 30 pm

Come and join us on Monday mornings in the Octagon, behind St Mary & All Saints Church, where you will find someone to chat to if you would like some company. We offer free tea, coffee and biscuits at all sessions. We also serve a light lunch which is often fresh home-made soup and buttered toast or beans on toast or jacket potatoes. There are magazines, books, puzzles, games, knitting and colouring to enjoy too.

We will also be hosting an autumn vaccination clinic on **Monday 3 November**. The immunisation team attending plans to offer Covid vaccinations to adults aged 75+ and to anyone aged 18 – 74 if they are severely immunosuppressed.

Please follow the footpath to the left of the church gate and you will find the Octagon behind the church. We are wheelchair accessible and have a disabled toilet.

We make no charges for our refreshments, but donations are always appreciated.

We hope to see you soon!

FROM THE PARISH COUNCIL

www.WillinghamParishCouncil.gov.uk

Councillor Vacancy

At the last Parish Council meeting there were three applicants for the vacant position. Following two rounds of voting, Robert Phillips was co-opted to the Council.

Traffic

The 20 mph zone for Willingham has been implemented. Several complaints have been made that the traffic speeds appear to have increased since the introduction of the new limits, especially as the 30 mph safety camera on Station Road was found to be unsuitable to be recalibrated. We are also looking into other mechanisms that may allow the reinstatement of this device which may make a difference. We have conducted discrete data logging on the High Street near Covent Garden and on Station Road near the covered safety camera although there is, unfortunately, no previous data for a comparison. This information is available on the PC website. These show disconcertingly high average speeds and maximum speeds which will be reported to highways and the police. Hopefully, this will result in a response for the apparent disregard of the speed limits.

Regarding the comments in the last magazine about the B1050 Shelfords Road (Earith Road end), the Parish Council has requested a 7.5 tonne weight limit together with a 30 mph limit along the stretch beside the river for safety reasons. We have also pursued the CCC Highways Department regarding the £6.9m scheme promised four years ago which was stopped due to cost increases. This unacceptable cancellation needs to be reinstated to ensure the safety of all along that road.

There had generally been a positive response to implementation of traffic control measures along Earith Road in the vicinity of the Community Orchard. The suggested 'priority give way' scheme was less favourable so alternatives such as a raised table, gates and a central island are being considered. Funding for this would come from S106 Northstowe resources.

The footpath to Highgate Farm is in the final design stages and paperwork should be completed in the near future. It was hoped this work could start soon. Due to the amount of recent road closures along Over Road, a full road closure cannot be carried out during the day. However, it is hoped that a night-time (8 pm – 6 am) closure would work and be an acceptable alternative.

Willingham Post Office

The Post Office has applied for a licence to retail alcohol, and the enlarged premises are now open seven days a week, although the post office services are available only during the Monday to Saturday business hours as previously.

Remembrance Day

There will be a ceremony at 10 45 am on **9 November** at the war memorial in the cemetery at St Mary & All Saints Church. Councillor Law will present the wreath at the event on behalf of the parish.

Hedges

The bird-nesting season has now finished, so can residents please cut back trees, hedges and shrubs that overhang the back of the pavement line? Many pavements are still too narrow to be safely negotiated, particularly where people are using prams and pushchairs and, in particular, mobility scooters.

Pavements

There seems to be an increase in dog owners not clearing up behind their dogs on the pavements in the village. This anti-social behaviour becomes worse with darker evenings where more and younger people are around and cannot see the dangerous remains.

Contact Details

Councillors' details can be found on the website but below are the details for the Chair, Vice Chair and Lead Councillors.

Meetings

Meetings are generally held on the first Wednesday of the month, starting at 7 30 pm in the Octagon. Agendas are published on the website and the noticeboard outside the Public Hall. Members of the public are welcome to attend and can speak briefly or ask questions. (See agendas for further details.)

Postage Stamp Recycling

While I ran the Post Office, I had a stamp recycling box in aid of MAGPAS. Unfortunately, due to the refurb, there is no longer floor space for the collection box. However, the Library has agreed to find space for the collection box, so it has been relocated there. Any money raised from the stamp donations will go to MAGPAS as before and I will continue to be the local contact. Graham Atherton, 07738 354546

Fen Edge Twinning Association

Second 'Annual' Quiz Night of the Year

The Fen Edge Twinning Association normally runs one quiz night each year to raise funds to support our activities, but this year, for the first time, a second quiz has been held.

This happened because we were lucky enough to be one of the local organisations to be offered free use of Cottenham Village Hall for one evening, and we did not know what else we could use it for.

The event was a great success. Several local businesses (including the Bushel Box) donated prizes, Steve Unwin provided an excellent set of questions and acted as our question master and Nathalie Morgan did an amazing job of procuring refreshments from France. Some of these were served at the interval and some were offered for sale at the bar. Our thanks are offered not just to those mentioned but to all those who helped with promoting and organising the event.

With so much goodwill and hard work being offered, it is not surprising that our finances are now in good order. All we need now is more members to share in the rewards. Twinning can be (and generally is) very rewarding. Our friends in Avrille (France) are really very nice. They offer lots of new experiences and great hospitality when we visit them and we try to do the same when they come to England. To find out more, contact fenedgetwinning@gmail.com.

Willingham Sustainability

Community Energy

Willingham Sustainability has developed a survey for the residents of Willingham on 'Community Energy'. This is to understand what people's understanding of community energy is and whether residents would be in support of a community energy project (if the opportunity arose).

What is Community Energy?

Community energy refers to the delivery of community-led renewable energy, energy demand reduction and energy supply projects, whether wholly owned and/or controlled by communities or through a partnership with commercial or public sector partners. The focus is on energy resilience and the move away from central energy supply which often relies on fossil fuels from other countries, leading to volatility in prices. More information can be found here: www.communityenergyengland.org/pages/what-is-community-energy.
